NEW HAMPSHIRE

For the Fiscal Year Ending
December 31, 2021

DEDICATION to Peter and Deborah Meigs

Peter and Deborah Meigs moved to Danville in 1959. They raised their three children, Warren, Guy and Ellen here. They have been involved in our town for many years. Pete was President of the Hawke Historical Society, while Deb served as Secretary/Treasurer. (The Hawke Historical Society published newsletters from December 1994 to June 2007; in 2015 a collection of these newsletters was published under the title *Reminiscences*.)

Pete also served as Trustee of Trust Funds for over 40 years, as well as being a long-time Scoutmaster.

Deb was the Library Director for over 30 years. She also served as a Ballot Clerk and served on the Town's Budget Committee.

Their dedication and volunteerism to the Town of Danville is greatly appreciated.

TABLE OF CONTENTS

Introduction:

Board of Selectmen's Message	4
Dedication	2

Department Reports:

Fire Department Report & Statistics	80-82
Highway Department Report	94
Police Department Report & Statistics	73-75

Town Office Hours & Phone Numbers	97
Vital Statistics	31-36

Election Information:

2021 Ballot Results	40
2022 Warrant Articles	42-50

SELECTMEN'S MESSAGE

Due to the efforts of the Board of Selectman the Town has received an ARPA Grant in the amount of \$476,966.00. This money will need to be expended in the next few years. The Board will determine what projects will be completed with these funds.

In January the Board voted in conjunction with the Town Moderator and Town Clerk to delay the deliberative session of town meeting and the ballot voting until June and July.

Joshua Horns resigned from the Board this year and Dr. Kim Farah was appointed to fill the position until the election in July. Thank you to both Joshua and Kim for their service.

The Memorial Day Parade was cancelled due to inclement weather but our Old Home Days celebration did take place. Thank you to our recreation committee.

The Town re-evaluation was done in August. The State requires that every town complete a re-evaluation every 5 years.

This year a wage and salary review were completed. Recommendations were made to increase pay for many town employees. The review also found that most area towns offer NH Retirement to their full time employees.

Congratulations to our two newest Eagle Scouts, Thomas Donahue and Kaden Biel!

Chloe Landry, a Girl Scout constructed a "Helping House" that will provide free food and a free book to residents. The Helping House is located at the rear of the Community Center. Thank you, Chloe!

We wish you a safe and happy year!

Dear Members of the Board:

We have audited the financial statements of the governmental activities, each major fund, and aggregate remaining fund information of the Town of Danville, New Hampshire (the Town) for the year ended December 31, 2020. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated March 1, 2021. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Town are described in Note 1 to the financial statements. We noted no transactions entered into by the Town during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimates affecting the financial statements were:

Management's estimate of the capital asset useful lives is based on historical information and industry guidance. We evaluated the key factors and assumptions used to develop the capital asset useful lives in determining that it is reasonable in relation to the financial statements taken as a whole.

Management's estimate of the allowance for uncollectible property taxes are based on historical data and information known concerning the assessment appeals. We evaluated the key factors and assumptions used to develop the uncollectible property taxes in determining that it is reasonable in relation to the financial statements taken as a whole.

Management's estimate of the net pension liability, deferred outflows and inflows of resources related to pensions are based on assumptions of future events, such as employment, mortality and estimates of value of reported amounts. We evaluated the key factors and assumptions used to develop the net pension liability, deferred outflows and inflows of resources related to pensions in determining that they are reasonable in relation to the financial statements taken as a whole.

PLODZIK & SANDERSON, P.A.
Certified Public Accountants

Management's estimate of the other postemployment benefit liability, deferred outflows and inflows of resources are based on the assumption of future events, such as employment, mortality, and the healthcare cost trend, as well as estimates of the value of reported amounts. We evaluated key factors and assumptions used to develop the other postemployment benefits liability, deferred outflows and inflows of resources related to the other postemployment benefits in determining that they are reasonable in relation to the financial statements taken as a whole.

The financial statement disclosures are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Adjustments proposed and approved were primarily of a routine nature which management expects the independent auditors to record as part of their year-end procedures. A list of these adjustments for the general fund are attached to this letter.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated February 16, 2022.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Town's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Town's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Record Other Funds in General Ledger (repeated)

During the audit, we noted that the Town maintains eleven special revenue and/or revolving funds. However, these funds are not included in the Town's accounting software (i.e., general ledger). As a result, these funds are not subject to the Town's normal internal controls. The financial transactions of these funds were compiled by analyzing bank statements and other reports. We recommend the Town's general ledger be expanded to include these eleven funds. This will result in a more complete general ledger and will improve oversight and control over these activities.

Health Insurance Reimbursements (repeated)

During review of the Town's general fund, we noted that the road agent as well as library employees reimburse the Town for their share of health insurance premiums. However, no formal reconciliation of the balance in the health insurance reimbursement account is prepared on a monthly basis. We recommend that the Town reconcile the health insurance reimbursement account to ensure the Town is being reimbursed by the road agent and library for the correct amounts.

Peer Review Engineering Account (repeated)

During our review of the Town's peer review engineering account, we noted that the activity is manually tracked in excel. While utilizing Excel is an appropriate method, it was noted that the spreadsheet did not agree with the general ledger account. It was determined that not all 2020 transactions were included in the spreadsheet. This resulted in inaccurate balances being reflected. We recommend that the Town update and review the manual peer review engineering account spreadsheet at least monthly to ensure balances are accurate and it agrees with the general ledger.

Revenue Budget (repeated)

During our review of the Town's revenue budget input into the Town's general ledger system, it was identified that the estimated revenues did not agree with the final estimated revenues per the State of New Hampshire Form MS-434R. For accurate and appropriate monitoring of Town revenues, it is recommended that once the tax rate is finalized, the revenue budget per the general ledger system be updated to reflect the finalized estimated revenues per the State of New Hampshire Form MS-434R.

Town Policies

The Town has recently undergone a change of governance, staff turnover and is in the process of an accounting software conversion. These changes disrupt many of the standard policies and procedures followed by employees in performing day-to-day operations. As a result, certain procedures can be accidentally overlooked or purposely not done because of time constraints. During our review of adopted Town policies, it was noted that several policies have not been reviewed or updated in over three years. Performing a regular review of current policies and procedures can greatly assist the Board and any new staff in fully understanding day-to-day activities as well as disclosing any potential current procedures that are inefficient, redundant, or unnecessary.

Fund Balance Policy

In June 1999, the Governmental Accounting Standards Board issued Statement No. 34, *Basic Financial Statements - And Management's Discussion and Analysis - For State and local Governments* which required that all governmental entities develop and adopt a fund balance policy. In March 2009, Statement No. 54, *Fund Balance Reporting and Governmental Fund Type Definitions*, was issued and required the amendment of existing fund balance policies to incorporate the language of this new statement. As of December 31, 2020, the Town has not yet established a fund balance policy. We recommend that the Board of Selectmen develop and formally approve such a policy that includes the necessary language from Statement No. 54.

Investment Policies

RSA 31:25 *Custody; Investment* and RSA 41:9 - VII *Financial Duties*, states that the Trustees of Trust Funds and Board of Selectmen shall annually review and adopt an investment policy for the investment of public funds in conformance with applicable statutes and shall advise the attorney general and treasurer, respectively, of such policies. The Trustees of Trust Funds and the Town's investment policies have not been reaffirmed since 2017 and 2018, respectively. We recommend that the Trustees of Trust Funds and Board of Selectmen annually review and approve the policy as required by State Statute.

Adjusting Journal Entries

During our review of internal controls over adjusting journal entries, we noted that the journal entries were not being approved by someone other than the individual initiating the entry. This is an important step since unapproved journal entries can be used to circumvent existing accounting controls. We recommend that each adjusting journal entry be approved by a knowledgeable individual and who is independent from the proposed entry prior to posting to the general ledger. This will improve oversight and a clear trail over all adjusting journal entries.

Stale Dated Checks

During our review of monthly bank reconciliations, we noted that there were old, stale dated checks dating back more than one year. While reconciliations are being performed, any reconciling items over six months should be reviewed and acted upon. Including them in each month's bank reconciliation increases the time required to perform the reconciliation. In addition,

maintaining these outstanding items reduces the available cash balance. If a check should need to be re-issued, the old check should be voided in the system and removed from the reconciliation. We recommend that any reconciling item greater than six months be investigated and resolved in a timely manner.

Reconcile Payroll Withholding Accounts

The Town's general ledger contains certain payroll withholding accounts with inaccurate credit balances. These balances appear to be the result of current year mis postings as well as erroneous balances carried forward because the payroll withholding accounts have not been regularly reconciled. We recommend that the Town reconcile the withholding accounts on at least a monthly basis to the applicable governmental regulations (FICA, Medicare, NHRS, etc.) to ensure that the proper Town/employee contributions are being made and relieved. This will also result in more accurate balances.

Missing Documentation

During our testing of internal controls over disbursements, one invoice could not be located. While we were able to satisfy ourselves from an audit perspective, the internal controls over disbursements did not ensure that expenditures were fully documented and substantiated. Adequate supporting documentation for expenses is critical to support the accuracy and authenticity of the transaction. We recommend that all documentation be stored in a safe location and filed in an organized manner. This procedure will help ensure that the Town can produce accurate documentation for expenditures in a timely manner in the future.

Impact Fees

The Town currently assesses and collects impact fees for public safety facilities and public-school facilities through RSA 674:21. During review of the Town's recordkeeping over impact fees, we noted that the activity is manually tracked in excel. While utilizing excel is an appropriate method, it was determined that not all 2020 transactions were included. This resulted in inaccurate balances being shared with key management personnel as well as the public. We recommend that the Town update and review the manual impact fee tracking sheet at least monthly to ensure balances are accurate and in compliance with NH statute.

Gross Up Accounting Records

During our review of expenditures, we noted instances where revenues were netted against the expenditure. As a result, this methodology makes it more difficult to monitor expenditures against their appropriation to determine if any over expenditures exist. In addition, generally accepted accounting principles do not permit the netting of revenues to expenditure accounts. We recommend that the Town avoid netting revenues against expenditure accounts. This will improve the monitoring and tracking of actual revenues against estimates, as well as actual expenditures against available appropriations.

Other Matters

Implementation of New GASB Pronouncements

The Governmental Accounting Standards Board (GASB) has issued several pronouncements that have effective dates that may impact future financial presentations. Management has not currently determined what, if any, impact implementation of the following statements may have on the financial statements.

GASB Statement No. 87, *Leases*, issued in June 2017, will be effective for the Town with its fiscal year ending December 31, 2022. This Statement will improve accounting and financial reporting for leases by governments by requiring recognition of certain lease assets and liabilities for leases that previously were classified as operating leases.

GASB Statement No. 89, *Accounting for Interest Cost Incurred Before the End of a Construction Period*, issued June 2018, will be effective for the Town with its fiscal year ending December 31, 2021. This Statement will enhance the relevance and comparability of information about capital assets and the cost of borrowing for a reporting period and to simplify accounting for interest cost incurred before the end of a construction period.

GASB Statement No. 91, *Conduit Debt Obligations*, issued June 2019, will be effective for the Town with its fiscal year ending December 31, 2022. This Statement provides for a single method of reporting conduit debt obligations and clarifies the existing definition of a conduit debt obligation and improves note disclosures.

GASB Statement No. 92, *Omnibus 2020*, issued in January 2020, will be effective for the Town with its fiscal year ended December 31, 2022. The objectives of this Statement are to enhance comparability in accounting and financial reporting and to improve the consistency of authoritative literature by addressing practice issues that have been identified during implementation and application of certain GASB Statements.

GASB Statement No. 93, *Replacement of Interbank Offered Rates*, issued in March 2020, will be effective for the Town with its fiscal year ended December 31, 2021. The objectives of this Statement are address accounting and financial reporting implications that results from the replacement of an IBOR.

GASB Statement No. 94, *Public-Private and Public-Public Partnerships and Availability Payment Arrangements*, issued in March 2020, will be effective for the Town with its fiscal year ended December 31, 2023. The objectives of this Statement are to improve financial reporting by addressing issues related to public-private and public-public partnership arrangements.

GASB Statement No. 96, *Subscription-Based Information Technology Arrangements*, issued in May 2020, will be effective for the Town with its fiscal year ended December 31, 2023. The objectives of this Statement are to provide guidance on accounting and financial reporting for subscription-based information technology arrangements for government end users.

GASB Statement No. 97, *Certain Component Unit Criteria and Accounting and Financial Reporting for Internal Revenue Code Section 457 Deferred Compensation Plans - an Amendment of GASB Statements No. 14 and No. 84 and Supersession of GASB Statement No. 32*, issued in June 2020, will be effective for the Town with its fiscal year ended December 31, 2022. The objectives of this Statement are to increase consistency and comparability related to reporting of fiduciary component units, mitigate costs associated with the reporting of certain defined contribution pension plans, and enhance the relevance, consistency, and comparability of the accounting and financial reporting for Internal Revenue Code Section 457 deferred compensation plans.

We applied certain limited procedures to the following, which are required supplementary information (RSI) that supplements the basic financial statements:

- Schedule of the Town's Proportionate Share of Net Pension Liability,
- Schedule of Town Contributions – Pensions
- Schedule of the Town's Proportionate Share of the Net Other Postemployment Benefits Liability,
- Schedule of Town Contributions – Other Postemployment Benefits
- Notes to the Required Supplementary Information

Our procedures consisted of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We did not audit the RSI and do not express an opinion or provide any assurance on the RSI.

We were engaged to report on the combining and individual fund schedules which accompany the financial statements but are not RSI. With respect to this supplementary information, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with accounting principles generally accepted in the United States of America, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

Restriction on Use

This information is intended solely for the information and use of the members of the Board of Selectmen and management of the Town of Danville, New Hampshire and is not intended to be, and should not be, used by anyone other than these specified parties.

Respectfully,

Plodzik & Sanderson

Requirements for Semi-Annual Billing

Pursuant to RSA 76:15-a

76:15-a Semi-Annual Collection of Taxes in Certain Towns and Cities - I. Taxes shall be collected in the following manner in towns and cities which adopt the provisions of this section in the manner set out in RSA 76:15-b. A partial payment of the taxes assessed on April 1 in any tax year shall be computed by taking the prior year's assessed valuation times 1/2 of the previous year's tax rate; provided, however, that whenever it shall appear to the selectmen or assessors that certain individual properties have physically changed in valuation, they may use the current year's appraisal times 1/2 the previous year's tax rate to compute the partial payment.

Danville	Total Tax Rate	Semi-Annual Tax Rate
Total 2021 Tax Rate	\$20.20	\$10.10

Fund Balance Retention

Enterprise Funds and Current Year Bonds	\$0
General Fund Operating Expenses	\$13,135,525
Final Overlay	\$15,036

DRA has provided a reference range of fund balance retention amounts below. Please utilize these ranges in the determination of the adequacy of your municipality's unrestricted fund balance, as currently defined in GASB Statement 54. Retention amounts, as part of the municipality's stabilization fund policy [1], should be assessed dependent upon your governments own long-term forecasts and special circumstances. Please note that current best practices published by GFOA recommend, at a minimum, that "...general purpose governments, regardless of size, maintain unrestricted fund balance in their general fund of no less than two months of regular general fund operating revenues or regular general fund operating expenditures." [2],[3]

2021 Town Clerk Annual Report

The Town Clerk's office would like to thank the residents of Danville for their support and patience during the last year. Covid 19 hit our little town hard and with the Town Hall being understaffed due to illness, the community banded together with support for our office that is truly appreciated!!!!

Hours: open Mon-Wed: 8:00 am – 4:00 pm, Thur: 11:00 am – 6:00 pm, closed on Fridays. For your convenience, we accept cash, checks, and credit/debit cards (with a 2.75% fee for credit/debit). Renewal registrations can be done in the office, by mail, or online at www.townofdanville.org

New Hampshire Fun Facts:

- "Old New Hampshire" is the official state song
- Danville's Population, Year of the First Census Taken: 420 residents in 1790
- Danville's population was 4,408 at the 2020 census
- Kancamagus (pronounced "cain-ka-MAW-gus", Meaning: "**Fearless One**" "Fearless Hunter of Animals")
- About 40 gallons of sap are required to produce one gallon of finished maple syrup

Christine Tracy, Town Clerk

Susan Griffiths, Deputy Town Clerk

Michelle Healy, Assistant Town Clerk

2021 Trustees of the Trust Funds Annual Report

During the year 2021, the Trustees of the Trust Funds had the following key activities in the Town of Danville's Capital Reserve Funds:

Capital Reserve Fund (CRF) Additions for 2021

\$1,000 to the Cemetery CRF (WA 2021-12)
\$1,400 to the Municipal Mosquito Control CRF (WA 2021-11)
\$5,000 to the Colby Library Infrastructure (WA 2021-10)
\$5,000 to the Highway Vehicle CRF (WA 2021-14)
\$5,000 to the ACO Vehicle Capital Reserve Fund (2021-15)
\$10,000 to the Fire Dept Protection Equipment CRF (WA 2021-9)
\$10,000 to the Danville Infrastructure & Facility Non-CRF (WA 2021-7)
\$10,000 to the Milfoil Expendable Trust Fund (WA 2021-8)
\$100,000.00 to the FD CRF for Future FD Vehicle Purchases (WA 2021-6)

Danville's Capital Reserve Funds and Trusts are invested with TD Bank Escrow Direct.

A complete list of all 2021 funds and fund activities - along with the 2021 year end balances - can be seen in Report of the Trustees of Trust Funds in the 2021 Danville Town Report.

Respectfully submitted,

Kelly Beattie-Hand, Trustee

Edward Lang, Trustee

Nola Whitman, Trustee

2022 TOWN WARRANT ARTICLE SUMMARY TO BE VOTED ON March 8, 2022

Selectmen

Shawn O'Neil
Steve Woitkun
Sheila Johannesen
Dottie Billbrough
Scott Borucki

Town Clerk

Christine Tracy
Tax Collector
Kimberly T. Burnham

Dear Resident:

This warrant article listing is being provided to help you better understand the ballot articles on which you will be voting. Articles 2022-02 through 2022-6, inclusive are Planning Board Articles, and 2022-7 through 2022-21 are Selectmen and Department Articles. Any additional Articles are Citizen Petitions. The tax impact noted on the various articles is the Selectmen's best estimate based on the town's 2021 valuation of \$575,606,456.00 as defined by the MS-I line 21.

You will note that some articles have recommendations by the Planning Board, Board of Selectmen, and Budget Committee and some do not. This is a requirement by RSA 32:5, V- (a) which states that only special warrant articles shall contain the notation on whether or not the appropriation is recommended by these Boards. This doesn't mean the Boards do or do not recommend the other Articles. The Boards are not allowed to add this notation except for those warrants required by State law.

On Wednesday, February 23, 2022, there will be a Candidate's Night at 7:00 PM at the Community Center. We encourage the public to ask questions of the election candidates and on the ballot articles. The Selectmen's Office has requested each department be present to explain their ballot articles and to participate in this public discussion.

Second Session of Annual Meeting (Voting)

You are hereby notified to meet on Tuesday, the 8th day of March 2022, at 8:00 am at the Danville Community Center, Danville, New Hampshire to vote by official ballot on the election of town officials, and on all warrant articles.

Please vote on March 8th; polls will be open 8 AM to 8 PM. You may register to vote on March 8, 2022, at the polls (Danville Community Center) if you are not already registered.

Article 2022-01 *Choose all necessary Town Officers for the year ensuing.*

Article 2022-02 *Connections to multi-unit Water Systems*

To see if the Town of Danville will vote to amend the Town of Danville Zoning Ordinance to help protect and preserve the Town's groundwater aquifers by requiring Planning Board review and approval for any interconnection to external water systems. Specifically, this will add a new subsection, subsection V, to Article VII as follows:

"V. MULTI_UNIT WATER SYSTEMS

Multi-Unit Water Systems (i.e., those that serve more than one dwelling unit, structure or lot), if any, shall not be interconnected with water systems external to any proposed or existing Subdivision or Development unless approved

210 Main Street, Danville, New Hampshire 03819

by the Danville Planning Board. Such approval may be provided as part of Subdivision review, Site Plan review, or other Planning Board review.”

Recommended by the Planning Board (6-0)

Article 2022-03 Accessory Dwelling Unit modifications

To see if the town of Danville will vote to amend the Danville Zoning Ordinance to allow for detached Accessory Dwelling Units (ADU) and most ADUs only requiring a building permit. Specifically, this will replace Article II, B, Article IV.A.4 and Article IV.B.2 with the following:

ARTICLE II.B.

ACCESSORY BUILDING

A residential living unit that is within or attached to a single-family dwelling, or detached from a single-family dwelling, and that provides independent living facilities for one or more persons, including provisions for sleeping, eating, cooking, and sanitation on the same parcel of land as the principal dwelling unit it accompanies.

ARTICLE IV.A.4

4. Accessory Uses: Accessory Dwelling Unit (formerly known as Extended Family Living Unit).

a. The objectives of this ordinance are to:

- 1) Empower homeowners with a tool to provide housing opportunities the community while affording all parties the necessary privacy and living arrangement conducive to harmonious habitation on a single residential lot.
- 2) Preserve the aesthetics of single-family housing. This ordinance places strict physical limitations on size and access to the accessory living unit.
- 3) Protect the residential character of a neighborhood.
- 4) Provide for Accessory Dwelling Units in accordance with RSA 674:72.

b. The following restrictions shall apply to all Accessory Dwelling Units (formerly known as Extended Family Accessory Living Units).

- 1) An Accessory Dwelling Unit shall be allowed wherever a single-family dwelling is permitted, per RSA 674:72.
- 2) Only one (1) Accessory Dwelling Unit shall be permitted per lot.
- 3) The accessory living unit shall not be converted to a condominium or any other form of legal ownership distinct from the ownership of the existing single-family dwelling.
- 4) Any and all construction shall be in accordance with the building standards of the Town of Danville in effect at the time of construction and a building permit must be obtained to create an Accessory Dwelling Unit. If the Accessory Dwelling Unit is attached to the main dwelling unit, permanent internal access between the two units shall be maintained per RSA 674:72-III.
- 5) In accordance with the standards of the Town and the standards of the New Hampshire Water Supply and Pollution Control Division, the septic facilities shall be adequate to service both the main dwelling unit and the accessory dwelling unit. If the existing septic design is inadequate, a new or upgraded septic system conforming to the most recent state and local standards shall be required.
- 6) In the event the property is sold, the purchaser may continue the use of an approved Accessory Dwelling Unit provided all previously granted conditions are adhered to, including any current building and life safety codes. Any change to the prior conditions will require granting a new building permit.
- 7) Detached Accessory Dwelling Units must conform to all other requirements of the Zoning Ordinance, including setbacks for dwelling units.

c. To grant the Building Permit, the Building Inspector must confirm that:

- 1) The proposal meets the objectives outlined in ARTICLE IV.A.4.a, the restrictions as specified in ARTICLE IV.A.4.b and is in conformance with RSA 674:72.
- 2) The applicant shall have presented to the Building Inspector a construction plan of the proposed accessory use with sufficient detail to enable the Building Inspector to determine adherence to the Zoning Ordinance criteria.
- 3) No more than one (1) accessory dwelling unit shall be allowed per main dwelling.
- 4) The accessory dwelling unit and any related changes to the property shall be designed so that the

appearance is consistent with the single-family character of the principal residence.

5) The accessory living unit shall be no more than seven hundred fifty square feet (750 sq ft) in size (not including the thickness of exterior walls and non-habitable spaces such as mechanical rooms) and shall be clearly an accessory living unit to the principal dwelling.

6) Appropriate off-street parking is provided for the Accessory Dwelling Unit in conformance with article IV.A.1.d.1) d).

ARTICLE IV.B.2

2. Permitted Uses Amended,

b. Accessory Uses: Accessory Dwelling Unit, subject to the provisions of article IV-section A.4.

Recommended by the Planning Board (4-2)

Article 2022-04 Adding properties to the Danville Village District – Kingston Rd & Pleasant St

To see if the Town of Danville will vote to amend the Danville Zoning Ordinance to include properties along Kingston Road and Pleasant Street added to the Danville Village District, thereby allowing additional types of businesses in these areas. This would amend the official zoning map, Town of Danville, to reflect the following parcels as being included in the Danville Village District:

Parcels to be included in the Danville Village District

Article 2022-06 Customary Home Occupation Modification

To see if the town of Danville will vote to amend the Danville Zoning Ordinance to allow for a small number of employees and customers associated with a customary home occupation. Specifically, this will replace Article IV.A.2.d and IV.A.2.e with the following:

Application to the Town for approval of a customary home occupation activity may not require a Special Exception Hearing if all of the criteria specified below are met. Applicants who do not meet these criteria should apply directly to the Zoning Board of Appeals for the Special Exception. Those who meet the criteria (or are unsure whether they meet the criteria) should contact the Planning Board Clerk (or another individual designated by the Board of Selectmen) to review the criteria, and complete the Home Business Registration Form which will be forwarded to the Board of Selectmen for review at a regularly scheduled Board of Selectmen's meeting (the Selectmen may require the applicant to be present).

- 1) No more than one (1) employee will be used other than the homeowner (or permitted resident).
- 2) No more than one (1) customer, vendor or distributor will come to the premises at a time.
- 3) Adequate off-street parking will be provided for the employees and potential customers.
- 4) No hazardous chemicals/materials will be used or stored on the premises.
- 5) No outside storage of equipment or materials associated with the home occupation will take place.
- 6) The home occupation will not generate unsightliness, noise, smells, fumes or other substances that would adversely affect the character or safety of the neighborhood.
- 7) Business signage shall be allowed in accordance with Article VII.D.
- 8) Home occupation is conducted solely in the dwelling unit or is conducted primarily off-site such as a service tradesman that provides his/her service away from the primary residence.
- 9) There is not more than one (1) commercial motor vehicle (see definition) associated with the business and said vehicle has no more than two (2) axles and a gross vehicle weight of not more than fifteen thousand (15,000) pounds.

All applicants not meeting the above criteria must apply for a Special Exception to the Board of Adjustment.

To grant the Special Exception, the Board of Adjustment must find that:

- 1) The accessory use shall require no more than two (2) on-site employees in addition to the owner(s) of the property.
- 2) Adequate off-street parking will be provided for the employees and potential customers.
- 3) Any changes made to the residential lot as a result of this accessory use that affect the external appearance of the property, the dwelling or any accessory building, shall be in keeping with generally accepted good residential architectural practices and styles and shall conform, in general, to the surrounding neighborhood's architecture.
- 4) There will be no outside storage of equipment or materials associated with the home occupation nor will there be any hazardous chemicals used or stored on the premises.
- 5) There shall be no commercial motor vehicles (see definition) nor shall there be more than two non-commercial vehicles used in conjunction with the home occupation except that, where the business takes place primarily away from the primary residence, such as a service tradesman, the business owner may park no more than one commercial motor vehicle related to the business at his/her residence provided that:
 - a) There is adequate space for full off-street parking of the commercial motor vehicle;
 - b) The commercial motor vehicle is not parked on Town property, including street, parks, and rights-of-way;
 - c) The commercial motor vehicle is parked at least fifty feet (50') from any abutting property line and at least seventy-five (75') from any abutting residential structure;
 - d) The commercial motor vehicle is not repaired or maintained on the premises (unless required in order to move the vehicle from the premises);
 - e) The commercial motor vehicle is not left idling for more than ten (10) minutes nor is any equipment associated with the commercial motor vehicle (e.g., refrigeration units) left on for more than ten (10) minutes while on the premises;
 - f) Horns and/or sirens on the commercial motor vehicle are used only in emergency situations;
 - g) Advertising on the commercial motor vehicle is not used to violate the intent to the Town's signage restrictions;
 - h) Generators or other outdoor equipment are not utilized in conjunction with the commercial motor vehicle;
 - i) The commercial motor vehicle will enter and exit the roadway via an approved driveway;
 - j) The commercial motor vehicle is properly registered and inspected; and

k) Commercial motor vehicles used for the transport of hazardous materials, as defined by ARTICLE II.E.4, are prohibited.

Recommended by the Planning Board (6-0)

Article 2022-07 Operating Budget

Shall the Town of Danville raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling Four Million Two Hundred Thirteen Thousand Six Hundred Eighty-Four Dollars (\$4,213,684.00). Should this article be defeated, the default budget shall be Four Million Fifty-Six Thousand Eight Hundred Eighty-Seven Dollars (\$4,056,887.00), which is the same as last year, with certain adjustments required by previous action of the Board of Selectmen or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only.

Elections 2021 Report

We'd like to thank the residents of Danville for the great turnout at the polls the in 2021. Despite the pandemic, Danville saw a large number of voters participate in the 2021 Town election, both in-person and by absentee ballot. Danville's turnout has consistently been above the State average and it great to see the residents of Danville doing their patriotic duty. Thomas Jefferson once said "We do not have government by the majority. We have government by the majority who participate." The residents of Danville certainly participate.

Democracy in Danville is strong because of your participation! It's especially gratifying to see our younger residents voting, many for their first time. As always, our election officials (ballot clerks, supervisors, selectmen, town clerk, volunteers, police officers, etc.) made sure that the lines moved smoothly and quickly. This was extremely challenging in 2021 as new methods, processes and layouts needed to be employed to ensure a safe election during the pandemic. Multiple entrances, social distancing, plexiglass barriers, sanitization, and PPE were all employed to keep our election officials and those voting safe.

2021 also saw Danville's first-ever outdoor, summer-time Deliberative Session. This was done due to COVID concerns. I want to thank all who helped to make it a success (even if you disagreed with the plan). But hopefully we won't need to repeat this outdoor experiment anytime soon.

If you ever think that your vote won't matter, keep in mind that Danville has had races end in a tie in the recent past. A single vote in that election, one way or the other, would have made a difference. So, please continue to come out and vote (or request an absentee ballot if appropriate).

Dwight D. Eisenhower wrote: "The future of this republic is in the hands of the American voter." Bestselling author Sharon Salzberg reminds us that "Voting is the expression of our commitment to ourselves, one another, this country, and this world.

Make sure your voice continues to be heard in 2022. So, please continue to come out and vote each Election Day or participate via absentee ballot. Let's show that the residents of Danville treasure our right to vote. Remember, voting is 100% more effective than complaining on Facebook.

We look forward to seeing you at the polls.

Barry Hantman, Moderator
Christine Tracy, Town Clerk

2021 Police Department Annual Report

The Danville Police Department is currently staffed with five full-time police officers and two part-time police officers. Our department provides a range of public safety and community-based services. These services include emergency response, criminal investigations, motor vehicle enforcement, juvenile services, and a whole array of community focused crime prevention programs.

Our department continues to confront new challenges as the face of law enforcement evolves. There has been a great deal of discussion across the country regarding the need for police reform and in many instances, rightfully so. While our department has always tried to provide the upmost transparency, I welcome these reforms and recommendations as an opportunity to how we can better serve the public. I have increased the number of annual training hours for each officer, to include mandatory topics of Implicit Bias, Ethics, and De-escalation, which each officer completed last year. We will continue to evolve in partnership with the community to ensure we maintain the highest level of police services and trust of those we serve.

Although a new police facility is critically needed, we decided to place our plans on hold this year due to the impact the Covid-19 pandemic had on the economy, and a staggering 7% inflation rate. In the months ahead, we plan to take a closer look at our original design plans and hopefully move forward with a new proposal. In the meantime, I welcome each of you to tour our current facility to understand why a new building is so desperately needed, and to answer any questions you might have regarding the project.

We continue to partner with the Danville Elementary School for safety planning and class presentations. We participate in the elementary school's Crisis Team, which is the group that helps facilitate emergency crisis planning. This includes practicing drills throughout the school year. We assisted the entire student body and staff of Danville Elementary with a variety of drills, to include a full evacuation drill. We hope that these drills will never have to be used in an actual emergency, but having these drills is another way to help be prepared. Due to Covid-19 and health precautions, we were unable to present the DARE or radKIDS curriculum this year, but it is our sincere hope that these programs will be back in the school soon.

In April and October, we participated in the National Drug Take-Back Initiative coordinated by the Drug Enforcement Administration (DEA). Thank you to all who participated. We collected nearly 200 pounds of unused or expired medications! Also in October, we participated in "Beards for Bucks" to help support Rockingham County's Child Advocacy Center (CAC). Beards for Bucks is a fun and exciting fundraiser where male law enforcement officers can grow facial hair for the month of October to support the CAC. Female officers are also able to go "Blue for Bucks" by wearing blue nail polish. The Child Advocacy Center is a non-profit organization that helps nurture child abuse victims and provides a safe environment for them to make their voice heard, as we get to the bottom of the case of abuse or neglect.

It was great to be able to offer some of our community-based events again this year. We kicked off Old Home Days weekend with an outdoor movie presentation of Tom & Jerry and the Police Association hosted the Flea Market and main stage performances at the Day Field. We were also able

to gather for the Annual Tree Lighting ceremony. Although for health precautions, we decided not to gather at the Community Center afterwards, but the lighting itself was very well attended and the kids were just as thrilled as ever to mingle with Santa and Mrs. Claus around the tree.

I would like to recognize my entire staff for their truly honorable and exemplary service. The pandemic posed an abundance of health and officer safety concerns throughout the year, yet they accepted each challenge without pause, day in and day out. Even when Covid struck inside the department, healthy officers worked tirelessly to cover for their comrades while they were out sick.

Finally, I would like to express my sincere gratitude to the residents of Danville for the continued support you have expressed to me and my entire department. I would also like to recognize one special person who sadly we lost last year. Robert Emilianowicz (a/k/a Bob Northland) without solicitation, volunteered his time on a regular basis to help with a variety of projects, to include grant research, and drone arial footage of our proposed police facility location. Apart from his contributions, we'll greatly miss his "pop visits" and unmatched wit.

As a community, we've been fortunate to have been recognized as the "Safest Town" in NH for the past two years, and that is something we ALL can be proud of!

As always, my best wishes to all of you for a safe, happy, and healthy 2022!

Chief Wade H. Parsons

Conservation 2021

2021 has seen continued development activity in our town, and Conservation has continued to support and advise the Planning Board and work with the BOS to provide reasonable oversight for balanced land use.

At the end of 2020 we purchased a 3.3 acre parcel that was in the process of being approved for a house lot on Happy Hollow road..... this now allows access to a 20 acre Parsonage lot that has been otherwise inaccessible for almost 100 years; previously this parcel had been contributing to the support and upkeep of the Meeting house via the Parsonage funding established in the 1700's. During 2021 we coordinated with our town road agent to plan for a parking area at that property so residents can enjoy this area once again.

The Long Pond Protective Association, a private landowner group formed to mitigate the presence of Milfoil in the pond, has continued to provide quarterly reports to the Conservation Commission per requirements of the BOS, which has helped the Selectmen to make financial decisions with as much information as possible.

If you'd like to join our activities, especially our work sessions, please let us know. This in turn will help current and future resident's access and enjoyment.

2021 ELECTED ANIMAL CONTROL OFFICER

In 2021, The Elected Animal Control Officer responded and resolved to date over 207 calls and complaints through Rockingham Dispatch. These involved everything from cruelty complaints, lost dogs/cats, found dogs/cats, loose livestock, loose dogs, injured animals, animal bites, abandoned animals, dog in hot cars, and maintaining licensing throughout the year.

The Animal Control Officer (ACO) enforces state laws and town ordinances pertaining to domestic animals. Animal Control is dedicated to serving the community as it relates to both humans and animals.

Dog Licensing had over 1195 dogs licensed this year. Licensing is required by NH Law to ensure all dogs carry a current rabies vaccine. Licensing is required by law and aids in getting your dog home quickly when they wander. Accidents happen and dogs get out. Current licenses can be the difference between being returned in minutes or an overnight stay at the kennel. Please confirm your contact information is correct so you can be contacted quickly in any event related to your dog. Dogs must be licensed each year by April 30th as required by State Law. Please notify the Town Clerk if you no longer have your dog. Micro chipping your pets is another way to assure your pets will be returned to you if your pet is taken to a shelter or vets office or picked up by an Animal Control Officer.

2021 Dog License Revenue

License Fees \$8,055

Civil Forfeiture Fees \$ 540 (18 issued)

Dog Fines none (by ACO)

Total Revenue \$8,595

What is an Animal control officer?

An animal control officer is charged with responding to requests for help with animals ranging from wild animals, dangerous animals, or animals in distress. An individual who was once known as a dog catcher but is generally now called an animal control officer.

What does an Animal Control Officer do?

Animal control officers work in an environment that can be both physically and emotionally taxing. The job involves handling stray, abandoned, and distressed animals that are often unfamiliar, unpredictable, and dangerous. They are responsible for maintaining public safety by enforcing local and regional laws concerning the care and treatment of animals. The Animal Control Officer is responsible for enforcing State Laws and local Ordinances pertaining to the

health, welfare, and control of domestic animals. The Animal Control Officer is also considered the local Rabies Control Authority that handles animal bite reports to humans, animals and who handles reports of sick or injured animals.

Animal Control Officer Skills & Competencies

To be successful in this role, you'll generally need the following skills and qualities:

Emotional stability: Animal control officers often come across difficult situations involving animals in neglected, abused, or injured states. They must know how to work with any emotions that arise in order to be able to effectively assist these animals.

Interpersonal skills: This job requires interaction with the public and requires the ability to skillfully navigate difficult situations.

Physical agility and stamina: Animal control officers may work on their feet for long periods of time, and need to be able to bend, stretch, and climb under or over obstacles to get to animals in need of help. They must also be ready to safely handle frightened or aggressive animals. Animal control officers must also be careful to take adequate safety precautions when working in potentially dangerous situations with unfamiliar and unpredictable animals. There is a high potential for injury when attempting to capture an animal under stress, whether that stress arises from abuse and neglect, or from being in an unfamiliar environment. Danville residents have enjoyed many of our wildlife sightings this year. From Foxes, to Bear, Bobcats, Moose sightings, to many young wildlife babies out on their own for their first time. We ask that you give them space and watch from a distance. If you have any questions or need to report a missing or found pet, or any animal issues please reach out to call us.

The Elected Animal Control Officer position is an elected position that must be elected each year by the voters.

Please call if you have any animal related concern, as I am happy to provide any information or resources that I have.

Animal Control may be reached through the Rockingham Dispatch, 24/7 at 603-679-2225 x0 for any questions, inquiries or complaints.

Respectfully submitted,

Sheila Johannesen

Animal Control Officer

2021 Forestry Committee

The Town Forest comprises over 400 acres, and per town vote is administered by the Forestry Committee. Part of that responsibility is establishing an updated Forest Management Plan, usually every ten years. For that purpose: In 2020 our Forester located over 464 sample points, randomly generated overlaying the entire area, for the purpose of establishing areas that met the criteria for sampling using the Double Point (utilizing a 20-factor prism) method to establish a comprehensive forest inventory. Wildlife habitats, the Historic district, rare plants and natural communities were all considered, and the updated plan was established by the Forester and subsequently accepted by the Forestry Committee and NH Audubon.

The Danville Forestry Committee would like to invite all town residents to go to the town website (forestry section) and review the 2020 Forest Management Plan.

Carsten Springer – Chair
Sayra DeVito – Alternate

Chip Current – Vice Chair

DANVILLE FIRE DEPARTMENT

The Danville Fire Department responded to 465 calls in 2021, 95 more calls than in 2020.

2021 was a challenging year for DFD with Covid, we responded to many calls related to the pandemic. Our member is trained diligently to deal with Covid related emergencies so that we could best serve our community and keep DFD members safe. We did not have the option of shutting our doors. DFD has been available 24/7-365 days a year to assist the community during the COVID-19 pandemic.

The department is staffed Monday through Friday from 8 AM to 4 PM. This is the time we recommend that you renew your burn permit, drop off your waste oil, and inquire about any fire permitting issues.

The remaining hours of the week emergency calls are answered by a dedicated call force of firefighters and EMTs. These members respond to any emergency in Danville, Including fire medical or natural disaster. The department members train monthly to keep up their medical and firefighting certifications.

I cannot emphasize the importance of visible house numbers, in the event of an emergency every second counts. Please install reflective numbers on your mailbox and house. Also please check your smoke and carbon monoxide alarms twice a year.

Please support fire department warrant articles and the town budget so we can continue to provide the best possible service to the residence of Danville.

I would like to thank the dedicated members of the Danville Fire Department who answer emergency calls 24 hours a day, 365 days a year. I would like to thank the citizens of Danville for their continued support.

Respectfully submitted,

Chief Steve Woitkun

2021 Colby Memorial Library Annual Report

We appreciate all the Danville residents who made 2021 a remarkable year at the Colby Memorial Library. We issued nearly 100 new library cards and we are thrilled to see our library family grow. If you have not checked us out yet, we hope you will.

As we returned to full hours and in-person programming, we received tremendous support from our patrons who show up faithfully to check out materials and for Story Times, Book Club, Cookbook Club, Friends' meetings and special events.

One of the key components of our return to "normal" was the purchase, with American Recovery Plan Act funds, of an event tent. Set up in the back parking lot, the tent allows us to hold outdoor programming on hot and rainy days.

This year we added over 1,500 new items including print and digital books, downloadable audiobooks and books on CD as well as print and digital magazines. We also offered at-home access to Ancestry genealogy database and Transparent Language tutorials. We also added a few more reduced admission museum passes. We have passes to the Boston Museum of Science, the Children's Museum of New Hampshire in Dover, The Seacoast Discovery Center in Rye and the McAuliffe-Shepard Discovery Center in Concord.

We also loan a powerful Orion telescope and Outdoor Exploration Backpacks for kids stuffed with binoculars, compasses, first aid kits, maps, nature identification tools and more.

The library provides Wi-Fi inside and out, home-bound delivery, and one-on-one reference and technical assistance. We process thousands of Inter-Library Loan items for our patrons and patrons across the state. We are committed to providing

what you are looking for either on our own shelves or from another library.

We enjoy connecting with the entire community in new ways and in February sponsored our first Snowman Contest. Families and neighborhood groups created snow creatures and competed for prizes, and cheered each other on, by posting on our Facebook page. We also held a Literary Pumpkin festival and offered a Family Story Time with free popcorn and cotton candy at the Danville Olde Home Days.

Our biggest event of the year was when a potbelly pig named Lulu, goats, turtles, chickens, and bunnies all came to help us launch our Summer Reading Program, themed Tails and Tales. Close to fifty Danville children took part in the interactive program with the baby animals from Candia's Charmingfare Farm's mobile petting zoo.

Over a hundred children, teens and adults participated in the annual eight-week Summer Reading Program logging their reading time and titles to earn weekly prizes. Our SRP for children and our weekly Story Times are an important part of our commitment to early literacy. Our children's librarians provide thoughtfully designed Story Times that feature stories, songs, and movement that all encourage curiosity, learning and social engagement.

This year we were especially pleased to join with the Danville Heritage Commission to present an exhibit celebrating Lester Colby, the library's benefactor. Visitors viewed numerous personal artifacts that were donated to the library by Colby family members and to the Town of Danville by the Hawke Historical Society. One artifact is a rare wooden military canteen belonging to Lester Colby's great-great grandfather, Thomas Colby who served in 1807.

Working in partnership with the Heritage Commission, we will present a series of public displays celebrating and honoring Danville's people, places, and events from the past. The displays will be in the "Danville History Nook" area and in a new locked display cabinet recently built for the library.

While libraries embrace and highlight history we are also always looking forward. Libraries are constantly changing, and we want to always offer services that meet everyone's needs. We ended 2021 finalizing our agreement with Hoopla - a digital borrowing platform featuring books, audiobooks, movies, television shows, music and more. We are excited to launch this free service early in 2022.

We would like to thank the Friends of the Library for their continued support. This year, the Friends generously donated funds for the Seacoast Discovery Center pass. We also send thanks to our neighbor and Friends member Kathy Dennis, for her beautiful handmade wreathes adorning our windows and doors during the holiday season.

On a final, sad note, we were heartbroken to say goodbye, in November, to our friend, Duke. It is no exaggeration to say that hundreds of Danville children grew up with Duke, first encountering him as a toddler at Story Times and later on school visits from the Danville Elementary School. They bugged their parents to take them to the library to see Duke! Of course, it wasn't just kids who loved him. The loyal and playful ambassador had a regular following of adults, too, who have been deeply saddened by his passing.

We are grateful to our Assistant Director, Tom Billbrough, for sharing Duke with all of us for so many years and we are sorry for his loss.

For more information about the library including hours, Story Time information and other services please see our website at colbymemoriallibrary.org or call us at 603-382-6733. Follow us on Facebook for news. Link to Facebook from our website.

2021 Zoning Board of Adjustment Annual Report

The Danville Zoning Board of Adjustment (ZBA) is a 5 member volunteer board. The principle role of the ZBA is to hear and issue decisions regarding applications for variances, special exceptions, equitable waiver of dimensional requirements, and appeals of administrative decisions related to zoning. Each application is reviewed on its own merits and the decision to grant or deny the request is made independent of the outcome of other previous applications.

During 2022, the board reviewed and or issued decisions on the following 5 applications.

One Special Exception applications for Home Occupation was reviewed and denied.

- Taylor Home Occupation Special Exception at 122 Kingston Road

Four variance requests were reviewed. One was granted, one was declined and two were withdrawn.

- Taylor – 122 Kingston Road, requested variance to the Home Occupation Special Exception criteria related to storage of commercial vehicles on the property – Variance was Denied
- Sultzback – 37 Ward Way, requested a variance for the 75 ft wetlands buffer requirement. Application review included hearing and site walk - Variance request was withdrawn.
- Wellingham Farm LLC– 576 Main Street, requested variance for the 75 ft wetlands buffer requirement – Desk review only –Application withdrawn pending additional information
- OSP Realty LLC – 5 Red Pine Road, requested a variance to 3 Zoning ordinances – 2 acre minimum lot size, 30 ft road setback, and 75 ft wetlands buffer requirement – Variance was granted with restrictions

The ZBA meets on Tuesday evenings as needed. Hearing notices are posted at the Town Hall, Post Office, and listed in a local newspaper. All abutters to the property included in any application receive a certified letter of notification for the upcoming hearing. Those needing a hearing with the ZBA may contact the clerk who will assist them in filling out the application and abutters list. All applications require a public hearing. The requirement for ZBA public hearings is outlined in RSA 676:7 Public Hearing; Notice.

Below are the members of the 2021 Zoning Board of Adjustment.

Chris Stafford – Chairman

Walter Baird – Vice Chair

Gail Turilli - Clerk

John Russo – Member

Roger Whitehouse – Member (Planning Board representative)

Michelle Cooper – Alternate Member

Jason Holder – Member

2021 Planning Board Annual Report

In 2021, the Danville Planning Board saw continued interest in residential and commercial development within the Town. Subdivision and site plan applications continued to come before the Board in 2021 and it is clear that the Town continues to be attractive to developers. The Planning Board is gratified that recent developers have been willing to work with the Town to provide development that helps maintain the town's character. Long-term, the Planning Board anticipates that growth will continue due to the Town's location and rural environment.

The Planning Board continues to review all subdivision, site plan, and excavation applications to make sure they meet state and local regulations and to help maintain the rural nature of Danville. The Planning Board reviews each of the applications at our regularly scheduled meetings, has all plans reviewed by both the Conservation Commission and Town Engineer, and then conducts an on-site examination of the proposed development site. The Planning Board also calls on the expertise of the Road Agent, Heritage Committee, Board of Selectmen, Fire Department, and Police Department, as required, to perform an appropriate review. Due to the pandemic, the Planning Board conducted many of its meetings early this past year using electronic methods. While more complex, the Board was able to continue to provide the needed services to our Town.

Some developments, which are still in the conceptual phase, show that recent Zoning changes have sparked ideas for commercial development in Town. With that in mind, the Planning Board has placed a few Zoning Warrant Articles on the ballot for 2022. These Warrant Articles are intended to streamline processes, clarify portions of our Zoning Ordinance, and promote continued commercial opportunities. The Board listened to developers and residents regarding impediments to development and crafted these warrant articles to help balance the desire to promote opportunities for commercial growth while still maintaining the rural character that makes Danville special. The Board asks for your support of these Articles.

In the past few years, the Board was particularly focused on changes to Zoning that have hindered Business development and has worked to promote a more business-friendly environment. Some of the changes have included updates to the signage regulations, types of businesses permitted in the Village District, and article last year to extend the boundaries of the Village District. These efforts seem to be beginning to bear fruit as we've seen new commercial development and proposals in Town.

In addition to the previously mentioned activities, the Planning Board has been involved with the Town's efforts to update the Hazard Mitigation Plan and has also been working with several other town Boards, Commissions, Committees, and Departments regarding the Eversource Right of Way.

The Planning Board has been encouraged by the large amount of interest in planning issues shown by the residents of Danville. Our hearings have been well attended with a wide diversity of thoughts expressed. In addition, many of the Town's residents watch our meetings on Danville's cable channel 20 and via live stream over the internet. This type of participation helps ensure that development in Danville is managed appropriately. The Planning Board meets on the second and fourth Thursdays of the month at 7:30PM in the Town Hall. We invite you to join us at these meetings and invite you to get involved with the activities of the Board.

A complete listing of the applications that came before the Planning Board and the status of those applications follows.

Specific Applications Reviewed by the Planning Board in 2021:

Subdivision of Lot 4-46 on Long Pond Rd.

Conditional Approval granted on 1/14/21.

Extension of Conditional Approval for 87 Sandown Rd., Map 1-32

Extension granted on 1/14/21.

Conditional Use Permit R193 Transmission Line Map and Lot #'s 1-23 & 1-24

Permit Granted on 2/22/21.

Preliminary Discussion for Wellinghall Farm, 567 Main Street, Map 1 Lot 50

No action taken.

Minor Lot Line Adjustment for 122 & 128 Kingston Road, Map and Lot #'s 4-174 & 4-175

Applicant referred to Zoning Board of Adjustment

Subdivision Application for Lake Realty Trust, Stage Coach Estates, Map and Lot # 1-19-B

2021 Heritage Commission Annual Report

The Heritage Commission completed several projects this year and addressed some matters concerning the Meeting House property.

Early this year a portion of a stone wall that the Superior Court has determined is a boundary wall for the Meeting House property was disturbed and removed. The Meeting House property is in the Historic District. The removal of the stone boundary wall was a violation of the Historic District zoning ordinance. The Heritage Commission officially notified the Selectmen of the violation and requested they take action to enforce the Historic District zoning ordinance. The Heritage Commission also retained Cynthia Boisvert, LLS of Arago Land Consultants, the town's surveyor in the Superior Court Meeting House property litigation, to place two permanent boundary monuments at the stone wall boundary location, and to stake out the edges of the Meeting House property and the DOT right of way for Route 111A in that area. The money to pay for the permanent boundary monuments and staking was raised by the Heritage Commission in a fundraiser several years ago and had been deposited in the Heritage Fund.

Our major community project this year was the creation of a virtual tour of some of our town's historic sites. Work on this idea began in 2020 when the pandemic changed our ability to safely open some of Danville's historic buildings during the annual Old Home Day activities. Filming and editing of the tour was finalized in October with the help of Paul Pazolt, a talented videographer and Danville resident. The Commission's budget for this project was small, but Paul agreed to take it on. By the end of the project Paul had donated countless extra hours and services to ensure the final production would be the best that it could be. The Heritage Commission could not have completed this project without Paul. His talent, warm personality, attention to detail, dependability and support for our Town is commendable. The virtual tour will become part of the Town's permanent records and provide an opportunity to share glimpses of these historic places with a wide audience. We look forward to officially launching the tour for public viewing, through as many platforms as possible, in early 2022.

The Commission also continued its partnership work with the Colby Memorial Library. The goal is to bring more Danville history to the library for visitors to explore and enjoy. This spring the Library trustees received the special display cabinet they had ordered for this purpose. Over the summer months Heritage members gathered, researched and documented historical photographs and artifacts from the Colby Family that had been donated to the Town by the Hawke Historical Society. These were combined with more Colby Family things that had been donated to the Library. A special display honoring Lester Colby and his family was opened to library visitors this fall. We were honored to learn that two Colby family descendants, Miriam Sunderland Sargent and her daughter Miriam Sargent Simmons, 12th and 13th generations of the Colby family, visited the library to see the display.

The Commission continued sorting and gathering of historical slides and photographs that were donated to the Town by the Hawke Historical Society. Our hope is to obtain a grant to digitize these items so they can easily be shared with the public. We applied for a community preservation grant from Historic New England in August. Grant amounts were limited and just one grant is awarded in each the six New England

states. We were not selected for New Hampshire's grant award this year, but hope to apply again and explore other grants that may be available.

We inspected the Webster Stagecoach Stop & Store and Little Red Schoolhouse and submitted our annual inspection reports under our Stewardship Agreements with the Selectmen. Both buildings were cleaned, and mouse deterrent products were placed in both buildings in the fall.

At the request of the Planning Board this year, we also reviewed and edited the Historic Resources chapter of the Town's Master Plan. We were able to incorporate some newly discovered information about the Town's history in this revision and are now prepared to submit our revisions to the Planning Board.

We are grateful to Mary Burnett for her donations of family memorabilia, history and artifacts about the Danville Grange and shoemaking, as well as Patricia Collins for her donation of an old Danville shoemaking tool. These will be added to the collection of Danville history items currently stored on the second floor of the Town Hall.

The Town's Heritage Fund is available for those who would like to make a monetary contribution towards preservation of Danville's history and town-owned historic structures. The Heritage Fund is dedicated to public purposes and donations to the fund are therefore tax deductible under section 170(c)(1) of the Internal Revenue Code. Arrangements for donations may be made by contacting the Heritage Commission.

The Heritage Commission is actively involved in many activities that honor our Town in a positive and special way. Becoming a member of the Commission, or participating in our activities, is an opportunity to learn about our town's history and government, and understand our town's past as we move into the future.

Respectfully submitted,

Carol Baird, Chairman

Cable Committee 2021 Report

During 2021, Danville's Cable Channel 20 continued to provide the residents of Danville with access to almost all of the Town committee meetings. Virtually all Board of Selectmen meetings, Heritage Committee meetings, Conservation Committee meetings, Planning Board meetings, Recreation Committee meetings and Budget Committee meetings were televised. These meetings were rebroadcast several times throughout the week providing additional viewing opportunities. In addition, local church services have been broadcast each Sunday morning.

In 2021, we also continued our live and on-demand streaming capability. All of the televised meetings are available for streaming at a time of your choosing from your PC or cell phone. Simply visit the Town's web site and click on the "Meeting Videos" button. The live streaming capability has been well received and we will continue to expand this capability as we go forward.

The broadcasting of Town Meetings, either by Cable TV or internet streaming, became especially important in 2021 as more people chose to participate remotely due to the pandemic. The Cable Committee did its best to ensure that all meetings could be viewed from home.

2021 also saw the beginning of the second phase of our upgrade to our Town's video equipment. A Request for Proposals (RFP) was generated looking for upgrades to provide a clearer, high-definition signal. The RFP was issued in November and proposals are expected shortly. The upgrade is expected to be completed in 2022.

When meetings are not being televised, Danville's Channel 20 broadcasts the Town's electronic bulletin board that provides information about upcoming Town and community events.

The Schedule for Channel 20 is as follows:

Sunday

9AM Danville Baptist Church
3PM Planning Board (rerun)

Monday

9AM Conservation Commission (rerun)
1PM Heritage Commission (rerun)
4PM Selectmen (rerun)
7PM Selectmen (live)

Tuesday

9AM Heritage Commission (rerun)
1PM Budget Committee (rerun)

4PM Conservation Commission (rerun)
7:30PM Budget Committee (live – during budget season)

Wednesday

9AM Planning Board (rerun)
1PM Conservation Commission (rerun)
4PM Heritage Commission (rerun)
7PM Recreation Committee (live – monthly)
7:30PM Heritage Commission (live - biweekly)

Thursday

9AM Selectmen (rerun)
3PM Planning Board (rerun)
7:30PM Conservation Commission or Planning Board (Live)

Friday

9AM Forestry Committee (rerun)
1PM Selectmen (rerun)
4PM Budget Committee (rerun)

It is important to note that the Town's Cable TV System operates with no impact to the Town's Tax Rate. The funds are provided by Comcast based on fees returned to the Town in accordance with our franchise agreement.

During 2021, some of our Camera Operators left the team as they headed off to college. We wish them the best in their studies and hope the lessons they learned while filming our Town meetings help to guide them in the future. In their place, we have brought in some new Camera Operators who have done a fantastic job learning the necessary skills and ensuring that we had no lapses during the transition. We continue to offer opportunities for our Town's youth.

We hope you enjoy watching Danville's Cable TV channel and hope that you find it useful and informative. We would appreciate any suggestions that you might have.

Barry Hantman, Cable Coordinator
Roger Whitehouse, Committee Member
Shawn O'Neill, , Selectmen's Representative
David Leonard, Camera Operator
Theo Boyd, Camera Operator
Michael Pagliuso, Camera Operator
Deborah Christie, Committee Clerk

2021 Highway Annual Report

With the support of the Town, the Highway Department completed the Kimball Terrace Drainage Project and performed maintenance on several roads throughout the Town. The Town purchased a 2021 F350 Utility Truck and a 2022 International Dump Truck.

A few reminders: Please continue to use the blue bags for picking up litter on the roadside. Leave the full bags on the side of the road and call the Highway Department to let us know where to pick up the bags. Please pick up pet waste, never dump anything into the swales, and use environmentally safe fertilizers to keep our water systems safe.

The Highway Department held a Touch-a-Truck event during Old Home Days. Thank you to all the residents that weathered the storm and participated in our event.

The Town will participate in two Household Hazardous Waste Days in the Spring and Fall with Plaistow and Kingston.

James Seaver
Road Agent
603-382-0703

2021 DRAGON MOSQUITO CONTROL ANNUAL REPORT

The mosquito season began with drought conditions in the spring but that ended when tropical storms and record setting rain dominated the rest of the summer. Freshwater wetlands and manmade containers repeatedly filled with water allowing many species of mosquitoes to rebound from the 2020 drought.

Fieldwork begins in April when mosquito larvae are found in red maple swamps, cedar swamps, woodland pools, ditches and other stagnant wet areas. Dragon crews checked habitats for larval mosquito activity. When needed, wetlands were treated using a naturally occurring soil bacterium called Bti to control mosquito larvae. Bti will not harm people, pets, birds and other animals, aquatic life or other insects. In addition, catch basins were treated to fight disease-carrying mosquitoes. Dragon uses Natular, an organic biological product, to control mosquitoes in catch basins.

Adult mosquitoes were monitored at four locations throughout town. Mosquitoes were collected in traps, identified to species, and select species were sent to the State Lab in Concord where they were tested for Eastern Equine Encephalitis and West Nile Virus. No disease was detected in mosquitoes collected in Danville in 2021. Trapping adult mosquitoes ends in mid-October when the State stops testing mosquitoes for diseases.

This past season, mosquitoes collected from Stratham, East Kingston, Portsmouth, Salem and Manchester tested positive for West Nile Virus. No mosquitoes tested positive for Eastern Equine Encephalitis. The NH Department of Health and Human Services tested mosquitoes for Jamestown Canyon Virus (JCV) for the first time in 2021. Mosquitoes were trapped in areas where human cases of JCV had previously been detected. Fourteen Jamestown Canyon Virus mosquito batches were identified in New Hampshire including Derry and Kingston. Four people from NH tested positive for JCV with one fatality from Dublin. This was the second time a resident died from Jamestown Canyon Virus. In 2018, a Derry man was the first person in New Hampshire to die from JCV.

Every mosquito season presents different challenges. In 2021, towns in southern New Hampshire received over a foot of rain in July allowing for a surge of mosquitoes hatching from a variety of habitats. The precipitation in the coming months may lead to a strong population of mosquitoes and more disease activity next season.
