## **DEDICATION**

### **CAROL BAIRD**

Each year at this time our town has the opportunity to recognize someone among us whose deeds and character make Danville a nicer place to live. This year your Board of Selectmen is honored to dedicate the 2008 Annual Report to Carol Baird.

Carol's activities on the Danville Heritage Commission over the past dozen years have benefited our town greatly. Carol would insist these activities were a team effort, but that same team would insist right back that Carol is the motivating force, the backbone, the very soul of the group, and the reason things get done.

The accomplishments are numerous, from putting forth the widely supported warrant article creating the Historic District in 1999, to having the Town Hall placed on the National Register of Historic Places, to obtaining \$3,500 in grant money to do a feasibility study to bring the second floor of Town Hall back into community use, to being awarded a \$10,000 NH Moose Plate grant to upgrade electrical wiring and install heating and air conditioning for that second floor.

In 2006 the trustees of the Melton and Marcia Sanborn Family Trust approached the Board of Selectmen and offered the Webster Stagecoach Stop and Store at the foot of Sandown Road to the town provided the town would move it. The Selectmen requested the Heritage Commission propose a plan to make this happen, as the town had no funds available that could be used for such a project.

Carol and the Heritage Commission welcomed the challenge and went to work. They had the building named to the NH Register of Historic Places, applied for and were awarded a \$15,000 grant from the state funded Land and Community Heritage Investment Program, (LCHIP), convinced the NH Department of Transportation to pay for two-thirds of the cost of the relocation, secured donated services from civic minded firms and individuals, and proceeded to relocate this historic building with a total cost approaching \$40,000. This was accomplished in September of last year at no cost to Danville.

Carol's persistence and meticulous attention to detail are legendary. She insists on doing things the right way for the right reasons, with no personal agenda, and with consideration only for what is good for Danville. She conveys a thorough knowledge of the issues that she presents with characteristic grace and quiet dignity commanding respect from all with whom she deals on our behalf. Danville always looks its best when Carol represents us.

Carol and Walter Baird moved to Danville 20 years ago, and both have been and are currently involved in various civic activities. Carol maintains a full-time job as a legal assistant and carries the mantle of wife, mother and grandmother. Yet she willingly finds time for the considerable effort these achievements take.

While many of us still search for the way to make a difference, Carol can say with pride she's been there and done that. Danville is a better town today because Carol Baird is one of us. Thank you, Carol.

## **SELECTMEN'S MESSAGE**

The entire Town experienced the effects of power outages caused by the ice storm on December 11, 2008. The Board is proud that the community pulled together to help each other. Members of the Danville Fire Department, The Fire Association, the Danville Police Department, and many other town employees and town volunteers banded together to help strangers, friends, neighbors, and family weather the extended power outages throughout town. We offer our thanks to all of Danville's residents, even the smallest gesture made an impact for the better.

2008 brought the country high gas prices, high heating costs, and slow growth, and the effects are felt here in Danville. While costs continued to escalate and property values languished, we all felt the sting of our December tax increase. As has been the case in the past, the bulk of the increase stems from the cost of the Timberlane School District, an increase in the number of students from Danville, and stagnant property values.

In an effort to reduce the impact of Town services on Danville tax payers, the Board of Selectmen have examined the use of competitive bidding on contracts that are nearing expiration. The Selectmen used the bidding process for two contracts this year, our auditing services contract and our waste disposal contract with Waste Management (which was due to expire at the end of December 2008). The Board began creating the bid documents in May and put the trash pick-up and disposal services out to competitive bid in July. The Town received four proposals, which resulted in substantially competitive pricing for the trash pick-up, disposal and recycling service needs of the town. The Board selected Waste Management. The new contract is expected to save the town about \$70,000 in 2009. The Board will continue to find ways to reduce the tax impact of these types of services.

As many residents have noticed, the Webster Stagecoach Stop and Store was successfully relocated from the east side of Main Street to its new home on town-owned property on the southwest corner of Main Street and Sandown Road. This accomplishment was only possible due to the tireless efforts of the Danville Heritage Commission.

The Board has also had the second floor of the Danville Town Hall cleaned, repaired and painted. The space now has heat and air conditioning and, although not totally refurbished, this area can now be used to offset the lack of meeting space the town has struggled with over the past few years.

The Board of Selectmen extends best wishes to all Danville residents and hope 2009 will be a better year for all of Danville.

Shawn O'Neil, Chairman  
Joseph J Luna, Vice Chairman

## PLODZIK & SANDERSON

*Professional Association/Accountants & Auditors*

193 North Main Street • Concord • New Hampshire • 03301-5063 • 603-225-6996 • FAX-224-1380

### *INDEPENDENT AUDITOR'S REPORT*

To the Members of the Board of Selectmen  
Town of Danville  
Danville, New Hampshire

We have audited the accompanying financial statements of the Town of Danville as of and for the fiscal year ended December 31, 2007 as shown on pages 2 through 6. These financial statements are the responsibility of the Town of Danville's management. Our responsibility is to express opinions on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

Management has not implemented Governmental Accounting Standards Board (GASB) Statement No. 34, *Basic Financial Statements - and Management's Discussion and Analysis - for State and Local Governments*. Therefore these financial statements are presented following the principles that were in effect prior to GASB Statement No. 34. Management has not presented government-wide financial statements to display the financial position and changes in financial position of its governmental activities and business-type activities. The financial statements presented do not contain separate statements for governmental, proprietary, if applicable, and fiduciary fund types, nor are major and nonmajor funds separately identified and classified. The financial statements presented report expendable and nonexpendable trust funds, some of which should be reported as special revenue and permanent funds under the new reporting model. The financial statements also present a general long-term debt account group which should not be reported as such, but the information contained therein should be included in the government-wide financial statements were they presented. Also, the financial statements do not contain any information on capital assets because the government has not maintained historical cost records of such assets. Management has not presented a management's discussion and analysis as required. The amounts that would be reported in the missing statements and required supplementary information, and the effects of reclassifying and properly reporting the information presented are not reasonably determined.

In our opinion, because of the effects of the matters discussed in the preceding paragraph, the financial statements referred to above do not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the Town of Danville as of December 31, 2007, or the changes in its financial position or its cash flows, where applicable, for the year then ended.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Danville's basic financial statements. The combining and individual fund schedules are presented for purposes of additional analysis and are not a required part of the basic financial statements. For reasons stated in the third paragraph of this report, we expressed an opinion that the financial statements of the Town of Danville do not fairly present financial position, results of operations, and cash flows in conformity with accounting principles generally accepted in the United States of America. Therefore, we do not express an opinion on the accompanying combining and individual fund schedules.

### ***INDEPENDENT AUDITOR'S COMMUNICATION OF CONTROL DEFICIENCIES AND OTHER MATTERS***

To the Members of the Board of Selectmen  
Town of Danville  
Danville, New Hampshire

In planning and reporting our audit of the financial statements of the Town of Danville as of and for the fiscal year ended December 31, 2007, in accordance with auditing standards generally accepted in the United States of America, we considered the Town of Danville's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Town of Danville's internal control. Accordingly, we do not express an opinion on the effectiveness of the Town of Danville's internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. However, as discussed below, we identified a deficiency in internal control that we consider to be a significant deficiency.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the Town of Danville's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the financial statements that is more than inconsequential will not be prevented or detected by the Town of Danville's internal control. We noted the following deficiency that we consider to be a significant deficiency.

#### ***Information Technology (IT) Contingency Plan***

The Town does not have an approved disaster recovery plan in the event of loss or interruption of the information technology function. We recommend that the Board develop a contingency plan for alternative processing in the event of such loss or interruption.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the Town of Danville's internal control. We did not note any deficiencies that we consider to be material weaknesses.

We also want to discuss the following issues that we do not consider to be significant deficiencies.

#### ***Investment Policy***

The Town has not adopted a formal investment policy which is required by to the provisions of the New Hampshire Revised Statutes Annotated (RSA 41:29). We recommend that the Board of Selectmen adopt, and annually review, an investment policy, as required by this statute. The Local Government Center has published a basic financial policies handbook with guidelines therein.

#### ***Code of Ethics***

We also noted that the Board of Selectmen has not established a universal code of ethics, including conflict of interest provisions, for all officials and employees of the Town. We recommend that such a document be adopted. The handbook from the Local Government Center mentioned above also provides guidance in this area.

## I-9 Forms

The Immigration Reform and Control Act of 1986 states that no individual may begin employment after November 5, 1986 unless an I-9 form (Employment Eligibility Verification) is completed and retained on file by the employer. The employer is responsible for ensuring that the I-9 form is completed and properly approved.

Our walkthrough of internal controls covering payroll revealed that in one instance a secretary signed her own I-9 form, instead of a supervisor as required. Also, it was noted that the Fire Department keeps I-9 forms for their employees at their stations instead of with the main personnel records at the Town Hall.

We recommend that all employees' I-9 forms be signed by either a supervisor or payroll official and that all I-9 forms be kept with the main personnel files at the Town Hall.

This communication is intended solely for the information and use of management, the board of selectmen, others within the organization, and state and federal agencies, and is not intended to be and should not be used by anyone other than these specified parties.

## TOWN CLERK - 2008 TOWN REPORT

ITEM	NUMBER ISSUED	CHANGE FROM 2007	REVENUE
Motor Vehicle Registrations	4,324	460	643,640.50
Dog Licenses	898	111	6,285.00
Marriage Licenses	21	4	900
Certified Copies	33	1	364
Filing Fees	10	6	11
Returned Check Fees	10	-9	250
			651,450.50

The Town Clerk's Office changed their hours in October 2007. We now only have one night that our office is open and that is Thursday. Our new hours are Monday 8:00AM - 1:00PM, Tuesday 8:00AM - 1:00PM, Wednesday 8:00AM - 2:30PM and Thursday 8:00AM - 1:00PM and 3:00PM - 8:00PM.

Mail in registrations began in May 2008. Though slow at first, it has now really caught on.

The State of New Hampshire implemented a new registration system in September 2008 so we have a new look in our registrations.

All Dogs must be licenses by April 30th 2009 to avoid fines.

Doreen Moore  
Town Clerk

Chris Tracy  
Deputy Town Clerk

Elaine Kindler - 2009	on this date:
Peter Meigs - 2010	
Print and sign	

## 2008 TRUSTEES OF THE TRUST FUNDS ANNUAL REPORT

During the year of 2008, the Trustee of the Trust Funds had the following key activities in the town's capital reserves:

### Capital Reserve Funds Withdrawals

- Timberlane Regional School District Building Fund in the amount of \$144,000. (WA-2008-4)
- Municipal Mosquito Control Expendable Trust Fund in the amount of \$1,100.00 to pay for services rendered during the year. (WA-2008-20)

### Capital Reserve Funds Additions

- Timberlane Regional School District Building Fund in the amount of \$100,000.00. (WA-2008-3)
- Municipal Mosquito Control Expendable Trust Fund in the amount of \$5,500.00. (WA-2008-20)
- Fire Department Protection Equipment in the amount of \$8,000.00 received by the trustees on January 5, 2009.\* (WA-2008-17)
- Highway Sand/Salt Storage Building in the amount of \$40,000.00 received by the trustees on January 5, 2009.\* (WA-2008-11)
- Long Pond Rd. Capital Reserve in the amount of \$10,000.00 received by the trustees in January 5, 2009.\* (WA-2008-10)
- Please note that these checks were dated December 15, 2008. Per a telephone meeting with the attorney general's office, as long as these checks were cut and sent to the trustees within the year 2008 it is acceptable that circumstances arise where the trustees deposit the contributions within the month of January the following year.

Danville's investments remain in the New Hampshire Public Deposit Investment Pool. For more information about this organization please visit [www.mbia.com](http://www.mbia.com).

For a complete list of all 2008 funds and fund activities along with the 2008-year ending balances, please see the 2008 Investment Summary Report located in the Danville Town Report.

Respectfully Submitted,

Julie Ann DiCarlo, Trustee/Bookkeeper  
Peter Meigs, Trustee  
Elaine Kindler, Trustee

## **2008 POLICE DEPARTMENT ANNUAL REPORT**

The Danville Police Department, with an authorized sworn staff of 12 positions, provides a complete range of public safety and community based services. These include emergency response, criminal investigations, motor vehicle enforcement, animal control, juvenile services, and a wide array of community focused crime prevention programs.

Our calls for service last year were up approximately 6% and involved some very intense situations. In June, the police department was involved with authorities from the NH Attorney General's Office and State Police Major Crime Unit; investigating the town's first homicide in more than 40 years. The multi-jurisdictional investigation lasted several days before the suspect was located and arrested in Vermont. The trial is currently scheduled for February 2010. The police department also made 16 felony level arrests last year compared to only 3 the previous year. Most of the arrests involved burglaries or controlled drug crimes. An influx of Heroin to the region has concerned us greatly; and has had an obvious impact on the increase of burglaries in town. Many of the items being stolen include gold jewelry and other gems, which are often then sold to area pawnshops. Although most of the pawnshops cooperate with law enforcement, we do not receive all notifications of pawn transactions. It is extremely important to report any suspicious activity, and to record and secure your valuables whenever possible. By and large we do live in a very safe community with caring and concerned residents, however for the reasons stated, we are obviously not exempt from hostile influences.

Below is a partial summary of our calls for service:

<b>CATEGORY (Partial Listing)</b>	<b>2008</b>
911 HANG-UP	33
ACCIDENT (Motor Vehicle)	37
ACO VIOLATION (per State RSA's)	145
ASSAULTS	18
AIDED MOTORIST	31
AIDED PERSON	71
ALARM	48
ALCOHOLISM - PROTECTIVE CUSTODY	52
ANIMAL INVOLVED INCIDENTS/INVESTIGATIONS	128
ARRESTS	156
ASSIST OTHER AGENCIES (MUTUAL AID)	83
BURGLARY/ATTEMPTED BURGLARY	10
CIVIL STANDBY	10
CRIMINAL MISCHIEF (VANDALISM)	62
CRIMINAL THREATENING	8
CRIMINAL TRESPASS	9
DISOBEYING AN OFFICER	4
DISORDERLY CONDUCT	4
DOMESTIC DISTURBANCE	41
DRIVING AFTER REVOCATION OR SUSPENSION	7
DRIVING WHILE INTOXICATED	8
DRUG INVESTIGATIONS	6
FACILITATING AN UNDERAGE DRINKING PARTY	6
HARASSMENT	26

**Carlie**

SUSPICIOUS ACTIVITY	53
SUSPICIOUS MOTOR VEHICLE	45
SUSPICIOUS PERSON	16
THEFT	42
VIN VERIFICATION	20
WELL BEING CHECK	27

I'm sure none of us will too soon forget the ice storm in December that caused power outages throughout town, which lasted several days. The event certainly tested everyone's perseverance and although it created a lot of heartache, there was a tremendous amount of community involvement and kindred spirit displayed. We observed fathers and sons with chainsaws removing fallen trees and limbs to help carve a path for emergency workers and public utility crews. There were other residents who prepared food and provided other offerings for residents less fortunate than themselves who were forced to take shelter at the Town Hall and Fire Association Hall. Some folks just offered a smile or words of encouragement, which strangely seemed to provide all the warmth needed on those long cold days. It was another reason why we should all be proud to call Danville, "Home".

As I celebrate my 25<sup>th</sup> year of service with the police department, I would like to once again convey my heartfelt gratitude for all the public support expressed to not only myself, but to the entire department. Without your encouragement and blessings, we would not have been able to meet our objectives. To my entire staff, I simply could not ask for a better team.

As always, my best wishes to all of you for a safe and happy 2009.

Wade H. Parsons  
Chief of Police

## 2008 DANVILLE FIRE DEPARTMENT ANNUAL REPORT

The Danville Fire Department had another busy year responding to 398 calls including the 36 calls for service & assistance during the December Ice Storm. The Danville Fire Department, Police Department, Emergency Management, Highway Department, Town Welfare Officer and other Town employees showed tremendous dedication and professionalism coping with the numerous calls. The Danville Fire Association building was utilized for an Emergency Shelter to house our townspeople during the time when the town was without electricity.

The fluctuation of fuel prices has caused many residents to install alternative heating devices. Please be aware that it is vital to install these units correctly and that permits are required for these installations. Permits are available at Town Hall during normal business hours.

Part-Time FF/EMTs still man the station Monday through Friday, 8:00 to 4:00, with staggered shifts to cover the Town's needs while most of our call force is at work. Our proposed 2009 budget requests Ten (10) additional hours of P/T hours. This will decrease the amount of hours that we only have a single FF/EMT on duty.

Visible house numbering continues to be a problem. Please install reflective numbers on your home and mailbox by the street. Time is of the essence during an emergency situation.

Seasonal Burn Permits are required for all outside burning and they are available during duty hours, Monday through Friday, 8:00 to 4:00. Once you receive your permit, you may burn outside after making a call to the station stating your intention to burn. You will also be notified if the conditions are safe enough to have an outside fire.

Lt. James Seaver resigned from the Danville Fire Department in March. Jimmy started with the Department in 1993. Jim started as a Firefighter and worked his way up to Lieutenant and Forest Fire Warden. Jim will be sorely missed and has left a void that will be hard to fill.

Our dedicated members work and train very hard every year to maintain a very professional Fire Department. They are always at the ready to help the citizens and guests of the Town of Danville. I would personally like to thank every one of them publicly for their dedicated service.

In closing I would ask the voters to support the Town Budget and related Warrant Articles. "Help us – Help you." Have a safe and healthy 2009.

Respectfully submitted  
Steven J. Woitkun, Chief

Propane Emergencies	3		

## **2008 ANIMAL CONTROL DEPARTMENT ANNUAL REPORT**

In 2008, the Animal Control Department responded to, and resolved, more than 400 calls and complaints. These involved everything from lost dogs/cats, abandoned animals, injured animals, loose horses and chickens and two animal cruelty cases. In addition to responding to calls and complaints, the Animal Control Officer (ACO) also had several other accomplishments during 2008.

Our aggressive campaign through various advertising media to license every dog in Danville has once again proven to be a success for the Town. As a result more than 900 dogs were licensed. This licensing effort raised \$ 6,284.50 in revenues. Licensing is required by state law and also enables the ACO to be more efficient in returning lost dogs to their owners promptly. Revenues generated from licensing and other related fines/fees are:

1. Dog Licensing	\$ 6,284.50
2. Lack of License fines	\$ 2,075.00
3. <u>Other fines</u>	<u>\$ 375.00</u>
4. Total	\$ 8,734.50

On April 12<sup>th</sup>, the ACO held a region-wide rabies clinic in Danville, where 50 animals were vaccinated and/or micro-chipped. Another rabies clinic will be held in the Spring of 2009. The ACO continues to assist residents getting their pets spayed/neutered through a low-cost spay/neuter program through the State. This program is currently available for pet owners whether or not they receive public financial assistance.

A wildlife demonstration for all Danville Elementary School students was made possible through donations from the Danville Rainbow Association (Rescuing Animals In Need By Offering Welfare) and the Danville Conservation Commission. This educational outreach program, called "Wind over Wings," featured a Red Tailed Hawk, a Rough-legged Hawk and a Red-shouldered Hawk. "Noah", a Bald Eagle, also returned for the visit. The purpose of this program is to provide children with a personal connection with wildlife that will lead to responsible stewardship of animals and the environment. Responsible stewardship leads to reduced incidents of animal cruelty.

The Department has continued to participate in Disaster training. ACO Sheila Johannesen is currently involved in two NHDART (New Hampshire Disaster Animal Response Team) teams. This involvement is accomplished on the ACO's own time and at no expense to the town. The ACO was called upon during the ice storm of December to assist in setting up a "pet friendly shelter" in the Town of Kingston. She also transported pets to the kennel and checked on pets left in their home while their owners were in a shelter for Danville residents. Pet supplies were donated from the Danville Rainbow Association as well. On October 6, 2006, President Bush signed into law H.R. 3858, The "Pets Evacuation and Transportation Standards Act of 2006," which amends the Robert T. Stafford Disaster Relief and Emergency Assistance Act to ensure that State and Local emergency preparedness operational plans address the needs of individuals with household pets and service animals following a major disaster or emergency. Since July of 2004, the ACO Sheila Johannesen has served as a representative on the New England Animal Control Academy Board and in 2008 was appointed as the Director for the Academy.

On behalf of the Animal Control Department, we thank you for your continued support.

Sheila Johannesen  
Danville Animal Control Officer Department Head

## **2008 HERITAGE COMMISSION ANNUAL REPORT**

After nearly three years of effort the Webster Stagecoach Stop and Store was successfully moved to its new and safer location at 1 Sandown Road on September 9, 2008. Ownership of the building has been transferred to the Town by the Sanborn Family Trust in memory of Marcia and Melton Sanborn. This year the Heritage Commission addressed and resolved several legal issues in connection with the move and obtained a variance from the Zoning Board of Adjustment in July of 2008 to resolve a building set back shortage. Two important studies were conducted at the request of LCHIP (Land and Community Heritage Investment Program) before the building was moved. During the summer of 2008 Sheila Charles, an archaeologist associated with Strawberry Banke in Portsmouth and Robert G. Goodby, Ph.D. of Monadnock Archaeological Consulting LLC, performed an archaeological investigation of the original site. The Heritage Commission has provided copies of Ms. Charles' report to the Colby Memorial Library and the Town Clerk so residents and visitors may review the interesting and valuable information the report contains about the building and its former location. In the fall of 2008 an architectural study was conducted by Robert Pothier, Jr. of First Period Colonial in Kingston, New Hampshire. Mr. Pothier's report contains numerous photographs and detailed sketches of the building. His report may be viewed by contacting the Heritage Commission. To date the Heritage Commission has obtained a \$15,000 funding commitment from LCHIP and has collected \$17,327 for cost reimbursements from DOT (the Department of Transportation). Resolution of legal issues delayed work at the new site by approximately a month and remaining work is needed on the dry stone foundation, as well as sill and post repairs. Expenses for the outstanding work will be submitted to DOT for reimbursement upon completion. The Heritage Commission will be exploring more grant opportunities in 2009 for additional money that can be used for repairs and improvements to the building. The Commission also anticipates that residual money from the moving project will be added to existing funds in the Heritage Fund for these purposes. Numerous volunteers contributed to the moving of this historic building. Their efforts not only helped to get the job done, but the value of their donated services has been eligible for reimbursement by the Department of Transportation. Reimbursement to the Town for the value of these donated services provided funds for other costs. The dedicated involvement of so many volunteers and the support of Danville's residents truly made this a rewarding community project.

Improvements to the second floor of the Town Hall building under the \$10,000 Moose Plate grant awarded to the Heritage Commission in 2007 were completed in the spring of 2008. A new cooling and heating unit was installed in the attic to provide heat and air conditioning for the second floor. The electrical wiring system on the second floor was upgraded to present day standards and included new wall outlets and emergency exit signage that now complies with fire and safety codes. The Town Hall was built in 1886 and added to the National Register of Historic Places in the year 2000. The second floor improvements were done in keeping with this important historic structure. Completion of this work has enabled the Town to assess and consider appropriate future uses of the second floor space.

In 2008 the Heritage Commission members also worked with the Danville Girl Scouts on several projects. The Scouts developed fun and educational web pages for children that will be linked to the Heritage Commission's section of the Town's website ([www.townofdanville.org/heritage](http://www.townofdanville.org/heritage)). The Scouts also cleaned up the Beehive Hut and erected a new sign.

The Heritage Commission meets on the second and fourth Wednesday of each month at 7:30 p.m. We invite any resident to join and continue the Commission's work regarding Danville's heritage and historical places. We are currently seeking one full member and several alternates. Applications for membership may be submitted by sending a letter of interest to the Heritage Commission.

The Town's Heritage Fund is available for those who would like to make a monetary contribution towards preserving historic town-owned structures. The Heritage Fund is dedicated to public purposes and donations to the fund are therefore tax deductible under section 170(c)(1) of the Internal Revenue Code. Arrangements for donations may be made by contacting the Heritage Commission.

**Respectfully submitted,**

Carol Baird, Chairman  
John Russo, Vice Chairman  
Barbara S. Byrne, Member

## **2008 CONSERVATION COMMISSION ANNUAL REPORT**

2008 was a busy year for the Conservation Commission. The Conservation Easement that the Commission was working on with the Audubon Society has been finalized. The document has been sent off for legal review. This success would not have been possible without the joint effort and cooperation of the Heritage Commission, Forestry Committee and Board of Selectmen. Thanks to all for your help.

We received a grant from the Estuary Project to develop a Stewardship Plan. Working with the Conservation Commission to make that plan a reality were the Forestry Committee, Heritage Commission and the Board of Selectmen. The Stewardship plan will go into effect once the Conservation Easement is signed.

The Conservation Commission and the Forestry Committee assisted Dennis Francouer, Eagle Scout, so he could start his final Eagle Scout project. Dennis built a 7 foot high, 16 foot long viewing blind so that visitors can observe the Great Blue Heron rookery without startling the herons. Thank you Dennis for all your hard work. Visitors to the Town Forest can enjoy this natural sight for years to come.

The Conservation Commission is currently working with NH DES to find a solution to the milfoil problem on Long Pond. The NH DES is planning on starting the treatment process in early spring.

The Conservation Commission will continue to actively pursue land acquisition to preserve open space and our natural resources.

The Conservation Commission is working on completing the wetlands inventory in order to start the prime wetlands designation process.

The Commission meets the first and third Thursday of every month at 7:30 in the Town Hall. The public is always welcome and encouraged to attend. Volunteers are always needed.

Chris Giordano, Chairperson  
Judy Jervis, Vice Chair  
Sheila Johannesen, Member

Jason Holder, Member  
Laura Games, Alternate  
Janet Denison, Clerk

## **2008 HIGHWAY DEPARTMENT ANNUAL REPORT**

The Highway Department faced many winter challenges this past year. From consistent snow storms from January to March, then December came in with an ice storm, then 2 snow storms of approximately 30 inches within a week after. We then ended December with a snow storm on the 31<sup>st</sup>.

The second half of Long Pond Road received the binder coat and some of the drainage projects on Long Pond Road were done. The only major project on Long Pond Road is the culvert replacement over Pow wow Brook. This is a warrant article and I urge everyone to please vote for this as then when we put the final finish layer on Long Pond Road this year we will not have to dig it up to do this replacement. I have had to do a minor repair already and am not sure how long that will last. I also would like to be able to put the top coat on Long Pond Road and not worry about having to replace this culvert after that is finished. So I appreciate your assistance in this.

I also want to remind all the citizens to keep your trash barrels inside your driveway so that they do not get hit by the plow. If you place them in the roadway they will get hit. We cannot go around them when plowing the road. The trash truck can get them if they are placed just inside your driveway. Also remember that there is no parking on the street during snow storms or the day after when clean up is occurring. If they are in the way we can have them towed. Also there is a fine for plowing snow across the street. Even if you do not do it and the plow driver you have does it, you can be fined for this as the homeowner. Remember all of these help us save money as we do not have to repeatedly return to your neighborhood to clean up.

As a reminder there are two household hazardous waste drop offs each year with the spring drop off in Plaistow. This is usually held in May so please watch the newspaper or the town channel and sign at town hall for when this will take place. Danville's participation is increasing at these events and it is nice to see our town participating.

If you find or see any type of illicit discharges into stormwater please contact the Highway Department.

We want to thank everyone for the support and if you have any questions, please do not hesitate to contact the highway department at 382-0703. Thank you again.

Bruce Caillouette, Road Agent

## **2008 BUILDING INSPECTOR'S ANNUAL REPORT**

2008 was a very slow year in Danville with only 58 permits being pulled, and none for new housing. The break down is;

Additions and Alterations	12	\$ 358,900
Garages	7	94,000
Pools	12	179,522
Decks & Porches	6	40,000
Replacement Homes	3	254,000
Sheds	10	37,230
Barns	2	379,585
Other	6	43,145
	58	\$1,386,382

J.R. Pouliot, Danville Building Inspector

\*\*\*\*\*

## **2008 ASSESSOR'S ANNUAL REPORT**

For 2008 the contract-assessing firm of Brett S. Purvis & Associates continued the annual process of data verification. Properties located on Town Tax Map 3 were reviewed for accuracy. All property owners should review their property record card annually to verify that the information contained is correct.

After comparing sale prices to property assessment, it was determined that no across the board change to assessment was necessary. Although the market value of properties has decreased recently, properties are still assessed equitably among different property types.

Unless there was a physical change or an error was corrected, a properties' assessment remained at the 2007 level. Any property owner who feels their equalized assessment does not reflect the market value as of April 1, 2008 may file an abatement with the Town by March 1, 2009.

The deadline for filing for any of the exemptions or tax credits is April 15<sup>th</sup>. The Town currently offers the following tax credits or exemption: Elderly for those over 65, Veterans and the Blind.

Application for current use must be submitted by April 15<sup>th</sup>. To qualify for current use a property must have 10 acres of contiguous undeveloped land. Land enrolled in the current use program is eligible for a reduced tax assessment.

Any of the above mentioned applications may be obtained from the Town offices.

A representative of the Assessing firm is available the first Tuesday of each month to answer any questions that a taxpayer may have. If you wish to meet with the assessor call the town offices to schedule an appointment.

Rod Wood  
Brett S. Purvis & Associates

## RECREATION COMMITTEE

Senior Holiday Luncheon - Nov. 29, 2008

Danville Recreation sponsored the Senior Holiday Luncheon catered by Lindsay Rose Catering and attended by approximately 85 Danville seniors. Thank you to the Junior Girl Scouts from Troop 11141, their leaders and their parents for their help serving again this year. Thank you to Brian & Donna Hassard, Lynn Taylor, Doreen Moore, Deb Giordano & Emily Weston for helping us to serve everyone in a timely manner!

Christmas Tree Lighting – Nov. 29, 2008

Danville Recreation, together with the Danville Police Department welcomed Santa to light the town Christmas tree. Carols were sung, ornaments were hung, and everyone had fun when Santa came to town. Santa visited each child back at the Fire Hall and posed for pictures. Pizza, cookies, coffee and soda were enjoyed by all. The junior girl scouts once again helped out with the raffle prize drawings. Thank you to all who helped with this event including Paul Bilecki, the Drislanes, Lynn Taylor, Billy Armstrong, Caitlin & Emily Weston.

Senior coffee hours are held at the Danville Town Hall the third Friday morning of each month at 10:30 am. Come and enjoy homemade treats prepared by Peggy Creighton. Thanks to Lynn Taylor for helping out this year!

New volunteers are always welcome to join the Recreation Committee and help out with activities. Current and new activities can only continue with additional volunteers. Meetings are the third Thursday of each month at 6:30 pm at Town Hall.

Dawn Weston, Chairperson

On behalf of the Recreation Committee members including Judy Armstrong, Peggy Creighton, and Lori Mahoney

### **FORESTRY COMMITTEE ANNUAL REPORT 2008**

The Danville Forestry Committee will celebrate its 10<sup>th</sup> anniversary in 2009. What was once just a collection of town owned properties has evolved into a “Town Forest” that is promoted and enjoyed by the residents of Danville and surrounding towns. The Danville Town Forest is always open for visitors.

During the last year, there were numerous public walks with various themes. In January there was a “Chill Out” walk; February a “Winter Wildlife Tracks” walk; April an “Earth Day” walk; July a “Discover the Forest” walk; August an “Old Home Day” walk and November a “Wildlife Habit” walk. More events are planned for 2009.

In conjunction with the Conservation Easement for the town forest, a formal “Stewardship Plan” was developed and completed through full funding from the New Hampshire Estuaries Project with Ellen Snyder as the writer and consultant. The Forestry Committee managed this process with the assistance of the New Hampshire Audubon Society, the Danville Conservation Commission, the Danville Board of Selectmen, and the Danville Heritage Commission. The Stewardship Plan will provide future guidance for the management of a healthy and sustainable forest.

To enhance the recreational activities of the forest, there are two “Eagle Scout” projects that provide great outdoor experiences. A bird watching blind was successfully built by Scout Dennis Francouer. An orienteering course is in progress by Scout David Phillips

The Danville Forestry Committee operates without any cost to the town. The members are all dedicated volunteers who donate their time and materials for the benefit of the public.

The Forestry Committee meets on the first Wednesday each month at 7:00 at the Town Hall. Visit the Town Forest website at <http://www.townofdanville.org/forestry> . Please call Betsy Sanders at 642-5070 for more information or suggestions for events. Thank you for the success of our endeavors!

Forest Committee Members: Curt Springer (Chair and Clerk), Chris Lauria (Trails Manager), Andy Ward (Grounds Manager), and Betsy Sanders (Publicity and Outreach Manager)

## **PLANNING BOARD 2008 REPORT**

In 2008, the Danville Planning Board saw a continued reduction in the rate of residential development within the Town. The Planning Board attributes this to the overall slump in housing prices and current state of the economy. This downturn is being seen across the region and is not specific to Danville. It is unclear as to when the housing market will improve and development will once again pick up. Long-term, the Planning Board anticipates that growth will continue due to the Town's location and rural environment. A complete listing of the applications that came before the Planning Board and the status of those applications is contained at the end of this report.

The Planning Board continues to review all of the subdivision and site plan applications to make sure they meet state and local regulations and to help maintain the rural character of Danville. The Planning Board reviews each of the applications at our regularly scheduled meetings, has all plans reviewed by both the Conservation Commission and Town Engineer, and then conducts an on-site examination of the proposed development site. The Planning Board also calls on the expertise of the Road Agent, Heritage Commission, Board of Selectmen, Fire Department, and Police Department, as required, to perform an appropriate review.

At the 2008 Town Meeting, voters approved all of the Zoning changes recommended by the Planning Board. The most notable zoning change was the creation of a Village District along the southern portion of Main Street. This District allows for mixed commercial and residential use. While Danville has seen very little commercial development to date, it is important to have the appropriate ordinance in place before development begins in order to avoid having to react to development after the fact.

The Planning Board has placed additional Warrant Articles on the ballot for the 2009 Town Meeting, most notably, two dealing with commercial vehicles. We ask for your support of these Warrant Articles.

During 2008, the Planning Board also updated the Town's Subdivision and Site Plan regulations. Periodic updates of the Town's ordinances and regulations are necessary to ensure that we stay current with State law and with the type of development being experienced in the region.

The Planning Board has been encouraged by the large amount of interest in planning issues shown by the residents of Danville. Our hearings have been well attended with a wide diversity of thoughts expressed. In addition, many of the Town's residents watch our meetings on Danville's cable channel 20. This type of participation helps ensure that development in Danville is managed appropriately. The Planning Board meets on the second and fourth Thursdays of the month at 7:30PM in the Town Hall. We invite you to join us at these meetings and invite you to get involved with the activities of the Board.

In addition to the positions up for election in April, the Planning Board currently has two open positions for alternates. These alternate positions provide an excellent opportunity to learn about the activities of the Board and the Town regulations/ordinances. If you're interested in one of the alternate positions, please contact the Planning Board Chairman.

### Specific Applications Reviewed by the Planning Board in 2008

**Map 3-161.** Preliminary consultation regarding use of commercial property. No action taken.

**Map 1-126.** Stage 3 Subdivision review for property owned by the Kindler Family Trust, 139 Kingston Road. This is a two lot subdivision. Conditional Approval granted February 14, 2008.

**Maps 4-94 and 4-94-11.** Minor lot line adjustment for land owned by Russell J. Post, 203 Kingston Road and 205 Kingston Road. Conditional Approval granted February 14, 2008. Final Approval granted February 28, 2008.

**Maps 4-178 and 4-180.** Minor lot line adjustment for land owned by the Ward Family Revocable Trust of 2006, Kingston Road and Huntington Hill Road. Approval granted on June 12, 2008.

**Map 3-33-6.** Preliminary discussion with Gary Borak on April 24, 2008 regarding property at 62 Candy Lane. No action taken.

**Map 4-12-1.** Preliminary discussion with Duane and Pam Skofield on October 9, 2008 regarding property at 1 Billy's Way. No action taken.

**Maps 1-45 and 1-51.** Multiple requests by Lewis Builders Development and Hoyt Real Estate Trust for extension of their Conditional Approval granted on April 27, 2006 for property at the northern end of Caleb Drive. Extension granted until March 12, 2009 on December 11, 2008.

### **2008 CEMETERY ANNUAL REPORT**

The Cemetery Trustees have proceeded with getting a lot of work done at the cemeteries. We have received the first drafts of all of the Cemetery Maps from the Mapping Company and are working with checking the information and reviewing the maps to make sure they correspond with all our other information. The Trustees spent many hours checking the draft for the Old Meeting House Cemetery and have received the second draft for review and work.

The Trustees have reviewed the area at Center Cemetery and are planning on trying to get some areas available within the next year for burials there. We will have to do some work in the area and may be limited to cremation lots in a lot of the area.

The Trustees also reviewed 2 lots owned by the Town for future expansion and are going to be discussing with the Selectmen how to go about designating these lots for cemetery use.

We had stonewalls at the Center Cemetery straightened and next year are planning on starting a new wall at the Center Cemetery expansion.

We all try to work to make Danville's cemeteries neat and clean and upstanding for our Town and we hope that you see that also. If you have any questions, please do not hesitate to contact any one of the Trustees. Thank you.

Leon Buzzell, Beth Caillouette and Constance Metcalf

## **COLBY MEMORIAL LIBRARY REPORT 2008**

We had a busy year. We registered 165 new patrons. There have been 14,732 patron visits which is a 13% increase over last year and a circulation of 36,762 items which is a 10.4% increase over last year. We added 2166 books, 11 audio tapes, 53 CDs, 161 DVDs, and 47 videos. We own 655 large print books. The circulation on the large print books is 1527. Please visit the library to check out our numerous items. We offer family passes for the Boston Museum of Science. We also offer a new program called N.H. Downloadable Audio books. Audio books can be downloaded to a computer and then to an Mp3 player and some can be burned on a CD. 97 people downloaded 315 audios. We have 8 public access computers, all have Internet access. There is a database available to the public at the library and it can be accessed from home PCs via Internet. It is called NHewLink. It provides access to 2,300 periodicals, 1500 of which are full-text. In addition there are 5 national newspapers, and a good general reference database. The State of New Hampshire funds the database. Please come to the library to get your password. We also have "Learn-a Test" which is a database of practice tests for SAT, GED, ACT, Civil Services exams, etc. We also have Britannica Encyclopedia on-line as well.

This years programs included a Russian art program, a coffee program, tax lecture, and an adult reading program.

"G'Day for Reading" was the slogan for our summer reading program. 130 children participated in this program. In August we held our annual picnic and children who had participated received certificates and a free book.

Our book discussion group meets on the first Thursday of the month at 7PM. All are welcome to join.

We are licensed to show movies at the library. We show senior movies on the first Wednesday of the month at 11AM. Children's movies are shown on the last Saturday of the month at 10:30AM.

The 62 second graders visited us in October as part of a program designed to bring children into the town buildings so they can see what we do. .

We wish to thank the Friends of the Colby Library who have raised money to provide additional programs. Thanks to all who donated books, videos, magazines, and audios.

Library hours were Monday and Tuesday 12-8 PM, Wednesday and Thursday 10AM-6PM and Saturday 10AM-1 PM. Preschool Storytimes are held on Thursday at 10 AM and 1 PM.

Dottie Billbrough, Director

Elizabeth Cameron, Barbara Chalmers, David Knight, Trustees.

## **2008 ZONING BOARD OF ADJUSTMENT ANNUAL REPORT**

The Zoning Board of Adjustment is empowered by RSA 674:33 to hear and decide appeals for variances from the terms of the Zoning Ordinance, appeals for special exceptions where provided by the Zoning Ordinance, appeals of certain administrative decisions, and appeals for equitable waiver of dimensional requirements.

During 2008, the Board heard four cases, all for variances. For one of these, it was determined that the building had been constructed prior to the ordinance in question and, thus, the building permit denial was withdrawn, making the appeal moot. The other three appeals were from setback requirements, and all three were granted.

The last of these involved an interesting appeal brought by the Danville Heritage Commission to locate the Webster Stage Coach Stop and Store on town-owned land where required setbacks could not be met. There was some controversy within the Board as to whether an appeal by a town commission can be heard by the Board. The Board decided that, if an appeal is brought to us, we must hear it even though it can be argued that the Town does not need to obtain a variance in such a case. We did hear the appeal and granted the variance.

The Board meets on Tuesday evenings as needed with hearing notices posted at the Town Hall, the Post Office, and listed in the Carriage Towne News. All abutters to the property affected by the application receive a certified letter of notification of the hearing.

Those seeking a hearing by the Board should contact the Clerk who will assist them in filling out the application and abutters list. All appeals require a public hearing. The requirements for the public hearing are outlined in RSA 676:7.

John Howland, Chairman	Chris Stafford, Vice Chairman	Roger Denison, Alternate
Tara Burkhart	John Russo	Jason Holder, Alternate
Curt Springer	Robert Moore, Alternate	Janet Denison, Clerk

\*\*\*\*\*

## **CABLE COMMITTEE 2008 REPORT**

During 2008, Danville's Cable Channel 20 continued to provide the residents of Danville with access to almost all of the Town committee meetings. Virtually all Board of Selectmen meetings, Heritage Committee meetings, Conservation Committee meetings, Planning Board meetings, Forestry Committee meetings and Budget Committee meetings were televised. In addition, these meetings were rebroadcast several times throughout the week providing additional viewing opportunities. Also, the 2008 Town Meeting Deliberative Session was broadcast live and local church services have been broadcast each Sunday morning. When meetings are not being shown, Danville's Channel 20 broadcasts the Town's electronic bulletin board that provides information about upcoming Town and community events.

During the year, upgrades to the system were made to provide a clearer signal. However, there is still more to do in this area and the Cable TV Committee continues to work with our provider, Comcast, to improve signal quality.

It is important to note that the Town's Cable TV System operates with no impact to the Town's Tax Rate. The funds are provided by Comcast based on fees returned to the Town in accordance with our franchise agreement. A Warrant Article allowing the Town to accept and utilize these funds was approved by the voters in 2005, 2006, 2007 and 2008 and a similar Warrant Article will appear on the ballot in 2009.

We hope you enjoy watching Danville's Cable TV channel and hope that you find it useful and informative. We would appreciate any suggestions that you might have.

Barry Hantman, Cable Coordinator  
Colleen Denison, Camera Operator

## **CART REPORT 2008**

The Cooperative Alliance for Regional Transportation (CART), a regional public transportation agency established by the legislature in 2005, provides demand-response curb to curb transportation and operates in eight communities within the Greater Derry-Salem area of Rockingham County. The CART region includes the towns of Chester, Derry, Danville, Hampstead, Londonderry, Salem, Sandown and Windham.

Anyone can use CART and, for a base fare of \$2.00 per one-way trip, can travel anywhere in the eight community service area and additionally to Plaistow any weekday and to seven (7) out of region medical facilities on certain days of the week:

Tuesdays & Thursdays to Manchester - Elliot Hospital, Dartmouth-Hitchcock and Catholic Medical Center  
 Mondays to Haverhill - Pawtucket Medical Center and Merrimack Valley Hospital  
 Fridays - Holy Family Hospital (Methuen, MA) and Lawrence General (Lawrence, MA),.

CART's hours of operation run Monday through Friday 8:00 a.m. to 5:00 p.m. and passengers are asked to schedule their trip at least 24 hours in advance by contacting the CART call center at 603-434-3569. CART does not provide weekend or holiday service.

Service for Danville residents experienced a 94% increase in ridership with 522 trips being provided to Danville residents by CART Transit.

Danville passenger growth also increased 38% with the year beginning at 13 Danville passengers in the customer data base and finishing the year with 18 Danville passengers. Although trip purposes vary from town to town the predominant uses for CART by the general population that it serves it serves is for medical, social and employment purposes. The following chart depicts transportation purpose by Danville residents.

Respectfully submitted, Lee Mahoney, Ex. Dir.

**STATE OF NEW HAMPSHIRE  
TOWN OF DANVILLE  
2009 Town Meeting Warrant**

To the inhabitants of the Town of Danville in the County of Rockingham in said State, qualified to vote in Town affairs:

***First Session of Annual Meeting (Deliberative)***

You are hereby notified to meet at the Fire Association Hall in Danville, New Hampshire on Saturday, the seventh day of February 2009, at ten o'clock in the forenoon to deliberate upon the articles included in the warrant. This session shall consist of explanation, discussion, and debate of warrant articles 6 through 24. Warrant articles may be amended subject to the following limitations: (a) warrant articles whose wording is prescribed by law shall not be amended and (b) warrant articles that are amended shall be placed on the official ballot for a final vote on the main motion as amended.

***Second Session of Annual Meeting (Voting)***

You are hereby also notified to meet on Tuesday, the tenth day of March 2009, at 8:00 o'clock in the morning at the Fire Association Hall, Danville, New Hampshire to vote by official ballot on the election of town officials and on all warrant articles. By vote of the Selectmen, the polls for the meeting will remain open from 8:00 o'clock in the morning until 7:00 o'clock in the evening.

***Article 2009-1 Choose all necessary Town Officers for the year ensuing. (March 10<sup>th</sup> only)***

***Article 2009-2 Choose all School District Officers for the year ensuing. (March 10<sup>th</sup> only)***

***Article 2009-3 Are you in favor of MODIFYING ARTICLE IV.A.2. of the Danville Zoning Ordinance to clarify the use of commercial vehicles in conjunction with a Customary Home Occupation as follows.***

**IV.A. 2. Customary Home Occupations**

- a. Customary home occupations are allowed in the Residential/Agricultural areas of Town by the granting of a Special Exception by the Zoning Board of Adjustment or, provided certain criteria are met, by approval of the Board of Selectmen.
- b. For purposes of this ordinance, "customary home occupations" describe small business activities that the homeowners might engage in that take place primarily at the homeowner's residence (or, in the case of a service tradesman, take place primarily off-site at a customer's location) and that do not alter the principal use of the premises as a residence. Customary home occupation activities include, but are not necessarily limited to: day care facilities, service tradesman, dressmaking, letting of rooms (limited to no more than two rooms or persons), professional office preparation, sale of home baked goods and sale of farm goods raised on the premises.
- c. The applicant must be a resident of the premises. If the applicant is not the owner, the applicant must present written evidence to the Board that permission has been received from the owner to run the home occupation activity.
- d. Application to the Town for approval of a customary home occupation activity may not require a Special Exception hearing if all the criteria specified below are met as determined by the Board of Selectmen. If the applicant feels that he/she meets the below criteria, the applicant must meet with the Board of Selectmen at a regularly scheduled Selectmen's meeting and fill out the Home Business Registration form.

**Criteria Not Requiring a Special Exception Hearing:**

- 1) No employees will be used other than the homeowner (or permitted resident)
- 2) No customers, vendors or distributors will come to the premises
- 3) No hazardous chemicals/materials will be used or stored on the premises
- 4) No outside storage of equipment or materials associated with the home occupation will take place
- 5) The home occupation will not generate unsightliness, noise, smells, fumes or other substances that would adversely affect the character or safety of the neighborhood
- 6) No business signage will be used

- 7) Home occupation is conducted solely in the dwelling unit or is conducted primarily off-site such as a service tradesman that provides his/her service away from the primary residence
- 8) There is not more than one (1) commercial motor vehicle (see definition) associated with the business and said vehicle has no more than two (2) axles and a gross vehicle weight of not more than fifteen thousand (15,000) pounds.

All applicants not meeting the above criteria must apply for a Special Exception to the Board of Adjustment.

e. To grant the Special Exception, the Board of Adjustment must find that:

- 1) The accessory use shall require no more than one (1) on-site employee in addition to the owner(s) of the property.
- 2) Adequate off-street parking will be provided for the employee and potential customers.
- 3) Any changes made to the residential lot as a result of this accessory use that affect the external appearance of the property, the dwelling or any accessory building, shall be in keeping with generally accepted good residential architectural practices and styles and shall conform, in general, to the surrounding neighborhood's architecture. *Amended 3/13/2001*
- 4) There will be no outside storage of equipment or materials associated with the home occupation nor will there be any hazardous chemicals used or stored on the premises.
- 5) There shall be no commercial motor vehicles (see definition) nor shall there be more than two non-commercial vehicles used in conjunction with the home occupation except that, where the business takes place primarily away from the primary residence, such as a service tradesman, the business owner may park no more than one commercial motor vehicle related to the business at his/her residence provided that:
  - a) There is adequate space for full off-street parking of the commercial motor vehicle;
  - b) The commercial motor vehicle is not parked on Town property, including streets, parks, and rights-of-way;
  - c) The commercial motor vehicle is parked at least fifty feet (50') from any abutting property line and at least seventy-five (75') from any abutting residential structure;
  - d) The commercial motor vehicle is not repaired or maintained on the premises (unless required in order to move the vehicle from the premises);
  - e) The commercial motor vehicle is not left idling for more than ten (10) minutes nor is any equipment associated with the commercial motor vehicle (e.g., refrigeration units) left on for more than ten (10) minutes while on the premises;
  - f) Horns and/or sirens on the commercial motor vehicle are used only in emergency situations;
  - g) Advertising on the commercial motor vehicle is not used to violate the intent of the Town's signage restrictions;
  - h) Generators or other outdoor equipment are not utilized in conjunction with the commercial motor vehicle;
  - i) The commercial motor vehicle will enter and exit the roadway via an approved driveway;
  - j) The commercial motor vehicle is properly registered and inspected; and
  - k) Commercial motor vehicles used for the transport of hazardous materials, as defined by ARTICLE II.E.4, are prohibited.
- 6) The home occupation will not be detrimental to the residential neighborhood due to noise, traffic, hazards or other disturbances and is in keeping with the purpose of this ordinance in promoting the health, welfare and safety of the area

residents while preserving the values and charm of the Town. *Amended*  
*3/13/2001* **RECOMMENDED BY THE PLANNING BOARD**

*Article 2009-4 Are you in favor of ADDING a new ARTICLE V.J. of the Danville Zoning Ordinance to clarify the parking of commercial vehicles in the Residential/Agricultural and Danville Village District zones.*

V.J. Commercial Motor Vehicles

- a. Parking of Commercial Motor Vehicles shall be prohibited in the Residential/Agricultural and Danville Village District zones except as specified below.
  - 1) Parking of properly registered and inspected Commercial Motor Vehicles shall be permitted in the Residential/Agricultural and Danville Village District zones if associated with an approved Customary Home Occupation under the restrictions of the Customary Home Occupation section of the Zoning Ordinance;
  - 2) Parking of properly registered and inspected Commercial Motor Vehicles shall be permitted in the Residential/Agricultural and Danville Village District on a short-term, temporary basis (under 4 hours) between the hours of 8AM and 7PM if associated with deliveries to the premises (e.g., UPS, FedEx, business deliveries);
  - 3) Parking of properly registered and inspected Commercial Motor Vehicles shall be permitted in the Residential/Agricultural and Danville Village District zones on a temporary basis by customers of a business permitted within these districts;
  - 4) Parking of properly registered and inspected Commercial Motor Vehicles shall be permitted in the Danville Village District if specifically approved during the Site Plan Approval of a business within the District in accordance with the specific details of that approval;
  - 5) Parking of properly registered and inspected Commercial Motor Vehicles shall be permitted in the Residential/Agricultural and Danville Village District if involved with ongoing, active construction or maintenance on the premises (e.g., lawn services, oil delivery, home construction, tow trucks, phone or cable company);
  - 6) Parking of Commercial Motor Vehicles shall be permitted in the Residential/Agricultural and Danville Village District by the granting of a Special Exception by the Zoning Board of Adjustment. To grant the Special Exception, the Board of Adjustment must find that:
    - a) No more than one commercial motor vehicle will be parked on the property;
    - b) There is adequate space for full off-street parking of the commercial motor vehicle;
    - c) The commercial motor vehicle is not parked on Town property, including streets, parks, and rights-of-way;
    - d) The commercial motor vehicle is parked at least fifty feet (50') from any abutting property line and at least seventy-five (75') from any abutting residential structure;
    - e) The commercial motor vehicle is not repaired or maintained on the premises (unless required in order to move the vehicle from the premises);
    - f) The commercial motor vehicle is not left idling for more than ten (10) minutes nor is any equipment associated with the commercial motor vehicle (e.g., refrigeration units) left on for more than ten (10) minutes while on the premises;
    - g) Horns and/or sirens on the commercial motor vehicle are used only in emergency situations;
    - h) Advertising on the commercial motor vehicle is not used to violate the intent of the Town's signage restrictions;
    - i) Generators or other outdoor equipment are not utilized in conjunction with the commercial motor vehicle;
    - j) The commercial motor vehicle will enter and exit the roadway via an approved driveway;

- k) The commercial motor vehicle is properly registered and inspected;
  - l) Commercial motor vehicles used for the transport of hazardous materials, as defined by ARTICLE II.E.4, are prohibited; and
  - m) The parking of the commercial motor vehicle will not be detrimental to the residential neighborhood due to noise, traffic, hazards or other disturbances and is in keeping with the purpose of this ordinance in promoting the health, welfare and safety of the area residents while preserving the values and charm of the Town.
- 7) Parking of Commercial Motor Vehicle(s) shall be permitted in the Residential/Agricultural and Danville Village District if associated with a usage in place prior to passage of this ordinance provided that the parking of commercial motor vehicle(s) on the premises existed in a legal manner prior to the passage of this ordinance.

**RECOMMENDED BY THE PLANNING BOARD**

**Article 2009-5**      *Are you in favor of ADDING a new section to ARTICLE VIII, F.4., of the Danville Zoning Ordinance, to bring the Wetlands Ordinance into compliance with State RSAs, to read:*

4. Any proposal submitted under this section shall be reviewed by the Planning Board prior to final consideration by the Selectmen. In such a case, the Planning Board shall set forth its comments on the proposal in writing and the Selectmen shall, to the extent that the Planning Board's comments are not directly incorporated into its decision, set forth its findings and decision on the Planning Board's comments.

**RECOMMENDED BY THE PLANNING BOARD**

**Article 2009-6**      ***Operating Budget***

Shall the Town of Danville raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$2,502,443? Should this article be defeated, the default budget shall be \$2,418,792, which is the same as last year, with certain adjustments required by previous action of the Town of Danville or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. NOTE: This operating budget warrant article does not include appropriations contained in ANY other warrant articles. (Majority vote required).

**Article 2009-7**      ***Rescind Cable Access Special Revenue Fund***

To see if the Town will vote to rescind the provisions of RSA 31:95-c to restrict 100% of revenues from Adelphia Cablevision Corp. d/b/a Adelphia Cable Communications to expenditures for the purpose of cable access related equipment, maintenance and operations. Such revenues and expenditures shall be accounted for in a special revenue fund to be known as the Cable Access Special Revenue Fund, separate from the general fund. Any surplus in said fund shall not be deemed part of the general fund accumulated surplus and shall be expended only after a vote by the legislative body to appropriate a specific amount from said fund for a specific purpose related to the purpose of the fund or source of revenue. The existing funds in the amount of Twenty Eight Thousand Fifty-five Dollars and Forty-eight Cents (\$28,055.48) will be deposited into the general fund unreserved fund balance. This warrant article is contingent upon the passage of Warrant Article 2009-8. (Majority vote required).

**Article 2009-8**      ***Establish Cable Access Revolving Fund***

To see if the Town will vote to establish a Revolving Fund pursuant to RSA 31:95-h, for the purpose of cable access for Public Education Government Access (PEG). All revenues received from Comcast Corporation and its successors will be deposited into the fund, and the money in the fund shall be allowed to accumulate from year to year, and shall not be considered part of the Town's general fund unreserved fund balance. The Town Treasurer shall have custody of all monies in the fund, and shall pay out the same only upon order of the governing body and no further approval is required by the legislative body to expend. Such funds may be expended only for the purpose for which the fund was created. Further, to raise and appropriate Twenty Eight Thousand Fifty-five Dollars and Forty-eight Cents (\$28,055.48) to be placed into this fund with such amount to come from the general fund unreserved fund balance. This warrant article is contingent upon the passage of Warrant Article 2009-7. (Majority vote required).

**Article 2009-9**      ***Public Educational and Government Access Budget***

To see if the Town will vote to raise and appropriate the sum of Nine Thousand Five Hundred Fifty-two Dollars (\$9,552) from the Cable Access Special Revenue Fund for Public Education Government Access (PEG), such funds to come from fees returned to the town from Comcast or its successor company, under the Franchise Agreement.

This warrant article is contingent upon the failure of either Warrant Article 2009-7 or Warrant Article 2009-8. (Majority vote required)

***Article 2009-10 Long Pond Road Culvert***

To see if the Town will vote to raise and appropriate the sum of Thirty-eight Thousand Five Hundred Dollars (\$38,500.00) for the culvert construction on Long Pond Road at Pow Wow Brook and authorize the withdrawal of Eleven Thousand Seven Hundred Dollars (\$11,700.00) from the Long Pond Road Culvert Capital Reserve Fund created for that purpose. The balance of Twenty-six Thousand Eight Hundred Dollars (\$26,800.00) is to come from general taxation. (Majority vote required).

***Article 2009-11 Addition to Long Pond Road Culvert Capital Reserve Fund***

If Warrant Article 2009-10 fails, to see if the Town will vote to raise and appropriate the sum of Ten Thousand Dollars (\$10,000.00) to be added to the Long Pond Road Culvert Capital Reserve Fund previously established. (Majority vote required).

**Recommended by Selectmen  
Recommended by Budget Committee**

***Article 2009-12 Highway Sand/Salt Storage Building Capital Reserve Fund***

To see if the Town will vote to raise and appropriate the sum of Twenty Thousand Dollars (\$20,000.00) to be placed in the Highway Sand/Salt Storage Building Capital Reserve Fund previously established to build a Highway Sand/Salt Storage Building to fulfill a future EPA requirement for stormwater management. (Majority vote required).

**Recommended by Selectmen  
Recommended by Budget Committee**

***Article 2009-13 Discontinue Capital Reserve Funds***

To see if the Town will vote to discontinue the following Capital Reserve Funds with said funds with accumulated interest to date of withdrawal, to be transferred to the municipality's general fund. (Majority vote required).

Pine Street CRF – Established June 1997 – Balance as of 12/31/2008 \$690.43

Pleasant Street CRF – Established July 2, 2001 – Balance as of 12/31/2008 \$444.94

***Article 2009-14 Discontinue Long Pond Road Culvert Capital Reserve Fund***

If warrant article 2009-10 passes, to see if the Town will vote to discontinue the Long Pond Road Culvert Capital Reserve Fund with said funds and accumulated interest to date of withdrawal to be transferred to the Town's general fund. (Majority vote required).

***Article 2009-15 Cemetery Capital Reserve Fund***

To see if the Town will vote to raise and appropriate the sum of Ten Thousand Dollars (\$10,000.00) to be placed in the Cemetery Capital Reserve Fund previously established for future cemetery expansion. (Majority vote required).

**Recommended by Selectmen  
Recommended by Budget Committee**

***Article 2009-16 Police Special Details Revolving Fund***

To see if the Town will vote to establish a revolving fund pursuant to RSA 31:95-h, for the purpose of police special details. All special detail wage related expenses, including wages, FICA, Medicare and NH Retirement shall be paid from the fund; capital equipment purchases for the police department, upon approval by the Board of Selectmen, shall be paid from this fund. All revenues received for police special details will be deposited into the fund and all the money in the fund shall be allowed to accumulate from year to year and shall not be considered part of the Town's general fund unreserved balance. The Town Treasurer shall have the custody of all monies in the fund, and shall pay out the same only upon order of the Board of Selectmen and no further approval is required by the legislative body to expend. Such funds may be expended only for the purpose for which the fund was established. (Majority vote required).

***Article 2009-17 Police Department Speed Enforcement***

To see if the Town will vote to raise and appropriate the sum of Three Thousand Eight Hundred Dollars (\$3,800) for the purpose of paying overtime for speed enforcement patrols. This article is contingent upon 100 percent federal funding through the New Hampshire Department of Safety. (Majority vote required).

***Article 2009-18 Protection of Personnel Equipment Capital Reserve Fund***

To see if the Town will raise and appropriate the sum of Eight Thousand Dollars (\$8,000.00) to be added to the Protection of Personnel Equipment Capital Reserve Fund previously established. (Majority vote required).

**Recommended by Selectmen  
Recommended by Budget Committee**

***Article 2009-19 Fire Department Vehicle Capital Reserve Fund***

To see if the Town will raise and appropriate the sum of Fifty Thousand Dollars (\$50,000.00) to be added to the Fire Department Vehicle Capital Reserve Fund previously established. (Majority vote required).

**Recommended by Selectmen  
Recommended by Budget Committee**

***Article 2009-20 Sale of the Fire Department's 1978 Dodge Pick-up Truck***

To see if the Town will vote to appropriate the Five Hundred Dollars (\$500) expected to be received by the sale of the 1978 Dodge Pick-up to the Fire Department Vehicle Capital Reserve Fund previously established. (Majority vote required).

***Article 2009-21 Sale of the Fire Department's Water Tank from Tanker #5***

To see if the Town will vote to appropriate the amount the Fifteen Thousand Dollars (\$15,000) expected to be received by the sale of the tank on the State of NH owned tanker (Tank 5) to the Fire Department Capital Reserve Fund previously established. (Majority vote required).

***Article 2009-22 Municipal Mosquito Control Expendable Trust Fund***

To see if the Town will vote to raise and appropriate the sum of One Thousand One Hundred Dollars (\$1,100.00) to be added to the Municipal Mosquito Control Expendable Trust Fund established for the purpose of management and spraying for mosquito control. (Majority vote required).

**Recommended by Selectmen  
Recommended by Budget Committee**

***Article 2009-23 Colby Memorial Library Expend Interest***

To see if the Town will vote to raise and appropriate the sum of One Thousand Three Hundred Thirty Three Dollars (\$1,333.00) to purchase library shelving and authorize the use of that amount from the interest income earned from the library's TD Banknorth checking account and the checking account portion of the NHPDIP (New Hampshire Public Deposit Investment Pool) account. (Majority vote required).

***Article 2009-24 Acquisition or Sale of Land, Buildings or Both***

To see if the town will vote to adopt RSA 41:14-a to allow the Board of Selectmen to acquire or sell land, buildings, or both, provided however, they shall first submit any such proposed acquisition or sale to the Planning Board and to the Conservation Commission for review and recommendation by those bodies. This authorization shall remain in effect until specifically rescinded by the Town at any duly warned meeting. (Majority vote required)

# PRESERVING A TREASURE FROM THE PAST

The Webster Stagecoach Stop and Store was operated on Main Street across from Sandown Road by Nathaniel Webster during the 1800's. Mr. Webster's homestead at 2 Sandown Road was across the street from the store. Mr. Webster was appointed the first official postmaster and served in that position from 1825 to 1836. During his term the Town was known as Hawke. The name was changed to Danville in 1836 during the last year of his postmaster term. Nathaniel Webster was a cousin of Daniel Webster, a New Hampshire native, a practicing lawyer in Portsmouth, a United States Senator, and Secretary of State. Daniel Webster is known as one of the greatest orators of his time. At the time of Nathaniel Webster's appointment as our first postmaster, Daniel Webster was serving in the U.S. Congress for Boston, and in 1827 he was elected to the Senate from the State of Massachusetts.

Town history describes the Stagecoach Stop and Store as a layover for scheduled stagecoach routes passing through Danville and delivering mail. Coach passengers could buy refreshments and provisions while the horses were being rested, watered and fed in an adjoining stable. Today the building continues to provide us with a snapshot of the site of the first recorded postal activity in town, as well as a facet of early public transportation in a by-gone era. The building is the only documented example of a rural stagecoach stop in the state. The stagecoach stop's unusual history illustrates the importance of stagecoach routes in the 19<sup>th</sup> century, not only for travel, but for commerce and mail delivery as well. The building was listed on the New Hampshire State Register of Historic Places on April 26, 2006 with acknowledgement of its historic significance to the Town in connection with the first postmaster and a stagecoach route; the building itself and the familial connection of Nathaniel Webster to Daniel Webster.

The building was donated to the Town of Danville by the Sanborn Family Trust as a gift in memory of their parents, Marcia and Melton Sanborn, prior owners of the building and long time residents of Danville. Through the efforts of the Heritage Commission, with the help of community donations and grants, the building was moved at no cost to the Town to its new and safer location at 1 Sandown Road. In September 2008 the Town of Danville accepted ownership of the historic Webster Stagecoach Stop and Store where it will now provide enjoyment to the public and a window into an era from Danville's past.

## **2008 WEBSITE COMMITTEE**

This year we switched to a new calendar system for the town web site.

As always we thank town officials and staff for forwarding information to us on a timely basis to post on the web site.

Please visit your town web site at <http://www.townofdanville.org> , and send any comments or questions to [webmaster@townofdanville.org](mailto:webmaster@townofdanville.org) .
