

Danville dialysis patient in need of rides

An 86-year-old man from Danville is in need of rides to/from kidney dialysis in Exeter. This gentleman has a dialysis appointment every Monday, Wednesday and Friday at noon. He finishes treatment at 3:15 PM.

We are hoping to form a team of drivers to support this gentleman and his family. The patient is able to get in and out of a car independently. He walks with a cane.

Please contact Martha Hanley, Renal Social Worker, for more information @ 777-9931.

Thank you very much!
