Patty, I will be unable to attend tonight's interviews, however I did read and follow up on both of their applications and resume's on my own. I would like the BOS to know I have done so, an hoping that Bob Bogosh, will be awarded the position of Danville Building inspector. Mr. Bogosh, has stepped up to help Danville out on several occasions when this town was in need. Mr. Bogosh has worked with both Janet and Patty and has established a good working team relationship for the job. Mr. Bogosh could step right in and carry on the job without any hesitations. I hope the BOS will take in consideration my input.

Sincerely,

Sheila Johannesen
