For the Fiscal Year Ending December 31, 2016

# Wally Fries

As remembered by Barry Hantman

Walter Fries, "Wally", was a man of character. In any situation, you could always count on him to do the right thing. Honesty & integrity were important to him and it showed in everything that he did. His love of Danville was unquestionable. He had great pride in the Town and served it for many years.

I first met Wally on Election Day years ago while we was serving as Town Moderator. I was impressed by the way he greeted everyone with a smile, said hello, welcomed new people, and always had a cookie for the

with a smile, said hello, welcomed new people, and always had a cookie for the youngsters. At Town Meeting, Wally made sure he was fair to everyone, whether or not he agreed with them. He was a friend to all.

I soon learned that he and I worked for the same company and that furthered the communication between us. As I got to know Wally better, I was impressed even more by his breadth of knowledge. Wally knew many things about almost everything. And, if he didn't know something, he made a point to learn it. But he also made an effort to educate others and explain things to them in layman's terms. He started every Town Meeting with a history lesson and explained the tradition of Town Meeting and how important it was. He explained our rights and responsibilities and why New Hampshire was a unique place to live. He ran fair meetings, giving preference to no one and respect to all.

Several years ago, Wally asked me to be the Assistant Moderator and stand in for him at one of our Town elections. I took it as a high honor that he had asked me. But filling in for Wally was no easy task. He made sure I was properly trained for the role. The State's election training wasn't enough. I needed to go through Wally's training. He drilled me on every aspect of the elections. I did more studying to pass Wally's testing than I ever did in college. He wanted to be sure that I was ready.

Later, when Wally decided to step down as moderator, he recommended that I run for the position (actually, he pushed me into it). Again, I took that as a high honor. I hope that my efforts as moderator live up to those of my friend and mentor, Wally Fries. I have the highest respect for Wally and I miss him.

## Earl Sweet

#### As remembered by Bob Kent

Earl D. Sweet was born in Hillsborough, New Hampshire on August 30, 1945. While some may say he wasn't a true native of Danville, he got here as soon as he could. His family moved here when he was ten, and for the next 60 years, he would never call another place home.

Earl attended the Sanborn Seminary, and served in the Army during the Vietnam War from 1966 to 1972. Any handcraft that required patience and skill, Earl would master. He was an accomplished mechanic, welder, fabricator, and woodworker and believed in doing things right the first time. He loved hunting and airplanes. He and his wife were expert pilots and they enjoyed flying many trips across the country. He belonged to the Raymond Sportsmen's Club, the Airplane Owners and Pilots Association, and the Danville Post of the American Legion.

As owner and operator of Earl's Car and Truck Repair and Sales, he was able to meet and make a positive difference in the lives of many in town and the surrounding communities. He was known for a quick and broad smile, keen wit and sense of humor, as well as being generous and loving to his friends and family. He was affectionately referred to as "No Sweat Sweet" and "Earl the Pearl."

He and his wife of 49 years raised five children together. He loved Danville and served on the Budget Committee for a number of years as well as on the Board of Selectmen for 18 years from 1971 to 1998. During his tenure he was able to facilitate the construction of the Safety Complex, moving the library into its own building on Colby Road, and the development of the planning and subdivision rules that have protected the town for the past 20 years. He was also a founding member of the Recreation Committee, underlying his commitment to family and the younger Danville residents.

His was a life well-lived. He was a true gentleman. He was an outstanding father, husband, and friend. The town is in need of such citizens as Earl; he will be missed by all.

#### ··· Message from the Board of Selectmen •···

Danville residents mourn the loss of Wally Fries and Earl Sweet, two long time Danville residents who both had a huge impact on our town. Wally Fries was the town's moderator for many years and served the town in many capacities. Earl Sweet was instrumental in forming the Recreation Committee and served on many boards and committees. The town will be forever grateful to their dedication and commitment to serving our town.

We are proud of the accomplishments of two of our very own Danville residents in achieving the rank of Eagle Scout. Nathan Landry, who was sponsored by the Recreation Committee, built a stage at Goldthwaite Field along with a generator for power. We look forward to enjoying concerts and bands performing there. Caleb Cretian, sponsored by the Heritage Commission, developed a trail in the town forest, with crossings and markings. This will be a great trail for all of Danville to use and enjoy. Congratulations to both Eagle Scouts!

The town hall has seen many new upgrades including updated fire and security service in the town hall. The inside of the hall was painted and organized. We hired a cleaning crew and the town hall has never looked better!

The town has seen many more events planned and organized by our dedicated committee members. The Recreation Committee continues to expand events for all ages. The Heritage Commission held a wonderful educational cemetery walk provided by a grant that was received by the Commission. They teamed up with Recreation to provide a spooky walk along Tuckertown Road. These events are being planned with little to no impact on the tax payers. We thank all our committee members and look forward to many new events in the coming year. We encourage members of the community to attend and volunteer in these events.

The town-wide assessment took place and properties were revaluated. This reevaluation takes place every five years by law.

In August the Board of Selectmen along with Patricia Shogren, Town Administrator, updated the entire Employee Policy Manual to bring all areas up to current state, federal and Department of Labor standards. Thank you, Patricia, for your hard work in accomplishing this task.

In September the Selectmen signed the Stewardship Plan for the Old Meeting House. Many hours of work from the Heritage Commission and the Old Meeting House Committee went into making this happen.

After almost a year of work, the Parsonage Fund went successfully through Probate Court to establish a legal means to honor the intent of the 1700 era trust intent so that it would reflect Danville in the 21<sup>st</sup> century. This was accomplished with work of the AG Office, Heritage Commission, Old Meeting House Committee, and a lot of open discussion on the topic.

We wish all of you a safe and happy 2017.

#### INDEPENDENT AUDITORS' REPORT

102 Perimeter Road Nashua, NH 03063 (603)882-1111 melansonheath.com

To the Board of Selectmen Town of Danville, New Hampshire Additional Offices: Andover, MA Greenfield, MA Manchester, NH Ellsworth, ME

#### Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, the major fund, and the aggregate remaining fund information of the Town of Danville, New Hampshire, as of and for the year ended December 31, 2015 and the related notes to the financial statements, which collectively comprise the Town's basic financial statements as listed in the Table of Contents.

#### Management's Responsibility for the Financial Statements

The Town's management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies

used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

#### **Opinions**

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the major fund, and the aggregate remaining fund information of the Town of Danville, New Hampshire, as of December 31, 2015, and the respective changes in financial position thereof and the respective budgetary comparison for the general fund for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### Other Matters

#### Required Supplementary Information

Accounting principles generally accepted in the United States of America require that Management's Discussion and Analysis, the Schedule of Proportionate Share of Net Pension Liability, and the Schedule of Contributions be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with evidence sufficient to express an opinion or provide any assurance.

#### Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Danville, New Hampshire's basic financial statements. The accompanying schedules of Nonmajor Governmental Funds, appearing on pages 43 - 46, are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the under-

lying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

DRA has provided a reference range of fund balance retention amounts below. Please utilize these ranges in the determination of the adequacy of your municipality's unrestricted fund balance, as currently defined in GASB Statement 54. Retention amounts, as part of the municipality's stabilization fund policy [1], should be assessed dependent upon your governments own long-term forecasts and special circumstances. Please note that current best practices published by GFOA recommend, at a minimum, that "...general purpose governments, regardless of size, maintain unrestricted fund balance in their general fund of no less than two months of regular general fund operating revenues or regular general fund operating expenditures." [2],[3]

- [1] The National Advisory Council on State and Local Budgeting (NACSLB), (1998), Framework for Improved State and Local Government Budgeting: Recommended Budget Practices (4.1), pg. 17.
- [2] Government Finance Officers Association (GFOA), (2009), Best Practice: Determining the Appropriate Level of Unrestricted Fund Balance in the General Fund.
  [3] Government Finance Officers Association (GFOA), (2011), Best Practice: Replenishing General Fund Balance.

2016 Fund Balance Retention Guidelines: Danville				
Description	Amount			
Current Amount Retained (5.35%)	\$633,929			
17% Retained (Maximum Recommended)	\$2,015,206			
10% Retained	\$1,185,415			
8% Retained	\$948,332			
5% Retained (Minimum Recommended)	\$592,708			

#### 2016 RSA 198:4-b II School Fund Balance Retention Guidelines: Danville

If a school district has adopted RSA 198:4-b II by a vote of the legislative body, the school district may retain year-end unassigned general funds in an amount not to exceed, in any fiscal year, 2.5 percent of the current fiscal year's net assessment pursuant to RSA 198:5, for the purpose of having funds on hand to use as a revenue source for emergency expenditures and over-expenditures under RSA 32:11, or to be used as a revenue source to reduce the tax rate. This retained fund balance is not cumulative. The maximum allowed fund balance retention has been calculated as:

	Net Assessment	2.5% of Net Assessment
Local School	\$0	\$0
Timberlane Regional School District	\$60,081,727	\$1,502,043

#### 2016 Town Clerk Annual Report

The Town Clerk's office is happy to announce that the Boat Renewal program has been a success and more and more residents are becoming aware that they can renew their boats right in our office.

Our office tries to make it as convenient as possible for residents to do their registration renewals, dog licensing, and vital statistics requests. We offer a wide variety of options: in office, by mail, and online at <a href="https://www.townofdanville.org">www.townofdanville.org</a>.

Also, as a service to our residents, we accept cash, checks, and credit/debit cards. (Credit/debit cards charge 2.75% additional fee)

#### **TOWN CLERK FUN FACTS:**

Did you know! 50 years ago, in 1967, there were 664 motor vehicle registrations in Danville.

Did you know! 50 years ago, in 1967, there were 128 dogs licensed in Danville.

Did you know! 50 years ago, in 1967, the average price of a home new in Danville was \$22,400.

Did you know! 50 years ago, in 1967, the average price of a new Chevy Impala was \$3,215.

Did you know! 50 years ago, in 1967, the average price of gas was .33 cents per gallon.

Did you know! 50 years ago, in 1967, the Federal Minimum Wage was \$1.40 per hour.

Christine Tracy, Town Clerk Susan Griffiths, Deputy Town Clerk

#### 2016 Trustees of the Trust Funds Annual Report

During the year 2016, the Trustees of the Trust Funds had the following key activities in the Town of Danville's capital reserve funds.

Capital Reserve Fund (CRF) Additions for 2016:

- \$250,000 to the Timberlane School District Buildings. \$750,000 from this CRF was moved into a 6-month Certificate of Deposit. The CD will mature in March 2017
- \$1,000 to the Cemetery CRF (WA 2016-13)
- \$10,000 to the Danville Infrastructure & Facility Non-Capital Reserve Fund (2016-7) (created fund and deposit)
- \$20,000 to the Highway Sand/Salt Storage Building CRF (WA 20152016-14)
- \$899.00 to the Municipal Mosquito Control CRF (WA 2016-8)
- \$8,000 to the Fire Dept. Protection of Personnel Equipment CRF (WA 2016-9)
- \$100,000 to the Fire Dep.t CRF for Future Fire Dept. Vehicle Purchases (WA 2016-7)
- \$20,000 to the New Police Station CRF (WA 2016-11)

Danville's investments were moved in September from the NHDIP to TDBank EscrowDirect.

A complete list of all 2016 funds and fund activities - along with the 2016 year end balances - can be seen in the 2016 Investment Summary Report in the 2016 Danville Town Report.

Respectfully submitted,

Patricia Shogren, Trustee/Bookkeeper Mary Burnett, Trustee Brenda Whitehouse, Trustee

## Town of Danville

#### 2017 TOWN WARRANT ARTICLE SUMMARY

#### TO BE VOTED ON March 14, 2017

Article 2017-01 Choose all necessary Town Officers for the year ensuing.

Article 2017-02 Choose all School District Officers for the year ensuing.

#### **Article 2017-03** Parking Spaces for Multiple Unit Dwellings

To see if the Town of Danville will vote to amend the Danville Zoning Ordinance to provide consistency in the number of parking spaces required for multiple unit dwellings between the Site Plan Regulations and the Zoning Ordinance. Specifically this would replace Article IV.A.1.d.1).d) with the following:

d) Off-street parking shall be provided for each dwelling unit at the minimum rate of two (2) parking spaces per unit. The area shall be paved and provide adequate back-up radius (22 feet wide for 90 degree angle parking; 18 feet wide for 60 degree angle parking and 12 feet wide for 45 degree angle parking).

Recommended by the Planning Board (5-0)

#### **Article 2017-04 Setback Requirements for Signs**

To see if the Town of Danville will vote to amend the Danville Zoning Ordinance to modify the setback requirements for signs within the roadway setback. Specifically this would amend Article II.AA to add the following sentence:

For the purposes of determining what is allowed within the roadway and lot line setbacks, signs under ten (10) square feet shall not be considered permanent structures.

Recommended by the Planning Board (5-0)

#### Article 2017-05 Conditional Use Permits Issued by the Planning Board

To see if the Town of Danville will vote to amend the Danville Zoning Ordinance to change the board that issues conditional use permits from the Board of Selectmen to the Planning Board. Specifically this would amend Article IV.F (and the subordinate articles) to change all occurrences of the word "Selectmen" with "Planning Board" and to eliminate Article IV.F.4.

Recommended by the Planning Board (5-0)

#### Article 2017-06 Boundaries of the Highway Commercial and Light Industrial Zone

To see if the Town of Danville will vote to amend the Danville Zoning Ordinance to correct the boundaries of the highway commercial and light industrial zone by replacing Article III C. to read:

#### HIGHWAY COMMERICAL AND LIGHT INDUSTRIAL

The location of said District is delineated and named on the map entitled "Official Zoning Map, Town of Danville."

Recommended by the Planning Board (5-0)

#### Article 2017-07 Accessory Dwelling Units

To see if the Town will vote to amend the Town of Danville Zoning Ordinance to update the section related to Extended Family Accessory Living Units to bring it into conformance with recent changes to New Hampshire State Law. Specifically, this would make the following changes to the ordinance:

Add a new Article II.C as follows and renumber existing paragraphs II.C through II.II:

II.C Accessory Dwelling Unit - A residential living unit that is within or attached to a single-family dwelling, and that provides independent living facilities for one or more persons, including provisions for sleeping, eating, cooking, and sanitation on the same parcel of land as the principal dwelling unit it accompanies.

#### Replace Article IV.A.4 with the following:

4. Accessory Uses: Accessory Dwelling Unit (also known as Extended Family Accessory Living Unit)

a. The objectives of this ordinance are to:

34

- 1) Empower families with a tool to provide housing opportunities to extended family members, caregivers, and others while affording all parties the necessary privacy and living arrangement conducive to harmonious habitation in a single residential structure.
- 2) Preserve the aesthetics of single-family housing. This ordinance places strict physical limitations on size and access to the accessory living unit.
- 3) Protect the residential character of a neighborhood.
- 4) Provide for Accessory Dwelling Units in accordance with RSA 674:72.
- b. The following restrictions shall apply to all Accessory Dwelling Units (formerly known as Extended Family Accessory Living Units).
  - 1) An Accessory Dwelling Unit shall be allowed in residential zones only by Special Exception from the Zoning Board of Adjustment as permitted by RSA 674:72. The specific Special Exception criteria that must be met are listed below in section c.
  - 2) Only one Accessory Dwelling Unit shall be permitted per lot.
  - 3) The accessory living unit shall not be converted to a condominium or any other form of legal ownership distinct from the ownership of the existing single-family dwelling.
  - 4) Any and all construction shall be in accordance with the building standards of the Town of Danville in effect at the time of construction and a permanent internal access between the two units shall be maintained per RSA 674:72-III.
  - 5) In accordance with the standards of the Town and the standards of the New Hampshire Water Supply and Pollution Control Division, the septic facilities shall be adequate to service both the main dwelling unit and the accessory dwelling unit. If the existing septic design is inadequate, a new or upgraded septic system conforming to the most recent state and local standards shall be required.
  - 6) In the event the property is sold, the Special Exception shall expire.
  - 7) Detached Accessory Dwelling Units are not permitted.
- c. To grant the Special Exception, the Zoning Board of Adjustment (ZBA) must find that:
  - 1) The proposal meets the objectives outlined in ARTICLE IV.A.4.a, the restrictions as specified in ARTICLE IV.A.4.b, and is in conformance with RSA 674:72.
  - 2) The applicant shall have presented to the ZBA a construction plan approved by the Building Inspector of the proposed accessory use with sufficient detail to enable the ZBA to determine adherence to the Special Exception criteria.
  - 3) No more than one (1) accessory dwelling unit shall be allowed per main dwelling. The accessory living unit shall be included in said main dwelling and shall not be permitted within detached accessory structures located on the same lot as the single-family dwelling.
  - 4) The main/principal dwelling or the attached accessory dwelling unit shall be owner-occupied. The owner shall demonstrate that one of the units is his or her principal place of residence and the special exception shall expire if the property is no longer the principal residence of the owner.
  - 5) The accessory dwelling unit and any related changes to the property shall be designed so that the appearance remains that of a single family residence and is consistent with the single family character of the principal residence.

- 6) The accessory living unit shall have a convenient and direct permanent, internal access to the principal dwelling unit without the necessity of going outside of the principal structure or through a garage in accordance with RSA 674:72-III.
- 7) The accessory living unit shall be no more than seven hundred fifty square feet (750 ft<sup>2</sup>) in size and shall be clearly an accessory living unit to the principal dwelling.
- 8) Appropriate off-street parking is provided for the Accessory Dwelling Unit in conformance with article IV.A.1.d.1).d).
- 9) No more than two (2) persons unrelated to the owner may occupy the Accessory Dwelling Unit.

### d. Failure To Comply

If an owner fails to comply with the requirements of this section, the use of the accessory dwelling unit shall be terminated within 6 months of the date of notice from the Town of Danville. The owner shall be subject to penalty under RSA 676:17 for each day the accessory dwelling unit fails to comply with the requirements of this section after March 31, 2017

e. Existing Non-Conforming Accessory Dwelling Units

Accessory dwelling units (formerly known as Extended Family Accessory Living Unit) previously constructed which do not have either a building permit, certificate of occupancy, or special exception previously granted by the Zoning Board of Adjustment (ZBA) shall apply to the ZBA for a special exception within 60 days of passage of this ordinance.

- 1) The ZBA shall have the authority to grant a temporary exception, not to exceed 180 days, during the period in which the special exception is under review.
- 2) In granting a special exception for a previously existing non-approved accessory dwelling unit, the ZBA may require that the existing primary and accessory dwelling units be brought into compliance with this ordinance within specific timeframes established by the ZBA.
- 3) In granting a special exception for a previously existing non-approved accessory dwelling unit, the ZBA may consider the requirements that were in place when the accessory dwelling unit (formerly known as Extended Family Accessory Living Unit) was established when determining conditions of approval. The ZBA, however, is under no obligation to grant the special exception based on prior requirements.

Recommended by the Planning Board (7-0)

### **Article 2017-08** Impact Fees for Razed and Rebuilt Homes

To see if the Town of Danville will vote to amend the Danville Zoning Ordinance to exempt the houses that were razed and rebuilt within two (2) years from being assessed a new Impact Fee. Specifically this would replace Article XIV.B.6.e with the following:

e. New development shall not include the replacement of any existing manufactured housing unit or the reconstruction of a structure that has been destroyed and demolished within two years where there is no change in type of use that would increase the demand on capital facilities for which impact fees are assessed, or increase in square footage or number of units.

Recommended by the Planning Board (7-0)

### Article 2017-09 Boundaries of the Mobile Home/Manufactured Homes Zone

To see if the Town of Danville will vote to amend the Danville Zoning Ordinance to correct the boundaries of the Mobile Home/Manufactured Homes zone by replacing Article III.D. to read:

Mobile Homes/Manufactures Homes

The location of said Districts are delineated and named on the map entitled "Official Zoning Map, Town of Danville."

In addition, this will amend the official zoning map, Town of Danville, to reflect the following parcels as being included in the Mobile Home/Manufactured Home Zone:

Parcels to be included in the Mobile Home/Manufactured Home Zone

Map	Lot	Sub									
2	3	4	2	19	0	2	77	3	4	3	2

### Article 2017-10 Correcting Date in the Historic District Ordinance

To see if the Town of Danville will vote to amend the Danville Zoning Ordinance to amend the date of the establishment of a second burial ground adjacent to the meeting house. Specifically this would amend the preface of Article XIII, last sentence of the fourth paragraph, to read as follows:

A second public burial ground was established adjacent to the meeting house, with burials dating back to 1817.

### Recommended by the Planning Board (7-0)

### **Article 2017-11** Revision of Article VII.S Fire Protection

To see if the Town will vote to amend the Danville Zoning Ordinance to adjust the fire suppression requirements to explicitly include residential structures with three or more dwelling units and to clarify other portions of the fire protection ordinance. Specifically, to replace Article VII.S. with the following:

- 1. Any construction exempted from Fire Protection Standards per Federal or State laws or regulations shall be exempt from this ordinance. The developer and/or owner shall be responsible for providing documentation to the Town of Danville supporting such an exemption prior to construction, delivery, or initial occupancy. However, an exception from the installation of sprinkler systems shall not exempt the developer from installing a fire suppression water source or other alternative fire suppression system.
- 2. Detached sheds and other similar outbuildings shall be exempt from this provision. Residential garages that are detached to the residence, open attached porches, carports and similar structures shall also be exempt from this provision.
- 3. Fire Protection Specifications
  - a. Sprinkler Systems are required for residential structures with three (3) or more dwelling units and commercial buildings as follows:
    - i. An approved automatic sprinkler system shall mean a system installed in accordance with: the current edition of the National Fire Protection Association NFPA Standard 13, NFPA 13R, NFPA 13D; the provision of this ordinance; and approved by the State Fire Marshall's Office. The system shall be subject to the Danville Fire Chief's approval per this ordinance.
    - ii. The installer shall present a set of prints by a certified fire protection engineer showing the entire sprinkler system to the Fire Chief or his/her designee for approval. The Town of Danville reserves the right to have the plans reviewed by a third party with expenses to be paid by the developer and/or owner.

iii. A permit for the sprinkler system shall be obtained from the Danville Fire Chief or his/her designee before the issuance of a building permit.

The responsibility for proper installation and testing is that of the builder/owner. The Danville Fire Chief or his/her designee shall be given 48 hours' notice and must witness and approve the test.

- iv. All sprinkler systems installed under this ordinance shall have the following:
  - a) The water supply for the sprinkler system, refer to the current edition of NFPA 13D, Chapter 6, Section 6.1.2 and 6.1.3. If domestic water supply cannot supply demand to two activated sprinkler heads for a period of 10 minutes, a storage tank and fire pump shall be installed to fulfill these requirement. (Example: 2 heads at 13 gpm = 26 gpm x 10 min., storage tank size minimum of 260 gallons.)
- b) The minimum acceptable operating pressure of any sprinkler shall be greater than 7 psi.
   v. The responsibility for maintaining and testing a sprinkler is that of the owner or occupant. Refer to the current edition of NFPA 13D, Section A.4.2.1 for the proper procedure.
- vi. Sprinkler Systems shall be installed in accordance with the current edition of NFPA 13R, with the following exceptions:
  - a) Sprinklers shall not be required in residential garages, open attached porches, carports and similar structures. However, ALL attached garages or those that are located under living spaces (per NFPA 101) shall be protected by sprinklers. Amended 3/13/2007
  - b) Sprinkler shall not be required in attics, crawl spaces and other concealed spaces that are not used or intended for living purposes.
- vii. Sprinkler Systems for Commercial buildings (Amended 3/11/2014)
  - a) All commercial development with square footage over 2000 sq ft, even if subdivided to smaller units, must be protected throughout by an approved automatic sprinkler system in compliance with the requirements of NFPA-13 and maintained according to NFPA-25.
  - b) All commercial development with square footage over 2000 sq ft, even if subdivided to smaller units, will be protected with a monitored Fire Alarm system in compliance with the requirements of NFPA-72.
  - c) All commercial occupancies shall have a Knox High Security Master Key Retention System approved by the Fire Chief or his designee.

### b. Fire Suppression Water Source (Cisterns)

- i. Cistern(s) are required for any new development and/or subdivision of four (4) or more dwelling units. The Cistern(s) shall be an artificial underground water storage facility of at least 30,000 gallons of usable fire protection water supply per cistern.
- ii. The location, design, and provisions for ownership, maintenance, and all season access to the cistern(s) and supporting facilities shall be approved by the Fire Chief, or his/her designee, and shall conform to the following specifications.
  - a) Response time from the Safety Complex (206 Main Street, Danville, NH) to the nearest cistern within the development shall conform to the current edition of NFPA 1720.
  - b) The minimum cistern capacity is to be 30,000 gallons.
  - c) Underground storage tank(s) shall be constructed from one of the following materials:
    - i) Polyethylene
    - ii) Fiberglass
  - d) The suction piping system is to be capable of delivering a minimum of 1,000 gallons per minutes for three quarters of the cistern capacity. (Velocity and friction losses plus static head may not exceed sixteen feet (16').)

- e) The design of the cistern is to be submitted to the Planning Board and Fire Chief or his/her designee for approval prior to construction. All plans must be signed and stamped by a professional structural engineer registered in the State of New Hampshire.
- f) Each cistern must be sited to the particular location by a registered professional engineer and approved by the Planning Board and Fire Chief or his/her designee.
- g) The entire cistern is to be rated for H-20 highway loading.
- h) The cistern must be designed so that it will not float when empty.
- i) All suction and fill pipe is to be ASTM Schedule 40 galvanized steel. All vent piping is to be ASTM Schedule 40 PVC with glued joints.
- j) All PVC piping is to have glued joints.
- k) The final suction connection is to be six inch (6") National Hose male thread. It must be capped with a hydrant cap, chain and have removable strainer.
- 1) The filler pipe is to have a four inch (4") Stortz Coupling with a 90 degree elbow, cap, chain and removable strainer.
- m) A twenty inch (20") I.D manway to grade level shall be installed. Manway will have a bolted cover with a lockable three inch (3") water level inspection fitting on the manway cover.
- n) The entire cistern is to be completed and inspected by the town engineer at the developers cost before any backfilling is done. The tank may then be backfilled but not covered for a four week leak test.
- o) The completed cistern shall be guaranteed for one (1) year from the date of acceptance by the town. This guarantee includes water tightness of the tank and all appurtenances associated with the operation of the cistern. The completed cistern will be inspected for compliance by the Fire Chief or his/her designee prior to the release of the maintenance bond, and a report to that effect will be submitted to the Town.
- p) All backfill material shall be screened gravel with no stones larger than 1½ inches and shall be compacted to 95% of maximum, ASTM 1557.

Bedding for the cistern shall be a minimum of twelve inches (12") of 3/4 to 11/2 inch crushed, washed stone, compacted. No other fill shall be allowed under this stone.

### Backfill over tank shall be:

- i) four feet (4') of fill; or
- ii) the top and highest two feet (2') of the sides of the cistern shall be insulated with a vermin resistant foam insulations, minimum two inches (2") thick, and two feet (2') of fill.

All backfill shall extend eight feet (8') beyond the edge of the cistern, then maximum 3:1 slope, loamed and seeded.

Backfilling to be witnessed by the Town Engineer at the developers cost.

- q) The filler pipe is to be thirty six inches (36") above finished grade.
- r) The suction pipe connection is to be twenty to twenty four inches (20-24") above the level of the fire truck wheels when the cistern is in use.
- s) six inch (6") galvanized steel heavy wall concrete filled pipe bollards are to be placed two feet (2') off each side and twelve inches (12") in front of the suction pipe for the protection of the pipe. These bollards shall be set in concrete four feet (4') below ground level and shall extend ten inches (10") above the suction pipe.
- t) After backfilling, the tank is to be protected by large stones.
- u) The bottom of suction pipe to pumper connection vertical distance must not exceed fourteen feet (14').
- v) Pitch of shoulder and vehicle pad from edge of pavement to pumper connection must be 1-6% downgrade.
- w) Shoulder and vehicle pad must be of sufficient length to permit convenient access to suction connection when pumper is set at 45 degrees to road.

- x) All construction, backfill, and grading materials are to be in accordance with proper construction practices and acceptable to the Planning Board in accordance with the approved design.
- y) All horizontal suction piping must slope slightly uphill (1-3%) towards the pumper connection.
- z) Installer is responsible for completely filing cistern until accepted by the Fire Department. This includes refilling after each flow test until acceptance.
- aa) Any and all required easements for maintenance and use shall be properly noted and recorded.
- iii. A cistern shall be located within two thousand two hundred (2,200') feet of every dwelling unit within the subdivision and within two thousand two hundred (2,200') feet from any commercial unit, as measured along the lines of the streets.
- iv. It is the responsibility of the subdivider to bear the cost of any equipment, apparatus, construction, and/or first filling of water in the cistern(s) which may be incurred as a result of this ordinance. All land areas and equipment or apparatus may, upon completion, installation, and inspection (at developers cost) by Fire Department and Town Engineer of such equipment and apparatus, be offered for transfer to the Town of Danville.
- v. The responsibility for proper installation and testing is that of the builder/owner. The Danville Fire Chief, or his/her designee, shall be given 48 hour notice and must witness and approve a test of the system.

### c. Alternative Fire Protection Systems

Alternative Fire Protection Systems may be proposed to exempt the building from the above two requirements provided that they meet all of the following requirements and are acceptable to the Danville Fire Wards and the Planning Board. Acceptance of an alternative proposal shall be at the discretion of the Town of Danville as specified in the following paragraphs.

- i. The proposed Fire Protection Systems/Alternative must meet all applicable NFPA, Federal, and State standards.
- ii. In the <u>unanimous</u> written opinion of the Danville Fire Wards and Fire Chief, the proposed Fire Protection Systems/Alternative provides greater overall protection to the structure and any current or future occupants.
- iii. In the <u>unanimous</u> written opinion of the Danville Fire Wards and Fire Chief, the proposed Fire Protection Systems/Alternative is not detrimental to public safety, health or welfare, or injurious to other property and promotes the public interest.
- iv. If subject to subdivision and/or site plan review, the proposed Fire Protection System/Alternate shall be acceptable to the Town of Danville Planning Board. The Planning Board shall be under no obligation to accept alternative proposals.

Recommended by the Planning Board (7-0)

### Article 2017-12 Operating Budget

Shall the town of Danville vote to raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote for the first session, for the purpose set forth therein, totaling Three Million One Hundred Five thousand Two Hundred Forty Two Dollars (\$3,105,242). Should this article be defeated, the default budget shall be Three Million Fifty Two Thousand Five Hundred Forty Eight Dollars (\$3,052,548) which is the same as last year, with certain adjustments required by previous action of the Town or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only.

### Article 2017-13 Purchase of New Fire Department Rescue/Pumper Vehicle

To see if the town will vote to raise and appropriate Four Hundred Fifty Thousand Dollars (\$450,000) to purchase and equip a Rescue/Pumper vehicle which One Hundred Ninety Thousand Dollars (\$190,000) will be withdrawn from the Fire Dept. Capital Reserve Fund for Future Fire Dept. Vehicle Purchases capital reserve fund to replace E2 Engine/Pumper and to name the Board of Selectmen to be the agent to expend these funds. The remaining Two Hundred Sixty Thousand Dollars (\$260,000) will be raised through taxation.

Not Recommended by the Board of Selectmen (2-2) Recommended by the Budget Committee (8-1)

### Article 2017-14 Fire Dept. Capital Reserve Fund for Future Fire Dept. Vehicle Purchases

If article 2017-13 fails, To see if the Town will vote to raise and appropriate the sum of One Hundred Thousand Dollars (\$100,000) to be added to the Fire Dept. Capital Reserve Fund for Future Fire Dept. Vehicle Purchases previously established.

Recommended by the Board of Selectmen (5-0) Recommended by the Budget Committee (9-0)

### Article 2017-15 Purchase of a Backhoe for the Highway Department

To see if the Town will vote to raise and appropriate the sum of One Hundred Twenty-Five Thousand Dollars (\$125,000) to purchase a backhoe for the Highway Department and to authorize the expenditure of these funds by the Board of Selectmen.

Recommended by the Board of Selectmen (5-0) Recommended by the Budget Committee (9-0)

### Article 2017-16 Bulk Pick Up

To see if the Town will vote to raise and appropriate the sum of Seventeen Thousand Five Hundred Dollars (\$17,500) to cover the cost of one (1) additional bulk pickup over the one (1) bulk pick up in the operating budget and to name the Board of Selectmen as the agents to pay this expense.

Recommended by the Board of Selectmen (5-0) Recommended by the Budget Committee (8-1)

### **Article 2017-17** Fire Department Scheduled Weeknight On-Call Coverage

To see if the municipality will vote to raise and appropriate Thirty Thousand One Hundred Sixty Dollars (\$30,160) for the purpose of adding weeknight on-call coverage for 2 Firefighters/EMTs from 10pm–6am Sunday-Thursday at minimum wage (\$7.25/hour). This will be an extension of our current weekend on-call coverage and will ensure having 2 Fire Department members available during these hours.

Recommended by the Board of Selectmen (5-0) Recommended by the Budget Committee (9-0)

### Article 2017-18 New Police Station Capital Reserve Fund

To see if the Town will vote to raise and appropriate the sum of Twenty Thousand Dollars (\$20,000) to be added to the New Police Station Capital Reserve Fund previously established.

Recommended by the Board of Selectmen (5-0) Recommended by the Budget Committee (9-0)

### Article 2017-19 Highway Sand/Salt Storage Building Capital Reserve Fund

To see if the Town will vote to raise and appropriate the sum of Twenty Thousand Dollars (\$20,000.00) to be added to the Highway Sand/Salt Storage Building Capital Reserve Fund to fulfill a future EPA requirement for storm water management.

Recommended by the Board of Selectmen (5-0) Recommended by the Budget Committee (9-0)

### Article 2017-20 Danville Infrastructure and Facility Non-Capital Reserve Fund

To see if the Town will vote to raise and establish the sum of Ten Thousand Dollars (\$10,000.00) to be added to the Danville Infrastructure and Facility Non-Capital Reserve Fund previously established.

### Article 2017-21 Protection of Personnel Equipment Capital Reserve Fund

To see if the Town will vote to raise and appropriate the sum of Eight Thousand Dollars (\$8,000.00) to be added to the Protection of Personnel Equipment Capital Reserve Fund previously established for the future replacement of Self-Contained Breathing Apparatus (SCBA) to protect firefighters.

Recommended by the Board of Selectmen (5-0) Recommended by the Budget Committee (9-0)

### Article 2017-22 Line Striping

To see if the Town will vote to raise and appropriate the sum of Six Thousand Dollars (\$6,000) to place a single yellow line down the middle of Hunt Road, Hampstead Road, Kingston Road, Colby Road, Long Pond Road, Happy Hollow Road, Beach Plain Road and Sandown Road, GH Carter, Back Road, and Brentwood Road for safety purposes.

Recommended by the Board of Selectmen (5-0) Recommended by the Budget Committee (6-3)

### Article 2017-23 Municipal Mosquito Control Expendable Trust Fund

To see if the Town will vote to raise and appropriate the sum of Two thousand Five hundred and Ninety-nine dollars (\$2,599.00) to be added to the Municipal Mosquito Control Expendable Trust Fund established for the purpose of management and spraying for mosquito control.

Recommended by the Board of Selectmen (5-0) Recommended by the Budget Committee (9-0)

### Article 2017-24 Cemetery Capital Reserve Fund

To see if the Town will vote to raise and appropriate the sum of One Thousand Dollars (\$1,000.00) to be placed in the Cemetery Capital Reserve Fund for future cemetery expansion.

Recommended by the Board of Selectmen (5-0) Recommended by the Budget Committee (9-0)

### Article 2017-25 Colby Memorial Library Expend Interest

To see if the Town will vote to raise and appropriate the sum of Forty Five Dollars (\$45.00) to purchase books and authorize the use of that amount from the interest income earned from the library's TDBank checking account and to authorize the expenditure of those funds by the Library Trustees.

Recommended by the Board of Selectmen (5-0) Recommended by the Budget Committee (9-0)

### **Article 2017-26 Modify the Elderly Exemption**

"Shall we modify the elderly exemption from property tax in the Town of Danville, based on assessed value, for qualified taxpayers, to be the following: for a person 65 years of age up to 74 years, Seventy-three thousand Eight Hundred Sixty-Five Dollars (\$73,865); for a person 75 years of age up to 79 years, One-Hundred Five Thousand Seven Hundred Sixty (\$105,760); for a person 80 years of age or older, One Hundred Thirty Thousand One Hundred Two Dollars (\$130,102). To qualify, the person must have been a New Hampshire resident for at least three consecutive years, the person may own the real estate individually or jointly, or if the real estate is owned by such person's spouse, they must have been married for at least 5 years and the property must be the primary residence. In addition, the taxpayer must have a net income of not more than Thirty-Five Thousand Two-Hundred Dollars (\$35,200) or, if married, a combined net income of less than Forty-Four Thousand Dollars (\$44,000); and own net assets not in excess of Seventy-Seven Thousands Dollars (\$77,000) excluding the value of the person's residence." This article shall take effect for the 2017 property tax year. (Majority vote required).

Recommended by the Board of Selectmen (5-0)

### Article 2017-27 All Veterans' Tax Credit

Shall the Town vote to adopt the provisions of RSA 72:28-b, All Veterans' Tax Credit? If adopted, the credit will be available to any resident, or the spouse or surviving spouse of any resident, who (1) served not less than 90 days on active service in the armed forces of the United States and was honorably discharged or an officer honorably separated from services and is not eligible for or receiving a credit under RSA 72:28 or RSA 72:35. If adopted, the credit granted will be

42

Five Hundred Dollars (\$500.00), the same amount as the standard or optional veterans' tax credit voted by the Town under RSA 72:28.

Recommended by the Board of Selectmen (4-0-1)

### **Article 2017-28** Citizen Petition – Dissolve Elected ACO/Assign Duties

Shall the Town vote to dissolve the elected ACO position and assign all ACO duties to be administered under the direction of the Chief of Police

### **Article 2017-29 Citizen Petition – Waste Disposal**

To see if the Town will vote to keep the curbside pickup CART Trash/Zero Sort Recycling program currently in place and to not support any proposed Pay As You Throw (PAYT) Trash program

2017 MS-737

### 2017 Default Budget

### **Danville**

RSA 40:13, IX (b) "Default budget" as used in this subdivision means the amount of the same appropriations as contained in the operating budget authorized for the previous year, reduced and increased, as the case may be, by debt service, contracts, and other obligations previously incurred or mandated by law, and reduced by one-time expenditures contained in the operating budget. For the purposes of this paragraph, one-time expenditures shall be appropriations not likely to recur in the succeeding budget, as determined by the governing body, unless the provisions of RSA 40:14-b are adopted, of the local political subdivision.

4550-4559	wage increases
4619	safety signage
4199	dues increase
4583	increase in band costs for parade
4155-4159	Actual much higher increase due to NHRS; offset by half year comp and unemployment insurance premium due in July after change over from LGC to new carrier
4191-4193	Decided not to do second impact fee study
4210-4214	wage increases and yearly software increase
4152	Assessing contract increase
4323	New contract; removed bulk pick up services

Default Budget: Danville 2017

2016 **MS1** 

### **SUMMARY INVENTORY OF VALUATION**

Submit to the Department of Revenue Administration by September 1

### Instructions

Note: for ease of use please begin at the last section and work forward.

**REPORTS REQUIRED:** RSA 21-J:34 as amended, provides for certification of valuations, appropriations, estimated revenues and such other information as the Department of Revenue Administration may require upon reports prescribed for that purpose. **NOTE:** The values and figures provided represent the detailed values that are used in the city/towns tax assessments and sworn to uphold under Oath per RSA 75:7. Please complete all applicable pages and refer to the instructions for individual items.

### For Assistance Please Contact:

DRA Municipal and Property Division Phone: (603) 230-5090

### **2016 Recreation Committee Annual Report**

Danville Recreation held many events this past year! We had successful spring and winter craft fairs with many new vendors and crafters who joined us at each event. Each craft fair was high in attendance by our amazing residents who make these events successful. We are now diligently working on the Spring 2017 craft fair!

We held our Parents' Night Out and the kids had a blast doing crafts, eating pizza, and watching movies. The pizza was donated by our amazing friends at Prime Pizza! We have many more Parents' Nights coming up in 2017 which will include paint night with more crafts and games.

We held our first annual Ride to the Sky event in which residents and friends took a trip up to the top of Mount Washington via the auto road. All those who attended had a great time. They left from the Community Center then returned to the Community Center to a buffet style meal. We are excited to do this event again in 2017!

We held our first 5<sup>th</sup> grade end of year celebration! The class gave gifts to Mrs Barcelos, Mr. Shawley, Mrs. Antonakos, and Mrs. Ronco. Everyone enjoyed a dinner from Chicken Connection and Prime Pizza. They enjoyed the Hawaiian Luau theme, played games along with water games, tag, and many other fun activities. We are looking forward to hosting this year's 5<sup>th</sup> grade class.

The senior winter luncheon and spring luncheon were amazing and growing more and more each year. We want to give a big thank you to Judy Armstrong and Kathy Beattie for their continued support for these events. We also want to thank Erin Drislane and the Girl Scouts for their help in serving and getting the raffle gifts.

Movie Nights were a huge success as well. We worked with Chief Parsons and the Police Association for each movie night during the year. We had photo props of characters from the movies and games for the Grease night. Mr. Claus stopped by and handed out candy canes to the kids for our Christmas in July theme during which we watched Elf. We are now in the process of picking out movies for the 2017 season.

Old Home Days was a huge success as well. We worked with Heritage Commission, the Old Meeting House Association, and the Danville Police Association. Each group brought their own touch to the event to make it an amazing weekend. The weekend started out with Friday movie night. On Saturday, residents and visitors did the road race, and then enjoyed the flea market, car show, and toured all of the old buildings we have in town. We are thankful to Adventurelore for opening up their facility to allow our residents and visitors to enjoy a day on the ropes course, on the water, and learning what Adventurelore has to offer.

Recreation has been given the task of hosting Old Home Days in 2017 and we are busy working on making it just as amazing as last year with a few new events.

As we move into 2017 we are now working with the seniors in town to offer them day trips and other events. We are working on expanding and having more events added to our already yearly events.

As always, The Recreation Committee is always looking for volunteers to help with the many events. If you can help out in anyway please contact us at recreation@townofdanville.org.

### **2016 Police Department Annual Report**

The Danville Police Department, with a sworn staff of six full-time police officers, one part-time officer and a full-time secretary, provides a complete range of public safety and community based services. These include emergency response, criminal investigations, motor vehicle enforcement, juvenile services, and a wide array of community focused crime prevention programs.

Opioid and Heroin abuse continue to plague the entire region. It has truly become an epidemic and most everyone now knows of someone who, whether directly or indirectly, has fallen victim to the stronghold of addiction. While the entire law enforcement community is dedicated to eliminating illegal drug activity and helping those in need, it will take the involvement and efforts of everyone in the community to rid it. Our officers received special training last year in the administering of NARCAN, which is a medicine that blocks the effects of opioids and reverses an overdose. NARCAN is now carried in all of our cruisers. The medicine is known to have saved countless lives when administered promptly. If you know of a loved one or someone experiencing signs and symptoms of substance abuse, there are resources available. For assistance, please contact the police department or visit <a href="https://www.nhtreatment.org">www.nhtreatment.org</a> for a local treatment facility or <a href="https://www.nhtreatment.org">www.drugfreenh.org</a> for parent tips and related information.

While the resurfacing to some of our town roads has been a welcomed improvement; it appears it may have also contributed to an increase in the number of speed related motor vehicle complaints we received. Motor vehicle violations in total were up 24% last year and a whopping 119% when compared to just two years ago. We will of course continue to address this problem and ask that you keep the police department informed of any problem areas or habitual violations you observe.

We realize that the economy has been weak for quite some time and many residents have struggled to make ends meet. Increasing taxes of course continues to be a major concern. Accordingly we took a good hard look at where we could make reductions to the police budget without sacrificing services. I am happy to report that over the past two years we were able to limit expenses to less than a 2% combined increase. In 2016 our operating budget actually went down 3%, which was the first time in over 20 years that we were

confidently able to do so. We did this by revisiting our staffing plans, exploring alternate fuel suppliers, and seeking grant opportunities to replace/add capital equipment needs for the department.

In December 2015, we were awarded a \$7,500.00 grant from Homeland Security to add a Communications Center to our emergency operations plans. In 2016 the project was completed and is now being utilized by our department. The equipment will allow us to dispatch and receive emergency information from the Kimball Safety Complex or easily relocate to the Danville Community Center if needed, which has been designated as our EOC (Emergency Operations Center).

In January and March, Chief Wade Parsons and Officer Justine Merced instructed the radKIDS program (Resisting Aggression Defensively) to a group of energetic 2<sup>nd</sup> and 3<sup>rd</sup> graders at the Danville Elementary School. The radKIDS Personal Empowerment Safety Education program is a 10-hour family centered safety education program that emphasizes essential decision-

making skills as well as physical resistance options to escape violence. The program was a huge success and we would like to congratulate all of our radKIDS graduates from the school! There are a limited number of radKIDS instructors in the State of NH and we are fortunate to have two certified instructors based right here in Danville. We will continue to present this program throughout the school year, as well as exploring a summer class for those who might be interested. If you have a child who would like to participate or if you would like to learn more about the radKIDS program, please call Chief Parsons or Officer Merced at 382-9403 or email <a href="mailto:friendsofradkids@townofdanville.org">friendsofradkids@townofdanville.org</a>

We were once again very active with our community-based programs. We presented a number of family films at the Day Field during our Outdoor Movie Summer Program, which saw some of the largest attendances to date. We are planning another exciting line-up this year and we always welcome your comments or suggestions for future feature films. We hosted the Old Home Days Flea Market and arranged for a full line-up of talented musicians to perform during the event. Our sincere "thanks" to the entire "Let's Play Music" organization for keeping everyone entertained throughout the day. In 2017 we will be expanding our community-based programs by introducing RAD (Rape Aggression Defense System) for women. This is a program of realistic, self-defense tactics and techniques. It is a comprehensive course designed

for women, which begins with awareness, prevention, risk reduction and avoidance, while progressing on to the basics of hands-on defense training. We are excited to announce that we are also finalizing plans to introduce DARE (Drug Abuse Resistance Education) to 5<sup>th</sup> grade students at the Danville Elementary School. This curriculum is targeted to kick-off in early 2018.

All types of social media have become invaluable communication tools and we will continue to keep

On behalf of my entire staff - thank you for your continued support. I welcome and enjoy meeting with residents and encourage you to stop by to discuss how the police department can best serve you.

As always, my best wishes to all of you for a safe, happy and healthy 2017!

Wade H. Parsons Chief of Police

### 2016 Highway Department Annual Report

**EARTH DAY ROADSIDE CLEANUP** – We gave out approximately 125 bags to be filled and then collected 87 bags of trash. It is important to leave the bags by the roadside, even if they are full of recyclables. The Town has to track the amount of bags/trash collected each year for the stormwater report to the EPA. We had 21 people stop by the Community Center during the Earth Day kick-off to get bags and have their children participate in the activities that we had for

them. We look forward to seeing you in April 2017. Please try and participate in this event; it is a great way to clean up the town. If you have a child who is looking for a way to earn a badge for scouts or even for honor society, this is a good opportunity for them and we will gladly

supply you with a note confirming the participation. You will need to let us know at the time you get the bags and we will confirm that your chosen area of town was cleaned.

Just a reminder: the bags are always available at the Selectmen's office during their office hours, so you can get bags and clean up the roadsides at any time. Once you have filled the bags, please leave them on the roadside and notify the Highway Department at 382-0703. We will collect them.

**HOUSEHOLD HAZARDOUS WASTE** – There are two collections of Household Hazardous Waste each year, and always in the spring and fall. The spring collection is held each year in Plaistow. The 2017 fall collection will be held in Kingston in October. These collections are billed to the towns upon town participation. In the spring collection of 2016 there was a total participation of 252 people with 27 from Danville. In the fall collection, out of 282 people, there were 21 from Danville.

Please watch for flyers and newspaper articles for the dates, times and locations of these collections.

**WINTER PARKING BAN AND PLOW ORDINANCE -** Please remember that when it is going to snow, and up to 48 hours after the storm, there is a parking ban on the town roadways. This also happens during icy road conditions. Do not park in the roadway as the plow cannot safely or effectively pass. Also, do not shovel or snow blow from your driveway into the road. Do not park your car in the roadway and clean it off. This creates hazards for the vehicles traveling the roadway. This can also make an issue for the snow removal as your area may have already been cleared.

Also, please remember to keep your trash and recycle totes in your driveway at all times. The truck that picks up can reach them.

Bruce Caillouette Road Agent

# 2016 Fire Department Annual Report

The Danville Fire Department responded to 404 emergency calls in 2016. I would like to remind residents to call 911 in the event of an emergency. We have had calls at the station on our business line to report a fire or a medical emergency. In the event that the day crew is on another call or out of the building this will slow our response when seconds count. Reflective numbers on your mailbox and street side of your house will help us find your home in an emergency.

We encourage all residents to check smoke detectors frequently and to have carbon monoxide detectors in their homes. We also recommend having your heating systems maintained and inspected annually.

Burn permits are required for any outside burning and may be obtained at the Fire Department during normal business hours which are Monday through Friday, 8:00 am to 4:00 pm. Permits are also required for wood, coal, gas, and pellet stoves as well as chimney installations. If you plan to install a generator, this will also need to be inspected by the Fire Department to ensure your safety. These inspection permits can be obtained at the Town Hall Selectmen's Office during their business hours.

Our waste oil collection is working extremely well. The department has not had to buy heating oil for six years. This saves the Town thousands of dollars every year and also provides our residents a place to drop off used motor oil.

I would like to thank the dedicated members of the Danville Fire Department who answer emergency calls 24 hours a day, 365 days a year. I would also like to thank the residents of Danville for their continued support of the Fire Department.

We would like to ask the residents to please support our warrant articles so that we may continue to provide you the best level of service.

Respectfully Steven J. Woitkun Chief Danville Fire Department

Above—Engine 3. At right—Great Horned Owl nursed back to health and released back to the wild at the Elementary School

# **2016 Colby Memorial Library Annual Report**

We at the Colby Memorial Library had much to celebrate and be grateful for last year. 2016 marked yet another successful year for Danville's community library. Our statistics are up slightly from 2015, but more importantly the Colby Memorial Library has continued to grow and flourish as a pillar of the community. To meet the needs of our library members last year, we added 1,390 new items to our collection (1,125 books, 61 audiobooks, 204 DVDs).

Library Usage			
Circul	ation	Mem	ber Visits
2011	49,051	2011	17,289
2012	51,823	2012	24,084
2013	89,393	2013	34,184
2014	68,291	2014	29,047
2015	72,405	2015	30,528
2016	73,542	2016	31,596

Pursuant to our goals of lowering operating costs and remaining environmentally friendly, in 2016 the Library installed solar panels from Solar City.

As always, the Colby Memorial Library will be offering some great programs in 2017, including book discussion groups, movie showings, foreign language lessons, a cookbook club, a weekly knitters and handcrafters' group, and two fantastic StoryTimes every week on Thursdays.

Check out our website, <u>www.colbymemoriallibrary.org</u> and subscribe to the Colby Memorial Library on *Facebook* and *Twitter* for up to the minute updates on all of our special programs.

In 2016, the Colby Memorial Library had 152 children sign up for our annual summer reading program. Over 200 children, teens, and adults from Danville participated in our summer reading program, a number we know we can surpass in 2017. Our upcoming children's summer reading program is called "Build a Better World", a program about bettering our communities and the world around us.

Programs		
StoryTime	10:00 am, 11:30 am – every Thursday	
Kintters & Handcrafts	4:00 pm – every Wednesday	
<b>Book Discussion Group</b>	7:00 pm – 1 <sup>st</sup> Thursday of every month	

Finally, we would like to give thanks to a couple of people who helped to make 2016 such an incredible year. Thank you to the *Friend's of the Colby Memorial Library*, without your fundraising and support we wouldn't be able to prosper in the ways that we have. Thank you to all of the Danville parents who encouraged your children to read and grow with us in 2016.

Thank you to the Staff and Library Trustees for your tireless efforts to make the Library such a

vibrant pillar of our town. Thank you to John Caldwell of *Acre Shaper Landscaper* and Bob Chase of *Chase Landscape & Labor* for donating materials for our new flower gardens.

Thank you to Eric Sanchez, Luke Sanchez, and Carol Fortin for donating their time and energy to help build our new flower gardens. Most importantly, we would like to thank our library members and everyone in the community who helped us to make 2016 such a memorable year.

Library Hours		
Monday	12:00 pm – 8:00 pm	
Tuesday	12:00 pm – 8:00 pm	
Wednesday	10:00 am - 6:00 pm	
Thursday	10:00 am - 6:00 pm	
Friday	Closed	
Saturday	10:00 am - 1:00 pm	
Sunday	Closed	

Respectfully submitted,

Dottie Billbrough, Director of Library Services Mary Elizabeth Seals, Library Trustee Mark Sullivan, Library Trustee Sarah Weston, Library Trustee

# **2016 Planning Board Annual Report**

In 2016, the Danville Planning Board saw continued interest in residential development and continued interest in commercial development within the Town. While development has not returned to the levels seen prior to 2008, it is clear that the Town is once again attractive to developers. Commercial development in the southern portion of town has definitely increased over the past few years. Long-term, the Planning Board anticipates that growth will continue due to the Town's location and rural environment.

The Planning Board continues to review all subdivision, site plan, and excavation applications to make sure they meet state and local regulations and to help maintain the rural nature of Danville. The Planning Board reviews each of the applications at our regularly scheduled meetings, has all plans reviewed by both the Conservation Commission and Town Engineer, and then conducts an on-site examination of the proposed development site. The Planning Board also calls on the expertise of the Road Agent, Heritage Committee, Board of Selectmen, Fire Department, and Police Department, as required, to perform an appropriate review.

The Planning Board has placed several Zoning Warrant Articles on the ballot for 2017. These

Warrant Articles: Provide consistency in the number of parking required for multiple unit dwellings; Modify the roadway setback for signs; change the board that issues conditional use permits from the Board of Selectmen to the Planning Board; Corrects the boundaries of the highway commercial and light industrial zone by referencing the official Zoning Map; Updates the section related to Accessory Dwelling Units to bring it into conformance with recent changes to New Hampshire State Law; Exempt houses that were razed and rebuilt within two years from being assessed a new Impact Fee; Correct the boundaries of the Mobile Home/Manufactured Homes zone; Correct the date of the establishment of a second burial ground adjacent to the meeting house; and adjust the fire suppression requirements to explicitly include residential structures with three or more dwelling

units and to clarify other portions of the fire protection ordinance. The Board asks for your support of these Articles.

The Planning Board has been encouraged by the large amount of interest in planning issues shown by the residents of Danville. Our hearings have been well attended with a wide diversity of thoughts expressed. In addition, many of the Town's residents watch our meetings on Danville's cable channel 20 or our new video streaming through the town website. This type of participation helps ensure that development in Danville is managed appropriately. The Planning Board meets on the second and fourth Thursdays of the month at 7:30PM in the Town Hall. We invite you to join us at these meetings and invite you to get involved with the activities of the Board.

The Planning Board is currently looking for new members. In addition to the positions up for election in March, the Planning Board currently has open positions for alternates. These full and alternate positions provide an excellent opportunity to learn about the activities of the Board and the Town regulations/ordinances. If you're interested in one of the alternate positions, please contact the Planning Board Chairman.

A complete listing of the applications that came before the Planning Board and the status of those applications follows.

## Specific Applications Reviewed by the Planning Board in 2016

**Various Parcels along Route 111.** Site Plan Review for Unitil project along Route 111. Application was withdrawn.

- **Map 1-32 and 1-32-1.** Lot line adjustment for KDRM, LLC for properties at 79 and 97 Sandown Road. Conditional approval granted on 1/28/16. Final approval granted on 2/11/16.
- **Map 3-102.** Preliminary discussion with new owners of the Sunoco Station and Convenience Store on Main St. No action taken.
- **Map 1-24.** Site Plan Review for an electrical utility switching station. This was a revision to a previously approved plan. Approval granted on 3/10/16.
- **Map 3-168.** Site Plan Review for Corey Motors on Main St. This was a revision to a previously approved plan. Approval granted on 3/10/16.
- **Map 4-28.** Site Plan Review for Gravel Pit located off Main St. The applicant wished to transfer ownership. Conditional approval granted on 2/11/16. Final approval granted on 3/24/16.
- **Map CF-H, CF-I, and CF-J.** Site plan review for Cotton Farms MHP, LLC for 41, 43, and 47 Beatrice Street. Conditional Approval granted on 2/25/16. Final approval granted on 4/14/16.
- **Map 4-237.** Site plan review for Uncle Bob's storage on Kingston Rd. This was for a transfer of ownership. Approval granted on 5/26/16.
- **Map 3-59-A1.** Preliminary discussion with owner potential commercial development of this lot on Main St. No action taken.
- **Map 4-12-1.** Preliminary discussion regarding potential subdivision off Billy's Way. No action taken.
- **Map 4-14.** Site plan review for ownership transfer of Four Seasons to Rock Rimmon Cooperative on Long Pond Road as well as reconfiguration of the front entrance. Approval granted on 7/28/16.

- **Map 2-75.** Stage 3 Subdivision review for land on Main St. near the Old Meeting House. Conditional approval granted on 8/25/16.
- **Map 1-46.** Review of plans presented by Terra Realty Trust for Tuckertown Road for conformance with a prior court decision. Review continued into 2017.
- **Map 3-140.** Preliminary discussion regarding potential subdivision off Route 121A in Sandown. No action taken.
- **Map 1-24.** Preliminary discussion with Eversource (represented by GZA) regarding Line Maintenance work and the requirement for a conditional use permit. The planning board sent a recommendation to the Board of Selectmen to approve the Conditional Use Permit (with some recommendations) on 9/22/16.

**Map 3-59-A1.** Preliminary discussion regarding potential development in the Danville Village District. No action taken.

**Map 4-20-3.** Preliminary discussion regarding potential conversion of property at 150 Emerald Drive into a condominium. No action taken.

**Map 1-45-15.** Request for extension of conditional approval for Caleb Corners II subdivision. Extension granted on 11/10/16.

**Map CF-H, CF-I and CF-J.** Site plan review for Cotton Farms MHP, LLC for building 41, 43, and 47 Beatrice Street. This was a revision to a previously approved plan. Approval granted on 12/8/16

Barry Hantman, Chairman Chip Current, Vice Chairman Chris Giordano, Selectmen's Representative Jim Castine, Member David Cogswell, Member Chris Smith, Member Roger Whitehouse, Member Haeyoon Jacobus, Alternate Janet Denison, Board Clerk

# **2016 Building Inspector Annual Report**

During 2016, a total of 86 permits were issued on new homes, garages, renovations, pools, and solar panels. \$4,128.67 in building permit fees were returned to the town. Additionally,

\$2,421.25 in electrical fees, \$1414.75 in plumbing and mechanical fees, and \$350.00 in health department fees were returned to the town. This totals \$8,314.70 in total building related fees. During the year the fee schedule was revised to reflect a truer value for the work that is performed in town, making the fees fairer to the town as well as the homeowner. I thank the Board of

Selectmen for their cooperation during this process. I also thank the knowledgeable and courteous employees at the town hall for their support and assistance.

To assist you with your home improvement plans, both before you begin and during the projects, information has been added to the website.

I am available every Wednesday starting at 6:00pm in the town hall to discuss any questions you may have. Other appointments can be made as needed. I can be reached by calling 978-382-2016 or 603-382-8253, extension 4.

Ed Morrison Building Inspector

## 2016 Danville Community Center Annual Report

The Community Center continues to be a busy and important part of our town. It is rented on a regular basis for functions and parties of all types. These rentals allow us to offer the center at no charge to community organizations such as the Boy Scouts, Girl Scouts, Brownies and

Daisies, Cub Scouts, and the American Legion. The town also uses the center for sports banquets, Senior Luncheon, Tree Lighting pizza party, summer movie nights, and neighborhood association meetings. The Danville Youth League and Pop Warner football registrations are

held here. The Center and neighboring field are hosts to many Old Home Day activities, including the very successful annual flea market.

The Center supported three Red Cross blood Drives this year due to the participation of the area blood donors. Thank you all so much for your support in this important drive.

With support from the Danville Highway Department, we were able to resurface and stripe the parking lots. This finishes the parking lot improvements begun in 2014 when the highway department installed new stairs and railings between the lower and upper parking lots.

We had a few more improvements this year and are currently working on turning the old "industrial" kitchen into a meeting room to be used for smaller events as well as our secondary Emergency Command Center in the event of a disaster. A locked closet was built to house election paraphernalia for the Town Clerk and the town Moderator and counters were installed at the north end of the large facility room. Next are plans to update the small room behind the new kitchen area. We have also budgeted for landscaping this year and hope to create an event center for the town that looks as wonderful outside as has become inside.

The Center looks forward to everyone's participation in Town events and welcomes all ideas, helping hands, and input as we work together to build a Center that is enjoyed by all.

Ed Morrison, Chairman Allan Hess, Vice-Chair Kim Burnham, Secretary Mark Roy Patricia Shogren

Chief Parsons and Officer Merced teaching radKIDS\* at the Elementary School

## 2016 Old Home Day Annual Report

In 2016, Old Home day weekend continued to expand its venues. In addition to movie night, the road race, fun run, Adventurlore, fireworks, flea market, live music, town picnic, cruise night, story time, meeting house service, and open house for historical town buildings, the Fire Association Lobster bake was added and well attended. Weather for the weekend was excellent and participation in the various events was enthusiastic.

The weekend kicked off on Friday at Day field with movie night. On Saturday, Danville Old Home Day four mile road race included 72 runners and more than 25 kids participating in the post race Fun Run. Adventurlore opened its ropes course to the town along with swimming and kayaking in long pond. The Fire Association lobster bake was delicious and Saturday night capped a great day with fireworks at Colby Pond.

Sunday started with the annual Danville Police Department's flea market at Day Field and Boy Scout Flag Raising at the Old Meeting House with a special rendition of the Star Spangled Banner by the a cappella group from Let's Play Music. The annual Old Meeting House service took place on Sunday morning and live music from local performers was heard on Day field. The Danville Baptist Church sponsored a town picnic and served town residents. The picnic was followed by The Party Fun games, facepainting, popcorn and bouncy house. The classic car show was held in Danville Market parking lot and the Colby library held story time under the tents.

Opening the various historical buildings in town is a key element of Old Home Day. The North Danville Union Church, Samuel & Peter Sargent Cooperage house, White Schoolhouse, Sanborn Library, Little Red Schoolhouse, Webster Stage Coach Stop, and the Old Meeting House were all open for viewing on Sunday afternoon. A small bus with tour guide was provided to allow easy access for residents to visit these buildings and get a glimpse into Danville's past. Overall, the weekend was a great success and a wonderful opportunity for the town to congregate and enjoy a weekend filled with music, food, fun, and some town history.

We look forward to celebrating Old Home Day again in 2017. If town residents have any suggestions or interest in volunteering to help plan or implement Old Home day weekend, please contact the Danville Recreation Committee.

Chris Stafford, 2016 Old Home Day Committee Chair

## **2016 Heritage Commission Annual Report**

The Heritage Commission was involved in numerous projects, ventures and objectives this year, which included the following:

Meeting House Stewardship and Maintenance: We are pleased to report that the Rockingham Probate Court granted permission this fall for the town to use money from the Parsonage Fund for maintenance of the Meeting House. Money from the Parsonage Fund will be used to help pay for the building's new and much-needed roof and future maintenance. This summer the Board of Selectmen, Heritage Commission and Olde Meeting House Association also entered into a Stewardship Agreement as partners for ongoing protection of this important historic building.

Eagle Scout Community Project: We congratulate Caleb Chretien on attaining his Eagle Scout rank in the fall of 2016 and thank him for choosing the Heritage Commission for his Eagle Scout project. Caleb worked for nearly two years under sponsorship of the Heritage Commission to develop plans, raise funds and execute the work to create a walking trail on the Tuckertown Rangeway land extending from Caleb Drive to the Sandown town line. This was the last section of the

walking trail that needed clearing. Caleb's project is a significant community contribution to the people of Danville: he has provided another trail for the public to enjoy and helped to preserve another important piece of our town's history.

Old Home Day: Members of the Heritage Commission, dressed in colonial finery, once again assisted with staffing historic buildings that were open for the 2016 Old Home Day celebration. It was a busy day, with many visitors to all buildings. Nearly 75 people who came to see the Webster Stagecoach Stop & Store received the new informational brochure and bookmarks about the building that were completed by the Commission this year.

Halloween Event: The Heritage Commission and Recreation Commission partnered to present a joint Halloween event in the Historic District on October 29, 2016. Activities included a "spooky walk" along Tuckertown Road, with spookers and treats along the way, and s'mores around a fire at the end. Glenn Knoblock, a recognized speaker on gravestones, the stories

they tell and their design and artwork, conducted a walking tour of Ye Olde Cemetery and the Old Meeting House Cemetery. Approximately 50 people participated in the cemetery walking tour, which was funded by a grant the Heritage Commission received from the New Hampshire Humanities Association. The Meeting House was also open to visitors during the events.

Terra Realty Trust and Tuckertown Road: Terra Realty, which received court permission in 1998 to use Tuckertown Road for commercial hauling of gravel from land it owns northwest of the road, returned to the town this year to move forward with plans for that project. The process is ongoing at this time and plans have not yet been finalized. The Heritage Commission did submit comments to the Selectmen and Planning Board concerning Terra's proposed changes to Tuckertown Road for that project.

Meetinghouse Subdivision: For nearly seven months the Heritage Commission has been actively involved with a subdivision on land that abuts the Historic District zone south of where the Meeting House and Old Meeting House Cemetery are located. Heritage members participated in Planning Board hearings and recently filed an administrative appeal with the Zoning Board of Adjustment. Proceedings and hearings may continue into 2017 on this matter.

Former Heritage member, Bill Gard donated a wonderful wooden sign, with the words "N. Webster" in gild, to the Stagecoach Stop. The sign was once displayed at the Webster property and was purchased by Bill at an auction. The Heritage Commission also received a \$200 incentive payment from LCHIP again this year for our annual easement report on the Stagecoach Stop & Store, which was deposited into the Heritage Fund. The 7-year LCHIP easement on the building expires in September of 2017. Upon expiration LCHIP will no longer monitor the town's maintenance of the building and the Heritage Commission will no longer be required to file annual reports.

We said goodbye and hello to Heritage Commission members this year. Mary Ann DiStefano and Michelle Boyd resigned due to family commitments and we thank them for their time and service on the board. Judi Cogswell joined the Commission as the Selectmen's member. Additional new members include Jim Castine, Marguerite Guilmette, Brenda Whitehouse and Stacie O'Connor.

The Heritage Commission is actively involved in many activities that honor our Town in a positive and special way. Our projects are interesting and fun, and we continue to discover new and exciting information about our Town's history. Being a member is an opportunity to learn about and understand our town's past as we move into the future.

The Town's Heritage Fund is available for those who would like to make a monetary contribution towards preserving historic town-owned structures. The Heritage Fund is dedicated to public purposes and donations to the fund are therefore tax deductible under section 170(c)(1) of the Internal Revenue Code. Arrangements for donations may be made by contacting the Heritage Commission.

Carol Baird, Chairman Linda Roth, Vice Chairman Aamber-Rose McIntyre, Member Jim Castine, Member Marguerite Guilmette, Alternate Brenda Whitehouse, Alternate Stacie O'Connor, Alternate Judi Cogswell, Selectman Member

## 2016 Zoning Board of Adjustment Annual Report

The Danville Zoning Board of Adjustment (ZBA) is a five member volunteer board. The principle role of the ZBA is to review applications for variances, special exceptions, equitable waiver of dimensional requirements, and appeals of administrative decisions related to zoning. Each application is reviewed on its own merits and decisions are made independent of the outcome of other previous applications.

During 2016, the board held hearings related to nine applications. Four variance applications were reviewed. Two variances were denied, one was granted with restrictions, and one was continued. Two special exceptions were granted and one was continued. One appeal of administrative decision was approved and one was denied.

The ZBA meets on Tuesday evenings as needed. Hearing notices are posted at the Town Hall, Town Website, and listed in a local newspaper. All abutters to the property included in any application receive a certified letter of notification of the upcoming hearing. Those seeking a hearing with the ZBA may contact the clerk who will assist them in filling out the application and abutters list. All applications require a public hearing. The requirement for the hearing is outlined in RSA 676:7.

# **2016 Cemetery Trustees Annual Report**

This past year we have continued to have the stones cleaned, repaired, and reset as needed in Center Cemetery. We are slowly working our way through that cemetery, but the winter months, especially with the temperature fluctuations we've experience, tend to wear down the older stones, making them break more easily than the newer ones.

We have also submitted to the Engineer, who is working with us on the mapping project, the final drawings of Center Cemetery, minus the new section. We are hoping to finalize this and have it on the town website by the end of 2017.

The cemeteries are open for burials from April 15<sup>th</sup> to November 15<sup>th</sup>. After November 15<sup>th</sup> the cemeteries are closed and travel in the cemeteries is very limited. Please take care if you are visiting during the winter as you can get stuck in various areas

Planting in the cemeteries should be limited to annuals or small perennials. Large perennials tend to overrun your plot as well as neighboring plots and areas.

If you have any questions, please do not he sitate to contact a Trustee.

Beth Caillouette Leon Buzzell Constance Metcalfe

## **2016 Conservation Commission Annual Report**

During 2016 the Conservation Commission again welcomed additional people taking direct roles in our activities, and we thank others voicing support and appreciation for what we do on the town's behalf. Too much to describe it all, but as a sample two areas of activity included:

#### **Town Forest**

As in 2015, Danville Conservation and Danville Forestry again coordinated with the Rockingham County work crews to clean up one area of Town Forest which has long been a problem trash area. By way of measuring success, 2015 saw the removal of 21 large barrels of trash but in 2016 only a few barrels were hauled off, and much of that was from remains that had not been previously cleared. It should be noted that this reduction came from the combined efforts of Bruce Caillouette (Road Agent) and the Highway Department, Danville Police, Forestry, and Conservation.

Focus on the Town Forest, and access to it, continued when Conservation and Forestry called on Allan Hess to repair beaver overflow pipes, a reoccurring maintenance item at the Great Meadow, that he oversaw using the County work crew. "Oversaw" needs clarification: we know he literally jumped in with both feet and got soaked, because he is a "do-er" who does not sit on the sidelines just talking and "directing".

#### **Sanborn Family Agricultural and Recreational Commons**

Work at the Sanborn Family Agricultural and Recreational Commons continues, with a multi-use approach designed to make it useful and enjoyable for (human) town residents, as well as attractive and supportive for (wild) residents. Access has been improved by the addition of a parking area at the sign on right about 200 yards down Back Road, located in such a way as to be nearby the area reserved for a (future) community garden. This parking may be increased based on use.

Pruning by Robert Loree (arborist and Conservation Commission member) during the last four years has saved and reinvigorated several older apple trees, and he has planted four young trees of different varieties. During this years' drought he trucked water and tended them all summer, as they did not yet have an established root system, and they are now doing well. If that were not enough effort by him, he has also started (from root stock and seed) 30 additional trees that will be ready for grafting this spring, depending on survival rates.

About \$1,000 of volunteer investment was wiped out in the orchard as a black bear visited twice and completely destroyed two bee hives that required two years of development to reach a productive status. These had been excellent additions to support apples and blueberries for townspeople, as well as other plant life, and we are already working with the beekeeper to have them re-established.

Work in the orchard, road and trail improvement, and selective cutting of the woodlot provided a large amount of firewood to heat our Town Garage and to help town residents in need of fuel. Please contact our Town Welfare office for more information about this, and pitch in help where required.

Thank you to the citizens of Danville for their support,

Carsten Springer, Chairman Robert Loree Allan Hess Jason Holder, Vice Chairman David Caillouette Patty Shogren, alternate

## **2016 Cable Committee Annual Report**

During 2016, Danville's Cable Channel 20 continued to provide the residents of Danville with access to almost all of the Town committee and board meetings. Virtually all Board of Selectmen meetings, Heritage Committee meetings, Conservation Committee meetings, Planning Board meetings, Forestry Committee meetings and Budget Committee meetings were televised. Late in the year, Recreation Committee meetings were also added to the schedule. In addition, these meetings were rebroadcast several times throughout the week providing additional viewing opportunities. In addition, local church services have been broadcast each Sunday morning.

In 2016, we added a live and on-demand streaming capability to our system. All of the televised meetings are now available for streaming at a time of your choosing from your PC or cell phone. Simply visit the Town's web site and click on the "Meeting Videos" button. The live streaming capability has been well received and we will continue to expand this capability as we go forward.

When meetings are not being televised, Danville's Channel 20 broadcasts the Town's electronic bulletin board that provides information about upcoming Town and community events.

The Schedule for Channel 20 is as follows:

Sunday		Wednesday	
9:00am	Danville Baptist Church	9:00am	Planning Board (rerun)
11:00am	Forestry Committee (rerun)	1:00pm	Conservation Commission
3:00pm	Planning Board (rerun)	•	(rerun)

Monday		7:00pm	Forestry Committee (live –
9:00am	Conservation Commission	•	monthly)
	(rerun)	7:30pm	Heritage Commission (live
1:00 pm	Heritage Commission (rerun)		- biweekly)
4:00pm	Selectmen (rerun)	Thursday	
7:00pm	Selectmen (live)	9:00am	Selectmen (rerun)
		3:00pm	Planning Board (rerun)
Tuesday		7:30pm	Conservation Commission
9:00am	Heritage Commission (rerun)	. тоор	or Planning Board (Live)
1:00pm	Budget Committee (rerun)		or riaming board (Live)
4:00pm	Conservation Commission	Friday	
•	(rerun)	9:00are	Forestry Committee (rerun)
7:00pm	Budget Committee (live)	1:00pm	Selectmen (rerun)
	(110)	4:00pm	Budget Committee (rerun)

It is important to note that the Town's Cable TV System operates with no impact to the Town's Tax Rate. The funds are provided by Comcast based on fees returned to the Town in accordance with our franchise agreement.

We hope you enjoy watching Danville's Cable TV channel and hope that you find it useful and informative. We would appreciate any suggestions that you might have.

Barry Hantman, Cable Coordinator Paul Boyd, Lead Camera Operator Taylor Conlon, Camera Operator

## **2016 Elections Annual Report**

We'd like to thank the residents of Danville for the great turnout at the polls this year. Danville's turnout has consistently been above the State average and it great to see the residents of Danville doing their patriotic duty. John F. Kennedy once said "Political action is the highest responsibility of a citizen."

The recent presidential election showed an extremely high voter turnout in Danville. Over 2500 Danville residents cast their ballot, many voting for the first time. This represented over 75% voter participation. Our democracy is strong because of you! Although we had a record number of people voting, the election officials made sure that the lines moved smoothly and quickly.

If you ever think that your vote won't matter, keep in mind that Danville has had races end in a tie in the recent past. A single vote in that election one way or the other would have made a difference.

Franklin D. Roosevelt said it succinctly: "Nobody will ever deprive the American people of the right to vote except the American people themselves and the only way they could do this is by not voting." So, please continue to come out and vote on Election Day. In the recent mid-term congressional elections, just 36.4 percent of eligible voters turned out nation-wide, the lowest in 70 years. Let's show that the residents of Danville treasure our right to vote. Remember, elections are determined by the people who show up.

We look forward to seeing you at the polls.

Barry Hantman, Moderator

Christine Tracy, Town Clerk

# **2016 Animal Control Annual Report**

The Animal Control Officer (ACO) enforces state laws and town ordinances pertaining to domestic animals and is dedicated to serving the community as it relates to both humans and animals. In 2016, the ACO responded to many calls and complaints. These involved everything from cruelty complaints, lost dogs/cats, found dogs/cats, loose livestock, loose dogs, injured animals, animal bites, abandoned animals, maintaining licensing and serving civil forfeitures.

Dog Licensing had over 1046 dogs licensed this year. Licensing is required by NH Law to ensure all dogs carry a current rabies vaccine. Over 144 civil forfeitures were issued this year relating to unlicensed dogs. This count is up from last year. Licensing is required by law and aids in getting your dog home quickly when they wander. Accidents happen and dogs get out. Current licenses can be the difference between being returned in minutes or an overnight stay at the kennel. Please confirm your contact information is correct so you can be contacted quickly in any event related to your dog. Dogs must be licensed each year by April 30<sup>th</sup> as required by State Law. Please notify the Town Clerk if you no longer have your dog.

New Hampshire has great companion animal spay/neuter programs. \$2.00 from every license goes to the companion overpopulation fund and \$.50 of each license goes to the Department of Agriculture for the operation of the veterinary diagnostic lab. These programs put New Hampshire in the group of top contenders for minimal shelter overcrowding.

Sheila Johannesen

## 2016 Mosquito Control Annual Report

The 2016 drought impact on the plant and animal kingdom has been tough, but it dried up the mosquito season. Test results revealed only one batch of West Nile Virus (WNV) mosquitoes from Nashua. No human cases were reported in NH. No evidence of Eastern Equine Encephalitis (EEE) in the state this year. Dry summers favor WNV while wet years favor EEE.

We continue to look for the Asian tiger mosquito, *Aedes albopictus*, known to transmit ZIKA. This mosquito has been found in Massachusetts and Connecticut. No species of mosquitoes capable of transmitting the ZIKA virus have been found in New Hampshire yet, but is expected to make its way eventually as the climate warms. Until such time, we'll identify the potential larval habitats used by this mosquito and set traps to catch and identify adult mosquitoes.

Adult mosquitoes were monitored at four locations throughout town. Mosquitoes were collected in light traps, identified to species, and select species were sent to the State Lab in Concord where they were tested for diseases. None of the mosquitoes collected in Danville tested positive for disease in 2016. Dragon has identified 132 larval mosquito habitats in the Town of Danville. Crews checked larval habitats 365 times throughout the season. There were 39 treatments to eliminate mosquito larvae. In addition, 179 catch basin treatments were made to combat disease carrying mosquitoes. Spraying to control adult mosquitoes was not conducted last season.

Residents who do not want their wetlands treated may use our No-Spray Registry online at <a href="https://www.DragonMosquito.com/No-Spray-Registry">www.DragonMosquito.com/No-Spray-Registry</a> or write to Dragon Mosquito Control, P.O. Box 46, Stratham, NH 03885. Include your name, physical address, phone number, description of your house, road frontage and type of wetland. Check out our web site: <a href="https://www.dragonmosquito.com">www.dragonmosquito.com</a> where you can request a larval survey, sign up for email alerts or follow us on Twitter and Facebook.

# **2016 Forestry Committee Annual Report**

2016 was another great year for the Town Forest to be enjoyed by all. With so many trails and wildlife to enjoy, it is a great place to walk, hike, snowshoe, and cross country ski! Everyone is welcome to enjoy the beautiful nature of the Town Forest right here in our own backyard! With ample parking just south of the Old Meeting House, it is a great place for the whole family to get out and spend some time together!

In 2016 we saw continued growth of the 2014 cut in the managed area. We had suspended additional work to allow Eversource to complete their 2016 projects. In 2017, we plan on resuming our scheduled maintenance of the town forest. We will continue to work with a licensed forester to follow our Forest Management Plan. Through the proactive management of the forest, it enables us to promote a healthy and sustainable resource for our town. We look forward to keeping this a wonderful space to be enjoyed by generations to come.
