

**DANVILLE
2003 ANNUAL
TOWN REPORTS**

COLBY MEMORIAL LIBRARY, 2003 ADDITION

**Rockingham County
New Hampshire
03819**

On the cover:

Colby Memorial Library, 2004

Construction of the addition to the Colby Memorial Library began this year, after being on hold for several years due to a statewide lawsuit contesting the legality of the 2/3 majority vote for bond issues. When the court case was over, new bids were received, and in 2003 townspeople voted in the extra money needed to complete both levels of the building.

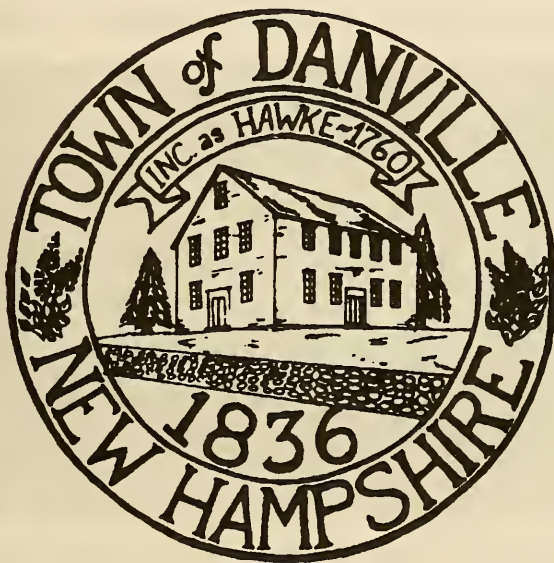

Due to be finished in early 2004, the two-story, handicapped accessible addition will have a separate children's room, computer stations, quiet study areas, and extra parking. The old building has been painted, carpeted, re-roofed, and a new heating system has been installed. There will finally be room for all the books and materials that have been squeezed into the 1300 square foot original building and in storage at the Town Hall, as well as room for future growth.

The library staff and Trustees will hold a dedication ceremony in the spring of 2004 and look forward to opening up this beautiful, long-awaited building to the public.

ANNUAL REPORTS
of the
TOWN OF DANVILLE
NEW HAMPSHIRE

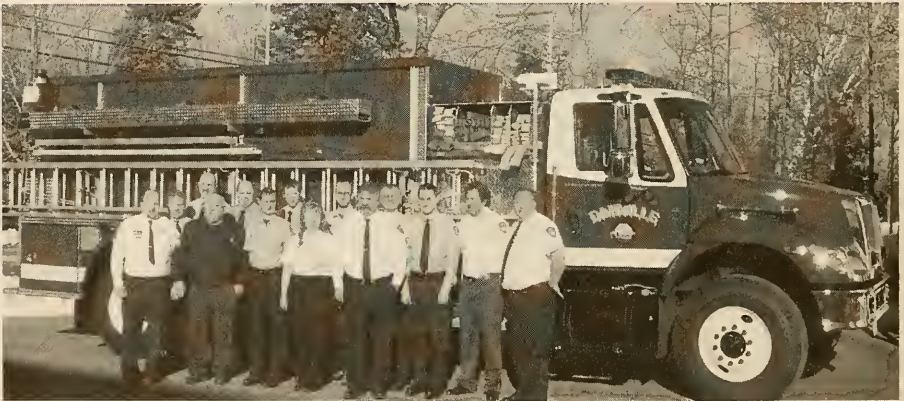

**For the Fiscal Year Ending
December 31, 2003**

More specific details concerning Town Government are available from your Board of Selectmen, Selectmen's Clerk, Tax Collector or Town Clerk during office hours.

DEDICATION

This year the Board of Selectmen wishes to thank the Police Department, Fire Department and Emergency Medical Technicians for their service to the Town. Whenever there is a life-threatening emergency in Town these people interrupt their daily lives and respond quickly. They largely go unnoticed in town. *To all of these people we say "Thank You".*

Danville Fire Department, December 28, 2003

Left to Right: Lt. Paul Streeter, Lt. James Seaver, Lt. Robert Sharpe, Chief M. David Kimball, Engineer Art Griswold, EMT Malorie Cotton, Support Personnel Tim Griswold, Lt./Paramedic Dottie Billbrough, FF/EMT Garrett Coscia, Deputy Chief Steve Woitkun, Engineer Steve R. Cotton, EMT Steve E. Cotton, Deputy Chief John Caldwell & Capt./Paramedic Tom Billbrough.

SELECTMEN'S MESSAGE

To the Citizens of Danville:

During the course of the year we sometimes witness a Town official who exhibits the kind of volunteerism that we all strive for. This year we wish to recognize Nancy Sheridan, a Library Trustee who volunteered to oversee the Library Addition Construction Project. She has been an example to the rest of us because of her hard work throughout the year in dealing with the construction issues with the Library addition. It seems that every day brought a new problem requiring her attention. She took care of these issues in a very patient and professional manner and dedicated an immense amount of her personal time to keep the project from getting completely out of control. No one asked her to take on this responsibility; she just did it. The library is nearing completion, and it is a safe bet that if she hadn't been involved, the construction would be even further behind schedule. Without going into detail on the issues, suffice it to say that the situation would have caused most people to quit. But Nancy never complained, although she did sigh a few times. Nancy's contribution serves as an example of how people can help keep Danville a nice place to live.

Nancy's contribution was large and continues to be critical in bringing the project to a successful conclusion. Although it has taken up much of her personal time to manage this project, it typically doesn't take a lot of time for residents to become involved in the Town. The more people become involved, the more progress we can make. This year a large number of our Town committees had vacancies that we could not fill. Now that Danville has close to 4,200 residents, vacancies on any committee create hardships for the committee in being able to achieve its goals. New Hampshire town government is dependent on volunteerism. One person can make a difference. Please get involved and make a difference.

Current vacancies exist on the Planning Board, Heritage Commission, Recreation Committee, Zoning Board of Appeals, Conservation Commission, and School Budget Oversight Committee. Please contact the Selectmen's office if you can help.

Mike Asselin, Chairman
Ron Peddle
Bob Moore

Doreen Moore,
Town Clerk

TRUSTEE OF THE TRUST FUNDS – 2003 REPORT

The yield on investments for 2003 was 0.70 % on funds in the New Hampshire Public Deposit Investment Pool. There was a capital gain of \$2,867.43 in Common Fund #1 from the sale of the Vanguard Windsor II Fund.

This year there were no new cemetery perpetual care funds established, nor were there any new Capital Reserve Funds or Scholarship funds established.

The Bridge/Culvert Replacement Fund was consolidated into the Pleasant Street Capital Reserve Account as it was originally intended. The Municipal Building Fund was closed per warrant article #28 (2003) and the funds were returned to the Town's General Fund to be used to reduce taxes in Fall 2003. The Hasseltine Scholarship Fund was also closed.

The NHPDIP invests in US Treasury and US Government Agency obligations and other investments designed to provide protection for each participant to minimize any possibility of loss.

Respectfully Submitted,
Barbara J. Chalmers, Trustee, Bookkeeper
Patricia Cote, Trustee
Peter Meigs, Trustee

**STATE OF NEW HAMPSHIRE
TOWN OF DANVILLE**

2004 Town Meeting Warrant

To the inhabitants of the Town of Danville in the County of Rockingham in said State, qualified to vote in Town affairs:

First Session of Annual Meeting (Deliberative)

You are hereby notified to meet at the Fire Association Hall in Danville, New Hampshire on Saturday, the seventh day of February 2004, at ten o'clock in the forenoon to deliberate upon the articles included in the warrant. This session shall consist of explanation, discussion, and debate of warrant articles 7 through 38. Warrant articles may be amended subject to the following limitations: (a) warrant articles whose wording is prescribed by law shall not be amended and (b) warrant articles that are amended shall be placed on the official ballot for a final vote on the main motion as amended.

Second Session of Annual Meeting (Voting)

You are hereby also notified to meet on Tuesday, the ninth day of March 2004, at 8:00 o'clock in the morning at the Fire Association Hall, Danville, New Hampshire to vote by official ballot on the election of town officials, and on all warrant articles. By vote of the Selectmen, the polls for the meeting will remain open from 8:00 o'clock in the morning until 8:00 o'clock in the evening.

Article 2004-1 Choose all necessary Town Officers for the year ensuing. (March 9th only)

Article 2004-2 Choose all School District Officers for the year ensuing. (March 9th only)

Article 2004-3 Are you in favor of the adoption of the amendment proposed by the Planning Board for the Town of Danville zoning ordinance as follows? (*continued next page*)

ARTICLE III.B.3., DELETE and REPLACE with: A strip of land extending southward along the westerly side of Main Street from a line 250 feet north of the intersection between the centerline of Main Street and Hampstead Road and running perpendicular to the centerline of Main Street to a line that is 1000' north of the centerline of Route 111, thereby abutting the Highway/Commercial and Light/Industrial Zone. The strip of land to be 450 feet wide in the westerly direction from the centerline of Main Street.

Recommended by Planning Board

Article 2004-4 Are you in favor of the adoption of the amendment proposed by the Planning Board for the Town of Danville zoning ordinance as follows?

ARTICLE IV.C.1.b., DELETE and REPLACE with: Any business, such as: public garages; repair shops; sales agencies for automobiles, boats, farm, industrial and construction equipment.

Recommended by Planning Board

Article 2004-5 Are you in favor of the adoption of the amendment proposed by the Planning Board for the Town of Danville zoning ordinance as follows?

ARTICLE V.B.4.c. DELETE and REPLACE with: The mobile home must be located within a 10,000 (ten thousand) square foot area of contiguous upland soil.

Recommended by Planning Board

Article 2004-6 Are you in favor of the adoption of the amendment proposed by the Planning Board for the Town of Danville zoning ordinance as follows?

ARTICLE VI.A., DELETE and REPLACE with: Except as provided elsewhere in this Ordinance, the minimum lot size shall be two (2) acres, and the minimum frontage requirements shall be two hundred feet (200') on a Class I through Class V highway. The dwelling unit must be located on a contiguous upland soil area of at least ½ (one-half) acre. *(continued)*

A lot that does not meet these requirements shall be considered a non-conforming lot.

Recommended by Planning Board

Article 2004-7 *Fire Department Laptop and LCD Projector*

To see if the Town will vote to raise and appropriate the sum of Three Thousand Dollars (\$3,000) for the purchase of a laptop computer and LCD Projector for the Fire Department. This appropriation is in addition to Warrant Article 2004-38, the operating budget. (Majority vote required)

Recommended by Board of Selectmen

Recommended by Budget Committee

Article 2004-8 *Cemetery Capital Reserve Fund*

To see if the Town will vote to raise and appropriate the sum of Five Thousand Dollars (\$5,000) to be placed in the existing Cemetery Capital Reserve Fund for future cemetery expansion. This appropriation is in addition to Warrant Article 2004-38, the operating budget. (Majority vote required)

Recommended by Board of Selectmen

Recommended by Budget Committee

Article 2004-9 *Establish Colby Pond Recreation Area Capital Reserve Fund*

To see if the Town will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of future facility improvements, including but not limited to baseball field, soccer field, pavillion, storage facilities, parking, field maintenance, at the Colby Pond Recreational Area and to raise and appropriate the sum of Five Thousand Dollars (\$5,000) to be placed in this fund. This appropriation is in addition to Warrant Article 2004-38, the operating budget. (Majority vote required)

Recommended by Board of Selectmen

Recommended by Budget Committee

Article 2004-10 *New Position – Zoning Enforcement Officer Position*

To see if the Town will vote to create a part-time Zoning Enforcement Officer position to inspect and enforce town zoning regulations and excavation regulations and to raise and appropriate the sum of Six Thousand Fifty Dollars (*continued*)

(\$6,050) for the 2004 salary and expenses budget. This appropriation is in addition to Warrant Article 2004-38, the operating budget. (Majority vote required)

Recommended by Board of Selectmen
Not Recommended by Budget Committee

Article 2004-11 *Citizen Petition – Hiring a Part-time Danville Recreation Director*

By Petition: “To see if the Town will vote to raise and appropriate the sum of Seven Thousand Eight Hundred Dollars (\$7,800) for the purpose of hiring a part-time Danville Recreation Director.” This appropriation is in addition to Warrant Article 2004-38, the operating budget. (Majority vote required)

Not Recommended by Board of Selectmen
Recommended by Budget Committee

Article 2004-12 *Stainless Steel Sander*

To see if the Town will vote to raise and appropriate the sum of Nine Thousand Five Hundred Dollars (\$9,500) to purchase a new stainless steel sander for the use of the Highway Department. This appropriation is in addition to Warrant Article 2004-38, the operating budget. (Majority vote required)

Recommended by Board of Selectmen
Recommended by Budget Committee

Article 2004-13 *Long Pond Road Culvert Capital Reserve Fund*

To see if the Town will vote to raise and appropriate the sum of Ten Thousand Dollars (\$10,000) to be placed in the existing Long Pond Road Culvert Capital Reserve Fund. This appropriation is in addition to Warrant Article 2004-38, the operating budget. (Majority vote required)

Recommended by Board of Selectmen
Recommended by Budget Committee

Article 2004-14 *Impact Fee Study*

To see if the Town will vote to raise and appropriate the sum of Fourteen Thousand Dollars (\$14,000) to perform a study to determine what the impact fee rate would be for new construction in Danville for capital expenses (*continued*)

associated with the building or renovation of municipal buildings. (Examples – town hall or safety complex renovation, new police station, bond payments for the library addition, or recreation facilities). This appropriation is in addition to Warrant Article 2004-38, the operating budget. (Majority vote required)

Recommended by Board of Selectmen
Recommended by Budget Committee

Article 2004-15 *Establish a Protection of Personnel Equipment Capital Reserve Fund*

To see if the Town will vote to establish a Protection of Personnel Equipment Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of purchasing SCBAs (Self Contained Breathing Apparatus) for the Fire Department and to raise and appropriate the sum of Thirty Thousand Dollars (\$30,000) to be placed in this fund and to appoint the Selectmen as agents to expend from the Protection of Personnel Equipment Capital Reserve Fund. This appropriation is in addition to Warrant Article 2004-38, the operating budget. (Majority vote required)

Recommended by Board of Selectmen
Recommended by Budget Committee

Article 2004-16 *Purchase New Police Cruiser*

To see if the Town will vote to raise and appropriate the sum of Thirty-six Thousand Dollars (\$36,000) to purchase and equip a new police cruiser with four-wheel drive capability and authorize the withdrawal of Ten Thousand Dollars (\$10,000) from the Police Cruiser Capital Reserve Fund created for that purpose. The balance of Twenty-six Thousand Dollars (\$26,000) is to come from general taxation. This appropriation is in addition to Warrant Article 2004-38, the operating budget. (Majority vote required)

Not Recommended by Board of Selectmen
Not Recommended by Budget Committee

Article 2004-17 *Police Cruiser Capital Reserve Fund*

If Warrant Article 2004-16 fails, to see if the Town will vote to raise and appropriate the sum of Ten Thousand Dollars (\$10,000) to be added to the Police Cruiser Capital *(continued)*

Reserve Fund previously established. This appropriation is in addition to Warrant Article 2004-38, the operating budget. (Majority vote required)

Recommended by Board of Selectmen
Recommended by Budget Committee

Article 2004-18 *Disposal of Town Property*

If Warrant Article 2004-16 passes, to see if the Town will vote to allow the Selectmen/Police Chief to sell, by competitive sealed bid, the existing 1995 police cruiser and to appropriate the estimated sale sum of Two Thousand Five Hundred Dollars (\$2,500) to be placed in the existing Police Cruiser Capital Reserve Fund for future police vehicle purchases. (Majority vote required)

Recommended by Board of Selectmen
Recommended by Budget Committee

Article 2004-19 *Pine Street Capital Reserve Fund*

To see if the Town will vote to raise and appropriate the sum of Fifty Thousand Dollars (\$50,000) to be placed in the existing Capital Reserve Fund for the road repair project on Pine Street from Route 111A to the second entrance of Crestwood Drive. This appropriation is in addition to Warrant Article 2004-38, the operating budget. (Majority vote required)

Recommended by Board of Selectmen
Recommended by Budget Committee

Article 2004-20 *Salary and Wage Increase*

To see if the Town will vote to raise and appropriate the sum of Eighty Thousand Nine Hundred Nine Dollars (\$80,909) for the purpose of increasing the Town's employees' salaries to a level comparable to that of the employees of other Towns and Cities within Rockingham County. This amount was calculated utilizing Salary and Wage data compiled by the New Hampshire Municipal Association and is an increase of 14% above the current total Town salary and FICA/Medicare payment line items. This appropriation is in addition to Warrant Article 2004-38, the operating budget. (Majority vote required)

Recommended by Board of Selectmen
Recommended by Budget Committee

Article 2004-21 *Sandown Road Bridge*

To see if the Town will vote to raise and appropriate the sum of Four Hundred Twelve Thousand Four Hundred Ninety-eight Dollars (\$412,498) for bridge construction on Sandown Road and to accept the State Bridge Aid of Three Hundred Twenty-nine Thousand Nine Hundred Ninety-eight Dollars (\$329,998) and to authorize the withdrawal of Five Thousand Dollars (\$5,000) from the Sandown Road Capital Reserve Fund established for that purpose. The balance of Seventy Seven Thousand Five Hundred Dollars (\$77,500) is to be raised through general taxation. This project is a continuance of an approved 2000 Warrant Article for Sandown Road Bridge work. This appropriation is in addition to Warrant Article 2004-38, the operating budget. (Majority vote required)

Recommended by Board of Selectmen

Recommended by Budget Committee

Article 2004-22 *Discontinue Sandown Road Bridge Capital Reserve Fund*

If Warrant Article 2004-21 passes, to see if the Town will vote to discontinue the Sandown Road Bridge Capital Reserve Fund created in 1997. Said funds with accumulated interest to date of withdrawal, approximately Twelve Dollars (\$12), are to be transferred to the Town's general fund. (Majority vote required).

Recommended by Board of Selectmen

Recommended by Budget Committee

Article 2004-23 *Fire Department Capital Reserve Fund Withdrawal - Forestry/Utility Truck*

To see if the Town will vote to raise and appropriate the sum of Fifty-five Thousand Dollars (\$55,000) to purchase and equip a new Ford F-350 Forestry/Utility Fire Truck and authorize the withdrawal of Fifty-five Thousand Dollars (\$55,000) from the Fire Truck Capital Reserve Fund created for that purpose. There is no new tax impact if this passes. (Majority vote required)

Recommended by Board of Selectmen

Recommended by Budget Committee

Article 2004-24 *Off-Highway Recreational Vehicle (OHRV) Enforcement*

To see if the Town will vote to raise and appropriate the sum of Ten Thousand Five Hundred Dollars (\$10,500) for the purpose of OHRV enforcement. This appropriation is contingent upon 100 % state grant funding through the New Hampshire Fish and Game Department. This will be a non-lapsing appropriation per RSA 32:7, VI and will not lapse for two (2) years. If the grant funding is not received, no funds will be spent for this project. NO TAX IMPACT. (Majority vote required)

**Recommended by Board of Selectmen
Recommended by Budget Committee**

Article 2004-25 *Police Department Driving While Intoxicated (D.W.I.) Patrols*

To see if the Town will vote to raise and appropriate the sum of Two Thousand One Hundred Twenty-two Dollars (\$2,122) for the purpose of D.W.I. police overtime patrols. This appropriation is contingent upon 100% federal grant funding through the New Hampshire Highway Safety Agency. If the grant is not received, no funds will be spent for this project. NO TAX IMPACT. (Majority vote required)

**Recommended by Board of Selectmen
Recommended by Budget Committee**

Article 2004-26 *Police Department Speed Enforcement Patrols*

To see if the Town will vote to raise and appropriate the sum of Two Thousand One Hundred Twenty-two Dollars (\$2,122) for the purpose of Speed Enforcement overtime patrols. This appropriation is contingent upon 100% federal grant funding through the New Hampshire Highway Safety Agency. If the grant is not received, no funds will be spent for this project. NO TAX IMPACT. (Majority vote required)

**Recommended by Board of Selectmen
Recommended by Budget Committee**

Article 2004-27 *Library Trustees To Spend Interest Income*

To see if the Town will vote to raise and appropriate the sum of One Thousand Four Hundred Dollars (\$1,400) to purchase library furniture and authorize the use of that *(continued)*

amount from interest income earned. This appropriation is in addition to Warrant Article 2004-38, the operating budget. NO TAX IMPACT. (Majority vote required)

Recommended by Board of Selectmen
Recommended by Budget Committee

Article 2004-28 *Change in Road Agent's Term*

To see if the Town will vote to change the elected term of the Road Agent from a one-year term to a three-year term pursuant to NH RSA 231:62-a; the election to a three-year term beginning with the 2005 election. (Majority vote required)

Article 2004-29 *Adopt Cable Access Special Revenue Fund*

Shall we adopt the provisions of RSA 31:95-c to restrict 100% of revenues from Adelphia Cablevision Corp. d/b/a/ Adelphia Cable Communications to expenditures for the purpose of cable access related equipment, maintenance and operations. Such revenues and expenditures shall be accounted for in a special revenue fund to be known as the Cable Access Special Revenue Fund, separate from the general fund. Any surplus in said fund shall not be deemed part of the general fund accumulated surplus and shall be expended only after a vote by the legislative body to appropriate a specific amount from said fund for a specific purpose related to the purpose of the fund or source of revenue. (Majority vote required)

Recommended by Board of Selectmen
Recommended by Budget Committee

Article 2004-30 *Expend From The Cable Access Special Revenue Fund*

If Warrant Article 2004-29 passes, to see if the Town will vote to appropriate Five Thousand Three Hundred Twenty Dollars (\$5,320) from the Cable Access Special Revenue Fund for equipment and supplies related to cable broadcast operations. NO TAX IMPACT. (Majority vote required)

Recommended by Board of Selectmen
Recommended by Budget Committee

Article 2004-31 *Modify The Elderly Exemption*

“Shall we modify the elderly exemptions from property tax in the Town of Danville, based on assessed value, for qualified taxpayers, to be as follows: for a person 65 years of age up to 75 years, Sixty Thousand Dollars (\$60,000); for a person 75 years of age up to 80 years, Eighty-six Thousand Dollars (\$86,000); for a person 80 years of age or older, One Hundred Six Thousand Dollars (\$106,000). To qualify, the person must have been a New Hampshire resident for at least 5 years, own the real estate individually or jointly, or if the real estate is owned by such person’s spouse, they must have been married for at least 5 years. In addition, the taxpayer must have a net income of not more than Thirty-two Thousand Dollars (\$32,000) or, if married, a combined net income of less than Forty Thousand Dollars (\$40,000); and own net assets not in excess of Seventy Thousand Dollars (\$70,000) excluding the value of the person’s residence.” This article shall take effect for the 2004 property tax year. (Majority vote required)

Article 2004-32 *Plaistow Rail Station – Non-Binding Warrant Article*

Shall the Town vote to support the Plaistow Rail Station for train service to Boston. This would include future warrant articles requesting annual financial subsidy of Amtrak passenger rail service (DownEaster). It is estimated that Danville’s annual cost would be roughly Three Thousand Eight Hundred Dollars (\$3,800) for the first year, Nine Hundred Sixty Dollars (\$960) the second year, One Thousand Two Hundred Dollars (\$1,200) the third year, and Five Thousand Five Hundred Twenty Dollars (\$5,520) per year after the third year, with changes in the amount changing based on participation and costs. (Majority vote required)

Article 2004-33 *Increase in Optional Veteran’s Tax Credit*

To see if the Town will vote to adopt an increase in the Optional Veteran’s Tax Credit as stated below:

- I. The optional veteran’s tax credit (RSA 72:28), upon adoption by a city or town pursuant to RSA 72:27-a, shall be \$400.
- II. The optional veteran’ tax credit shall be subtracted each year from the property tax on the veteran's (*continued*)

residential property. However, the surviving spouse of a resident who suffered a service-connected death may have the amount subtracted from the property tax on any real property in the same municipality where the surviving spouse is a resident.

III. The following persons shall qualify for the optional veteran's tax credit:

(a) Every resident of this state who served not less than 90 days in the armed forces of the United States in any qualifying war or armed conflict listed in this section and was honorably discharged or an officer honorably separated from service; or the spouse or surviving spouse of such resident;

(b) Every resident of this state who was terminated from the armed forces because of service-connected disability; or the surviving spouse of such resident; and

(c) The surviving spouse of any resident who suffered a service-connected death.

IV. Service in a qualifying war or armed conflict shall be as follows:

(a) "Spanish War" between April 21, 1898 and April 11, 1899;

(b) "Philippine Insurrection" between April 12, 1899 and July 4, 1902, extended to July 15, 1903 for service in the Moro Provinces;

(c) "Boxer Rebellion" between June 16, 1900 and May 2, 1901;

(d) "World War I" between April 6, 1917 and November 11, 1918, extended to April 1, 1920 for service in Russia; provided that military or naval service on or after November 12, 1918 and before July 2, 1921, where there was prior service between April 6, 1917 and November 11, 1918 shall be considered as World War I service;

(e) "World War II" between December 7, 1941 and December 31, 1946;

(f) "Korean Conflict" between June 25, 1950 and January 31, 1955;

(g) "Vietnam Conflict" between December 22, 1961 and May 7, 1975; *(continued)*

(h) "Vietnam Conflict" between July 1, 1958 and December 22, 1961, if the resident earned the Vietnam service medal or the armed forces expeditionary medal; and *(continued)*

(i) Any other war or armed conflict that has occurred since May 8, 1975, and in which the resident earned an armed forces expeditionary medal or theater of operations service medal. (Majority vote required)

Article 2004-34 *Surviving Spouse Tax Credit*

To see if the Town will vote to adopt the Optional Surviving Spouse Tax credit (RSA 72:29-a) as follows: Upon the adoption of this paragraph by a city or town as provided in RSA 72:27-a, the surviving spouse of any person who was killed or died while on active duty in the armed forces of the United States or any of the armed forces of any of the governments associated with the United States in the wars, conflicts or armed conflicts, or combat zones set forth in RSA 72:28, shall receive a yearly tax credit of \$1,500 for the taxes due upon the surviving spouse's real and personal property, whether residential or not, in the same municipality where the surviving spouse is a resident. (Majority vote required)

Article 2004-35 *Tax Credit For Service-Connected Total Disability*

To see if the Town will vote to adopt the Optional Tax credit for Service-Connected Total Disability (RSA 72:35) as follows:

I. Any person who has been honorably discharged or an officer honorably separated from the military service of the United States and who has total and permanent service-connected disability, or who is a double amputee or paraplegic because of service-connected injury, or the surviving spouse of such a person, shall receive the optional yearly tax credit on the person's residential property as stated below.

I-a. The optional tax credit for service-connected total disability, upon adoption by a city or town pursuant to RSA 72:27-a, shall be \$2,000. The optional tax credit for service-connected total disability shall replace the standard tax credit in its entirety and shall not be in addition thereto.

I-b. The optional tax credit for service-connected total disability shall be subtracted each year from the property tax on the person's residential property.

II. The optional tax credit under this section may be applied only to property, which is occupied as the principal place of abode by the disabled person or the surviving *(continued)*

spouse. The tax credit may be applied to any land or buildings appurtenant to the residence or to manufactured housing if that is the principal place of abode.

III. (a) Any person applying for optional tax credit under this section shall furnish to the Assessors or Selectmen certification from the United States Department of Veteran's Affairs that the applicant is rated totally and permanently disabled from service connection. The Assessors or Selectmen shall accept such certification as conclusive on the question of disability unless they have specific contrary evidence and the applicant, or the applicant's representative, has had a reasonable opportunity to review and rebut that evidence. The applicant shall also be afforded a reasonable opportunity to submit additional evidence on the question of disability.

(b) Any decision to deny an application shall identify the evidence upon which the decision relied and shall be made within the time period provided by law.

(c) Any tax credit shall be divided evenly among the number of tax payments required annually by the town or city so that a portion of the tax credit shall apply to each tax payment to be made. (Majority vote required)

Article 2004-36 *Citizen Petition – Elected Planning Board Members*

By Petition: To see if the Town will vote to adopt the provisions of RSA 673:2, II (b) (2) to elect Planning Board Members Beginning at next year's annual election, pursuant to RSA 669:17.

Article 2004-37 *Citizen Petition – Five-Member Board of Selectmen*

By Petition: "Are you in favor of increasing the board of selectmen to 5 members?"

Article 2004-38 *Operating Budget*

"Shall the town raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purpose set forth therein, totaling One Million Nine Hundred Twenty Three Thousand Seven Hundred Nine Dollars (\$1,923,709). Should this article be *(continued)*

defeated, the operating budget shall be One Million Seven Hundred Ninety-seven Thousand Nine Hundred Sixty-four Dollars (\$1,797,964) which is the same as last year, with certain adjustments required by previous action of the Town or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only.” (Majority vote required)

INDEPENDENT AUDITORS – 2002 REPORT

To the Members of the Board of Selectmen
Town of Danville
Danville, New Hampshire

We have audited the accompanying general purpose financial statements of the Town of Danville, New Hampshire as of and for the year ended December 31, 2002 as listed in the table of contents. These general purpose financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The general purpose financial statements referred to above do not include the general fixed assets account group which should be included in order to conform with accounting principles generally accepted in the United States of America. As is the case with most municipal entities in the State of New Hampshire, the town of Danville has not maintained historical cost records of its fixed assets. The amount that should be recorded in the general fixed assets account group is not known.

In our opinion, except for the effect on the financial statements of the omission described in the preceding paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Danville as of December 31, 2002, and the results of its operations and the cash flows of its nonexpendable trust funds for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was made for the purpose of forming an opinion on the general purpose financial statements of the Town of Danville taken as a whole. The combining and individual fund financial statements listed as schedules in the table of contents

are presented for purposes of additional analysis and are not required part of the general purpose financial statements of the Town of Danville. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general purpose financial statements taken as a whole.

Plodzik and Sanderson	(A copy of the complete 2002
Professional Association	Auditor's Report is available at the
February 13, 2003	Town Hall for public review.)

TAX ASSESSOR – 2003 REPORT

As in previous years the Assessing Department continues to have an increase in workload and will continue until the current building boom abates. Building Department records indicate that permits for new homes totaled 20 during 2003 along with 103 other various permits that were issued. Construction in the town has resulted in an increase in excess \$9,500,000 to our tax base. This helped result in the lower tax rate for the year.

During the year this office sent to all Current Use land owners an “APPENDIX A” to the Marlow Decision. This is a requirement which dictates that all towns determine if data included in our Current Use files is complete, including information such as an adequate map of the parcel, assessments, grade, site quality and location. This has been a disappointment whereas only a small percentage of the forwarded forms were returned. It leaves the Assessor the responsibility to determine the requested information to the best of his ability, including visits to the sites. If the forms have been discarded replacements can be obtained at the office. This is an additional requirement of the 2006 certification process.

I am pleased to report that the pending suit of Homeplate II Inc. vs. The Town of Danville as was reported to you in the 2002 Assessors Report has resulted in a “Non Suit” which effectively withdraws the litigation.

Nyberg and Purvis Associates are currently engaged in the process of measuring and re-listing all properties in the town. This is a three year process and I urge you to cooperate with them when they visit your home.

As usual it has been a pleasure to work with the Selectmen, the Tax Collector and all other office personnel. I would be remiss if I didn't mention Janie who makes my job easier and keeps me on my toes, also Juanita who chose to leave us and Patrice who was with us a "far too short a period."

To the residents of Danville my thanks for the courtesies extended to me during the year. It's been great and I couldn't have expected better.

Kenneth H Clark CNHA
Tax Assessor for the Town of Danville

ANIMAL CONTROL – 2003 REPORT

Report not available at time of printing.

BUILDING INSPECTOR – 2003 REPORT

Danville saw continued growth in 2003. There were 123 permits written, 33 for new homes. The breakdown is as follows:

New Homes	33	\$6,333,400.00
Additions	7	329,500.00
Garages	22	341,700.00
Replacement	5	165,000.00
Barns & Sheds	15	54,900.00
Pools	5	83,800.00
Porches, Decks, etc.	<u>36</u>	<u>399,875.00</u>
TOTAL	123	\$7,708,205.00

John R. Pouliot, Building Inspector

CABLE COMMITTEE – 2003 REPORT

During 2003, Danville established a new cable television contract with Adelphia that has brought additional services to Danville residents. In addition to the analog cable television service that Danville has had for several years, digital cable and high speed Internet access are now available.

Danville's Cable Channel 20 continued to provide live coverage of Town events including all Selectmen, Planning Board and Conservation Committee meetings. Taped coverage of additional meetings, such as regional selectmen meetings, has also been provided. In addition, local church services are broadcast each Sunday morning. When meetings or tapes are not being shown, Danville's Channel 20 broadcasts the Town's electronic bulletin board that provides information about upcoming Town and community events.

During 2004, we hope to enhance the Town's Cable TV capabilities to provide additional coverage of Town events.

We hope you enjoy watching Danville's Cable TV channel and hope that you find it useful and informative. We would appreciate any suggestions that you might have.

Shawn O'Neill, Cable TV Contract

Barry Hantman, Cable TV Operations

CEMETERY TRUSTEES REPORT - 2003

This year we have tried to keep up with cleaning and restoring of the stones in the Old Meeting House Cemetery. We have continued to work on getting the mapping project finished and have just the front section of Center Cemetery and some small areas in both cemeteries to recheck. We met every week during the summer to work on this and want to finalize it this year.

We have spoken to a stone wall builder and have planned for him to work next spring or summer on rebuilding some of the stone walls around Center Cemetery. We are working within our budget so it may take a few years to accomplish the project.

We are also planning on keeping the cleaning and repairing of stones up each year so that we can keep our cemeteries looking nice.

This year another project we have planned is to ask everyone who has planted trees and shrubs in the cemetery to please remove them. This is becoming an increasing problem and

is now starting to cost the Town more funds due to more time spent off the mowers and more time doing weed whacking around these. This is also a problem when people plant an extraordinary amount of flowers and perennials that overgrow the small area by the gravestones. Please keep your plantings, ornaments and other things to a minimum. This will save us money in the long run.

The regulation that states no shrubs and trees to be planted has been in effect for many years and if you check the current regulations it is also there. If you have any questions please do not hesitate to contact a Trustee.

We were going to have test pits dug in the new area at Center Cemetery this fall but the weather got ahead of the Sexton and he was unable to do this. We hope to be able to do some in the spring.

We will be trying to look for land areas in town for additional Cemetery space as we will need some soon for planning purposes.

Please keep in mind all of the regulations when you are attending to your loved ones graves.

Thank you,
Leon Buzzell, Beth L. Caillouette and Constance Metcalf
Cemetery Trustees

CONSERVATION COMMISSION – 2003 REPORT

In 2003, the Conservation Commission applied for and was awarded a matching grant of \$400.00 from the Rockingham Planning Commission (RPC) to update the conservation portions of Danville's Master Plan. This work will be undertaken and completed in 2004. The Commission also revisited the results of a land prioritization study they had previously completed with the help of the Rockingham Conservation District. This study prioritized parcels of land in town for potential purchase by rating them based on parameters such as water resources, wildlife habitat, wellhead protection and potential recreational use. The Commission will solicit specific landowners in writing to see if they are interested in selling their land or a conservation easement to the Town for conservation/preservation purposes. In addition, the Commission also assisted the Planning Board by reviewing and commenting on seven proposed subdivisions. We also reviewed and provided comments on one dredge and fill permit application to the New Hampshire Department of Environmental Services Wetlands Bureau.

Other Commission activities included submission of a warrant article to place a conservation easement on town-owned properties. This article passed. Since then, the Commission has researched nine organizations that could potentially hold the easement. We asked questions such as whether or not surveys were required, what costs are involved, what restrictions must be included in the easement and questions regarding the availability of funds and/or grants to offset costs incurred. We have narrowed the field down to two organizations and hope to present our decision to the Selectmen in early 2004. In addition, a few members attended various educational forest walks, both in and out of town, as well as provided comments to the Danville Forestry Committee regarding the forest management plan and a proposed forest management implementation plan. One member attended a conservation easement monitoring workshop as well as a science of wetland buffers presentation. Another member participated in an enrichment day at the Danville Elementary School and also assisted in leading a group of approximately 60 Danville Elementary School children on an educational forest walk. In addition, the Commission requested, and received approval, to encumber the remaining funds in their 2003 budget to replace the beaver box (flood control device) near the intersection of Long Pond Road and 111A to prevent flooding on Tuckertown Road. The box was apparently stolen.

The Conservation Commission meets the first Wednesday of each month at 7:30 PM at the Town Hall. Meetings are open to the public and we encourage the public's attendance and participation. As always, anyone interested in becoming a member should submit a letter of interest to the Danville Board of Selectmen.

Laura Games
Chairman, Danville Conservation Commission

COLBY MEMORIAL LIBRARY – 2003 REPORT

The groundbreaking on the addition was held on April 29th. Our beautiful building is nearly completed. The building project adds 4200 square feet of space, a separate children's room, larger adult area, additional parking, and handicapped lift. Unfortunately, due to construction, we had very limited parking this year and we had to close in November after they broke through into the old section. We are sorry for the inconvenience this has caused.

We registered 114 new patrons. There were 6424 patron visits and a circulation of 13,723. We added 704 books, 23 audios, 36 CDs, 55 DVDs, and 5 videos to the collection. We offer family passes for the Museum of Science in Boston. Please come to the library to borrow the passes.

There is a database available to the public at the library and it can be accessed from home PCs via Internet. It is called NHewLink. It provides access to 2,300 periodicals, 1,500 of which are full-text. In addition there are 5 national newspapers, and a good general reference database. The database is funded by the State of New Hampshire. Please come to the library to get your password. We have Learn-a-Test which is a database of practice tests for SAT, GED, ACT, Civil services exams, Cosmetology, EMS-EMT basic and Paramedic, Firefighter, Law Enforcement, Military-ASVB, Real Estate, and Teaching exam-CBEST. This year we added Britannica Encyclopedia online as well.

Reading Rocks the Granite State was the slogan for our summer reading program. Seventy-eight children participated in this program and read 634 books. Wayne from Maine performed at our Kick-off program. In August we had our annual picnic and children who had participated received certificates and prizes. The Little Red Wagon from UNH performed at our picnic. Thanks to all the people who donated books, videos, magazines, and audios. Special thanks to those who presented us with monetary memorial donations. Thanks to the Friends of the Library for their continued support.

Library hours are Monday and Tuesday 1-8 P.M., Wednesday 9A.M.-1 P.M., Thursday 11 A.M.-8 P.M., and Saturday 9A.M.-1 P.M. Pre-school story times are held on Thursday mornings at 10.

Dottie Billbrough, Director
Nancy Sheridan, Gloria Maduzia, Elizabeth Cameron, Trustees

EXETER RIVER LOCAL ADVISORY COMMITTEE

2003 REPORT

Discovering the Past, Preserving the Future

The Exeter River Local Advisory Committee (ERLAC) celebrated its 7th year of stewardship of the river and watershed in 2003. Without a doubt, the highlight of the year was the 3rd Annual Exeter River Alewife Festival held May 31st along Swasey Parkway in downtown Exeter. Over 600 people took advantage of a rare sunny spring day to talk with dozens of organizations and individuals interested in protecting natural resources in the region. For the first time a canoe and kayak race was held and over 40 paddlers raced along a course set on the tidal Squamscott River. Plans are underway for the 4th Festival and another canoe and kayak race to be held June 5, 2004 along Swasey Parkway. In addition to organizing the Festival, ERLAC held the fourth annual vernal pool workshop in Kensington. ERLAC rep. Patrick Seekamp of Brentwood and his brother Michael led this hands-on workshop of vernal pools in early May. Children and adults waded into pools on the edge of the Phillips Exeter Academy forest to identify salamanders, turtles and clusters of frog eggs. Development of forestland threatens vernal pools in every watershed community.

ERLAC is grateful to member Elisabeth Sanders of Danville for writing a monthly newspaper column discussing river related issues. The articles appeared in the Exeter News Letter and Carriage Towne News. Look for these articles in 2004.

Protection of water quantity and quality are the primary topics of discussion at monthly ERLAC meetings. With support from the NH Estuaries Project, the NH Coastal Program and the NH Department of Environmental Services, ERLAC representatives and staff from the Rockingham Planning Commission met with Planning Boards and Conservation Commission in the watershed to recommend strengthening land use regulations to protect shoreline and uplands.

For 2004, ERLAC will continue to provide education and outreach programs highlighting protection of water quality and quantity, wildlife habitat, and scenic and recreational resources in the watershed. ERLAC will also work to strengthen partnerships with watershed Planning Boards and Conservation Commissions to better protect the river and tributaries. ERLAC meets the fourth Tuesday of each month at 7:00 p.m. in the conference room at the Rockingham County Nursing Home in Brentwood. Representatives are needed from your community.

Please call the Rockingham Planning Commission at 778-0885 for more information.

Elisabeth Sanders, Danville Representative
Shirley Kimball, Danville Representative

FIRE DEPARTMENT – 2003 REPORT

In 2003, the Danville Fire & Rescue received two key pieces of firefighting equipment. The first was a new 2003 combo attack fire apparatus with a 1,500GPM pump and 2,500 gallons of water. As you may recall, the townspeople voted to allow the purchase of this fire apparatus back in 2000. However, it was held up due to the lawsuit with bonds being issued for Senate Bill 2 Towns. The lawsuit was cleared, and we were allowed to proceed with the purchase. Along with the bond monies approved by the townspeople, the Danville Fire Association donated \$23,000 in support of this purchase. Once again, thanks to all the townspeople and the Danville Fire Association for the support! The second item we received was a Thermal Imaging Camera (TIC). One of the key benefits of the TIC is it enhances our capability for search/rescue operation within a burning structure, while reducing the risk to our Firefighters.

Another area that we have increased our focus on this year, and will continue to focus on, is the availability of Federal/State grants. In conjunction with the Danville Fire Association, the fundraisers to support much needed equipment and/or training for the department were made possible. We fully understand the tax burden to our townspeople; therefore, we strive to subsidize funding through grants or fundraisers when feasible. For example, this year we applied for a FEMA Grant to assist with the purchase of the TIC. The Danville Fire Association also initiated a fundraiser for the TIC, Equipment, and Training purchase. These combined efforts made for a very successful outcome. At this time we would like to thank everyone who supported or donated to this effort.

The department continues to be a member of the Southeastern N.H. Hazardous Mutual Aid District, which is an organized group, formed to provide a regional solution to the hazardous materials response problem. The District is now made up of representatives from 15 communities, with a purpose to prepare our Fire Departments for responses to hazardous materials incidents, both with training and equipment.

We hosted 40 training events this year in support of our continued emphasis on education in both emergency medical services and fire suppression. Several department members have also taken it upon themselves to further their education by taking advanced fire fighter, Emergency Medical Technician, or CPR/EMS re-certification, in addition to the training offered by the department.

The call summary is as follows:

NFIRS 5.0 Event Type	Quantity
Emergency Medical Call	167
Structure fires	20
Non-Structure Fires	1
Mutual Aid	12
Other	20
Rescues & Extrications	13
False Alarms or Systems Malfunctions	11
Haz-Mat	6
Training Events	40

We want to thank the residents of the Town for their support and assistance in the past, and look forward to their continued support and assistance in the future.

Respectfully Submitted,

Fire Chief M. David Kimball

Deputy Fire Chief Steve Woitkun

Deputy Fire Chief John Caldwell

FORESTRY COMMITTEE REPORT - 2003

In April of 2003, the Forestry Committee membership grew from 3 to 5 as a result of a vote and appointment by the Board of Selectmen. The Selectmen felt that there was a need to balance the Committee's educational initiative with the need to work with the Forest Management Plan developed by consulting forester Charles A. Moreno. The new members appointed were Laura Games, Sheila Johannesen, and Patti Ahearn.

Since it has been a challenge to come to a consensus concerning the "process" to implement any future harvest in the Town Forest, the Board of Selectmen also accepted an offer by

Wally Fries to assist with a mediation program for all the committee members. Work with Mr. Fries is on-going.

On January 26, 2003, a public snowshoe trail walk was held. There were about 25 people (adults, children and dogs) in attendance and a color photo of the event appeared in the Union Leader. Because of the success of the walk, another is planned for 2004!

On May 21, 2003, Michelle Tingley (Conservation Commission) and Betsy Sanders (Forestry Committee) lead a group of about 60 5th graders from the Danville Elementary School to the home of teacher Elisabeth Gustavson (off Main Street). From there the children made their way through the forest on private property to the heron rookery. Much was learned by all. Even a Blandings Turtle was discovered!

On June 13, 2003, Michelle Tingley and Betsy Sanders teamed up again for the Enrichment Day at the Danville Elementary School. Groups of all ages played educational games that pertained to forest wildlife.

On November 6, 2003 a workshop was held for the general public with guest speaker Peter Moore from the Society for the Protection of New Hampshire Forests. The theme was "New Hampshire Everlasting – An Initiative to Conserve Our Quality-of-Life". This is a part of the Forestry Committee's effort to educate the public about land conservation.

Thanks to Patti Ahearn (Forestry Committee) and Shawn O'Neil (Website Committee), the Forestry Committee has an active website. You are invited to visit the site www.townofdanville.org to review forestry minutes and find links to other areas of interest such as the NH Fish and Game Department. Soon there will be photos of the forest as well as a printable map produced by Charles A. Moreno, Consulting Forester.

The Forestry Committee thanks you for your continued support and welcomes any suggestions you may have for outdoor activities, educational workshops, or other Town Forest events that may be of interest to you. The Committee meets the first Thursday of each month at 6:30 pm at the Danville Town Hall. Please join us!

Betsy Sanders, Committee Chair
Earl Sweet
Laura Games
Sheila Johannesen
Patti Ahearn

HERITAGE COMMISSION – 2003 REPORT

The largest achievement for the Heritage Commission this year was the completion of the Town Hall Feasibility Report. At a total cost of \$5,000.00, the Report was made possible by the 2002 LCHIP (Land and Community Heritage Investment Program) Grant of \$2,500.00, a donation of \$1,000.00 from the Granite State South Board of Realtors and \$1,500.00 from 2002 Town passed Warrant Article.

The Feasibility Study was prepared by the Manchester, NH architectural firm of Tennant/Wallace. Tom Wallace, of Tennant/Wallace, joined the Heritage Commission on October 22, 2003 for a televised presentation of the study. As growth in our Town continues, and space needs evolve, the community will find that the existing space within the Town Hall is a valuable asset. The Feasibility Study also addresses concerns for preservation of the building's historic character since the Building is listed on the National Register for Historic Places.

The Study examines five options for use of the second floor of the Town Hall, which is currently underutilized as haphazard storage. The Study identifies potential improvements to the building, including code compliance issues that will need to be addressed by the Town in the future even if the Town decides not to bring the second floor into use. The Heritage Commission believes the Selectmen can use this document as a guide as a master guide for future maintenance of the Town Hall and as an excellent planning tool for future space needs of the Town. A copy of the Report is available for review at the Town Hall.

The Heritage Commission is also most grateful to Paul Collins, who donated his time and skills to aid the architect and consulting engineers in their research and examination of the existing building and its systems. The Architects who performed the Study donated \$225.00, in Paul Collin's name, to the Danville Heritage Fund, established by the voters in 1997. This donation combined with a \$25.00 donation from a private resident allowed the Heritage Commission to end the 2003-year with a balance of \$250.00 in the Fund. This Fund is available to help with identification, preservation and protection of Danville's heritage and historic resources. For those who would like to make a donation to the Fund, contact the Heritage Commission.

The Heritage Commission continues its efforts to write

copy of the Diary of John Page (Danville's first and only resident minister) was obtained in 2002 and this year was spent reviewing this document. The Commission hopes to complete a summary document of the information contained within the Diary this year.

The inventory and organization of historical documents in the Town Hall Vault will be completed this year.

The Heritage Commission extends thanks to those who continue to contribute information and items to the Commission about Danville's history.

The Heritage Commission meets on the second and fourth Wednesdays of each month at 7:30 pm at the Town Hall. There is currently one full member seat and three alternate seats available for new members and anyone wishing to join may send a letter of interest to the Board of Selectmen and the Commission.

Joseph J Luna, Jr., Chairman

On behalf of the Heritage Commission members

HIGHWAY DEPARTMENT – 2003 REPORT

The Sandown Road Bridge project is behind schedule because of new designs that had to be taken into consideration. We are hoping to go out to bid in the spring, but there are additional funds that need to be raised due to four years in the making of this project and increasing costs. Please support the Bridge Article. If it is not addressed the State could close the road.

The Johnson Road Bridge project got underway in late October and was almost complete when winter decided to make its appearance. The contractor will be back in the spring to finish the project by loaming and seeding, and hot topping the area.

For many years the Town was able to keep the roads up by patching bad areas with hot top. With the growth of the Town and the increased traffic patterns, it is no longer feasible to just patch. The major roadways of the Town need to be reclaimed and resurfaced in order to keep up with the traffic that travels them. I have placed several warrant articles on the ballot in order to begin planning, but many of these roads will need attending to soon. Each year that we wait the costs rise and the road conditions breakdown. Please keep these projects on the move to keep you on the go. These roadways are the major roads between us and other towns. They also are the older roads in Danville.

This year we were able to reclaim parts of and hot top the entire town portion of Colby Road.

There is still a lot of work to be done to maintain the structure of the Town roads, culverts, catch basins, cleaning ditch lines and roadside edges, minor road repairs, etc. I am slowing working on these projects to keep costs down.

The Highway Department again wants to remind all citizens that it is illegal in the Town of Danville to plow, shovel or snow blow snow onto or across any Town Road. Please advise anyone you hire to clear your driveway and walkway. Also, it is very helpful that you take note of when a snowstorm is coming, no matter how much is predicted, and that you make sure no vehicles or other property are placed in the Town Right of Way. If this occurs your vehicle may be towed if it is not moved. During the winter, on rubbish days, it is very helpful if you place your rubbish barrels in your driveways.

Thank you again for your cooperation in the above and again please support all of your town services.

Bruce Caillouette, Road Agent

PLANNING BOARD - 2003 REPORT

The Danville Planning Board saw an increase in the number of subdivision and site plan applications that came before the board in 2003. Many of these applications were for multi-family dwellings which, until 2003, were not frequently proposed. It is clear that Danville continues to experience significant growth. A complete listing of the applications that came before the Planning Board and the status of those applications is contained at the end of this report.

The Planning Board continues to review all of the subdivision and site plan applications to make sure they meet state and local regulations and to help maintain the rural character of Danville. The Planning Board reviews each of the applications at our regularly scheduled meetings, has all plans reviewed by both the Conservation Commission and Town Engineer, and then conducts an on-site examination of the proposed development site.

Danville continues to show very little business development. Although portions of the Town are zoned for businesses, the Planning Board has seen very little activity in this area. In 2003, the Town voted to add additional land along Route 111 to that already available for commercial development. However, there have not yet been any new applications presented to the Planning Board for commercial development in that area.

In addition to the zoning change to provide additional areas for commercial development, the Town also approved several other zoning changes proposed by the Planning Board. In 2004, the Planning Board has once again placed several zoning-related articles on the Town Warrant and we ask for your support.

In addition to reviewing subdivision plans and site plans that came before us, the Planning Board spent a considerable amount of time in 2003 updating the Town's Master Plan. The Board requested and received a grant from the Rockingham Planning Commission to develop an Economic Development section for the Master Plan. Previously, Danville's Master Plan did not have a section devoted to this topic. This section will be completed in early 2004 and, together with the other new and updated sections of the Master Plan, will be presented to the Town for public review and comment before the 2004 Master Plan is finalized. While we plan to issue a 2004 Master Plan, our work does not end with its release. In 2004 we plan to continue to conduct a Community Profile event with the assistance of the

University of New Hampshire Cooperative Extension. This type of event has been conducted recently in some of Danville's neighboring towns and has allowed those towns to obtain a town-wide vision for the future. The Danville Planning Board intends to use the results of our Community Profile event to update the Community Goals section of the Town Master Plan. During 2004, we also plan to update the Community Facilities and Capital Improvement sections of the Master Plan. The Planning Board's goal would be to issue another update to the Master Plan in early 2005.

The Planning Board has been encouraged by the large amount of interest in planning issues shown by the residents of Danville. Our hearings have been very well attended with a wide diversity of thought expressed. In addition, many of the Town's residents watch our meetings on Danville's cable channel 20. This type of participation helps ensure that development in Danville is managed appropriately. The Planning Board meets on the second and fourth Thursdays of the month at 7:30PM in the Town Hall. We invite you to join us at these meetings and invite you to get involved with the activities of the Board.

POLICE DEPARTMENT – 2003 REPORT

Last year we noted some interesting changes in our statistical summary when compared to the previous year. Our total motor vehicle activity, involving minor offenses, was down approximately 29 percent, yet we posted record numbers for more serious offenses, including DWI and reckless operation arrests. While some of the overall reduction can be contributed to a shortage of manpower, we also noted a rise in more violent crimes that forced us to shift our efforts in more time consuming and investigative areas. Accordingly, we budgeted for additional patrol time in 2004 to allow us to add an officer on duty during busier periods.

During the 2003 session, the New Hampshire Legislature amended the state's primary child passenger safety law (RSA 265:107-a), which requires belt use for all occupants up to the age of 18 years. Effective January 1, 2004, this amendment increases the age at which children "shall be properly fastened and secured by a child passenger restraint which is in accordance with the safety standards approved by the United States Department of Transportation" from up to 4 years to up to 6 years or 55 inches in height. Since this is a primary law, police officers can stop any driver under the age of 18 who is not wearing a seat belt or any driver transporting children who are not properly secured in accordance with the law. Passage of this law is a giant step forward in preventing not only deaths and injuries to children involved in crashes, but also limiting the severity of injuries. Another significant law was enacted last year making it a violation for minors to not only possess alcohol, but also to be deemed intoxicated if having a blood alcohol content, ("BAC") level of 0.02 or more (RSA 179:10). In other words, it creates an "internal possession of alcohol" law for minors, with a minimum mandatory fine of \$250.00 for a 1st offense and \$500.00 for any subsequent offense. A BAC of 0.02 or more is prima facie evidence of a minor's intoxication. Even if the offense didn't occur while driving, the court or Division of Motor Vehicles may suspend the minor's license or privilege to drive.

We continue to receive a large number of speed and reckless operation complaints involving motor vehicles and OHRV's, especially in newer developments and along resurfaced roads. To help address these concerns, we applied for two \$1500.00 grants from the New Hampshire Department of Safety to fund additional Speed Enforcement and DWI Patrols, and a \$10,500.00 grant from the New Hampshire Fish & Game

Department to address OHRV offenders. We also applied for, and were awarded, an \$8,499.00 grant from the U.S. Office Department of Homeland Security to purchase a Yamaha 660 OHRV. We are expected to take delivery of this unit in February 2004. These funds will allow us to put additional officers and equipment on the street to focus on these specific violations without any burden on the taxpayers.

The Police Department said “goodbye” to some key members of the department last year. While we applauded those who opted to pursue their careers in a full-time capacity with other communities, their absence left a heavy load to be carried by the remaining members of the department. Long grueling weeks, seemingly never-ending requests for road details, left our officers weary and with little or no free time. Despite the additional demands placed upon them, they remained focused on their professional commitments and the business at hand. Additionally, a stricter hiring policy adopted by the town last year has made it more difficult and time consuming to fill vacated positions. While we have been short-handed for several months, we are sifting through numerous applications and hope to be at full staff again by early spring.

Perhaps the most noteworthy event of 2003 was the graduation of Officer Ryan Furman from New Hampshire’s 132nd full-time Police Academy. While the town has enjoyed full-time officers since 1995, it was the first time ever an officer graduated from the academy wearing a Danville patch. We are all very proud of him and embrace his accomplishment.

On a personal note, and although it hardly seems possible, this May will mark my 20-year anniversary with the Danville Police Department. I am currently attending New Hampshire’s 133rd full-time Police Academy and plan to graduate on March 26, 2004. This will mark another historic event in that for the first time ever, Danville will enjoy the benefits of a full-time police chief. Overall, much progress has been made and I am very pleased with our success. I know that in order to be effective, a law enforcement agency must have the support of the public it serves. Accordingly, I would like to personally thank each of you for your kind words and expression of support to the police department and myself over the years. Most importantly, I would like to thank my family and lovely wife Cindy for the numerous sacrifices you made to support my efforts and for your steadfast devotion. My best to all of you for a safe & happy 2004.

POLICE DEPARTMENT STATISTICS FOR 2003

911 hang-up	56	Fraudulent use, credit card	2
Abandoned MV	13	Harassment	9
Aided motorist	37	Investigation	19
Aided person	83	Involuntary emerg. admis.	4

Susp person	8	VIN verification	25
Suspicious MV	50	Weapons; shots fired	1
Theft by deception	1	Well being checks	30
Theft by unauthorized taking	4		

RECREATION PROGRAM – 2003

2003 proved to be another successful year for Danville Recreation. The Recreation Committee continues to organize new events for the residents of Danville and looks forward to offering more programs in 2004 with your support. Please take a moment to review “2003”.

January: A **Senior Luncheon** was served at the Fire Hall with approximately 55 guests.

March: Bus trip to **Pat’s Peak** for an evening of skiing, snowboarding and snow tubing. **Danville Recreation** along with surrounding towns were invited to attend a **meeting** hosted by **Sandown Recreation**. The goal was to share ideas and work together on some community events/trips. Although Chester and Fremont were unavailable to attend we feel it was a successful and educational meeting.

April: Hardy New Englanders!! We braved the surprise snowstorm to travel down to **Foxwoods** Resort for the day. A **Pancake Breakfast** with our guest of honor “The Easter Bunny”. Breakfast was followed by an **Easter Egg Hunt** for children ages 1-8 at the Colby Pond Recreational Area. Six lucky youngsters won the Coloring Contest.

June: *Rob Oxford*, performer of grass roots music, took us on an emotional tour that included inspiration, patriotism, nostalgia, humor, joy and much more during the first **Danville Community Concert**.

July-August: Our fourth year of **Summer Recreation**.

Summer Program was held at Danville Elementary School from July 7 to August 15 and once again was well attended by Danville youth ages 6 – 15. Program included various arts/crafts, sports and weekly field trips. Summer program's last day was marked by a carnival and a cookout which Danville Seniors were invited to share with the kids.

September: Danville Rec partnered with Sandown Rec and set off for **Mohegan Sun** Resort for the day. We look forward to working together on future trips and events.

October: **Halloween craft** for kids ages pre-school to 5th grade created "bat mobiles" and decorated burlap "Trick or Treat" bags. A **Halloween teen dance** was held for Timberlane 7th and 8th graders. (The Recreation Committee would like to thank our parent volunteers who chaperoned the dance).

November: Artistic and creative elementary students (and some younger siblings) joined us after school for the **Christmas Tree ornament workshop**. A big THANK YOU to our parent volunteers who stayed to help. The **Annual Christmas Tree Lighting** was windy and blustery, but that did not deter the children or their parents from coming to decorate the tree and see Santa light the lights. As usual a large crowd joined us afterwards at the Fire Hall for pizza and pictures with Santa. The Recreation Committee and the Police Department, co-sponsors of the event, would like to send a big thank you out to our helpers: Allan Hess, for stringing the lights once again and the Bilecki Family for generously giving of their time. The biggest thank you this year goes out to Pete Doucette for repairing all the wind damage done to the tree. Pete worked hard to fix the shining star atop the tree and re-light any dim bulbs.

Danville Recreation sponsors many events throughout the year for residents of all ages. We feel that these events help to foster a sense of community-pride and offer a chance for residents to meet new people and participate in activities that they enjoy for little or no cost. Each event involves much work from taking telephone calls for registrations, to making telephone calls to reserve buses, book field trips, book entertainers, etc. Most events or activities involve running around to purchase the necessary supplies. There is a lot of paperwork involved in running the summer program from registrations to attendance to ordering supplies.

The Recreation Committee has four positions available. (Selectmen expanded our membership from 3 to 7). The current three members welcome applications. More people + more ideas =

more fun! We have also submitted a petitioned warrant article for Town Meeting asking the voters to support a Part-Time Danville Recreation Director. The goal of this position is to have someone responsible for planning, organizing and implementing the activities program for all residents of the Town of Danville. The Recreation Director would be the "town" contact person for residents, sports organizations, rec groups, etc. The Recreation Director would work 650 hours per year at an hourly rate of \$12.00 per hour equaling the yearly salary of \$7,800.00. We hope that you will give this position careful consideration when you vote. Your vote for a Part-Time Danville Recreation Director would allow the current programs and activities to continue as well as expand.

A warrant article for \$5,000.00 to establish a capital reserve account for the purpose of future facility improvements at the Colby Pond Recreational Area. One of the areas the committee has been working on this year is a Master Plan for Recreation. This Master Plan was submitted to the Planning Board to be included in the Danville Master Plan. The establishment of this capital reserve fund is the starting point to begin to raise funding for these future projects. Copies of the Master Plan may be obtained from the Recreation bulletin board at Town Hall. Please feel free to contact any of the current committee members with questions or comments you might have.

A "**Danville Recreation Sign**" to announce upcoming events will be placed at the Kenneth R. Day Memorial Field (next to the Fire Hall) this spring thanks to the continued support of the Friends of Danville Recreation.

The Recreation Committee would like to thank area businesses: *Dad & The Boys Paving, Earl's Car & Truck, Joe Thompson Landscaping, Truck Services, Hess Communications, MJT Carpentry, Wayne Brown Mason Contractory, Lane & Timber, Chase Landscaping, Contempo Homes and Atkinson Graphics* who sponsored our summer program t-shirts. **THANK YOU** to all volunteers who have helped us with activities and events this year. We look forward to another fun-filled year in 2004 with your support!

Danville Recreation Committee Members

ZONING BOARD OF ADJUSTMENT – 2003 REPORT

The ZBA held ten hearings in 2003. Nine of the appeals were granted, one was withdrawn. Three applications were for Special Exceptions under Article IV.A.2, the home occupation ordinance. One application for a variance to the 75' wetland setback was withdrawn and resubmitted as an Equitable Waiver of Dimensional Requirements, the first application of this type to come before the board. One application was for a variance of article VI.A where the applicant had less than 400' of frontage for two proposed house lots. One application was for a variance to the 15' setback required to an abutting property for the installation of an above ground pool. The remaining three applications were requests for variances of the 75' wetland setback in order to build garages and house additions.

The board notes that approved subdivision house lots continue to present problems for home owners in that many of the lots do not allow sufficient space for reasonable additions such as house extensions, garages and sheds without encroaching into zoning setback requirements. The Planning Board will be addressing this by presenting to the town a revision of the zoning requiring a minimum amount of contiguous upland soils for the dwelling location.
