Dedication

Elisabeth (Betsy) Sanders *1945-2020*

She will be missed.

In March of this year we lost a longtime resident, Betsy Sanders, who had been very involved in our community. Betsy was a State Representative for Rockingham County District 12, for six terms. She also served on the Budget Committee, was Town Treasurer, a member of the Southeast Land Trust, a member of The Village Improvement and Red Schoolhouse Historical Society, and the D.A.R.

2020 Board of Selectmen's Message

This has been a challenging year for Danville. Due to the COVID-19 pandemic we closed the Town Hall, except by appointment, for the safety of our staff and residents with a re-opening in September. Residents were asked to use our online services for auto registrations, dog licensing and for paying taxes. We cancelled our Memorial Day Parade, Fourth of July fireworks display, and Old Homes Day. Selectman, Sheila Johanneson, applied for and received a Cares Act Grant of over \$100,000 for personal protective equipment, training, and cleaning supplies for the Town. Thank you, Sheila! The Town has had many active cases of COVID-19 over the year, and on November 19th Governor Sununu ordered a mask mandate to mitigate the spread of the virus. Please wear a mask and practice social distancing when you come to Town Hall.

Earlier this year two members of our staff, Janet Denison and Patricia Hess left after 10 years of service each. Thank you for your service! We are pleased to announce new staff members Gail Turilli, Patricia Sarcione, and Kimberly T. Burnham as our Land Use/Assessing Clerk, Finance Director, and Selectmen's Administrator respectively.

We thank Brian Lockard for his 34 years of service as Health Officer and Mark Roy for his many years serving the town on the police department and highway department.

Our long-awaited highway salt shed has been built! The Town had placed money into a salt shed capital reserve fund for many years.

Thank you to all of our town employees and also the volunteers who serve on our committees and boards. Let's hope that 2021 is a safer and happier year for Danville and the world.

To the Board of Selectmen
Town of Danville, New Hampshire

In planning and performing our audit of the basic financial statements of the Town of Danville, New Hampshire, as of and for the year ended December 31, 2019, in accordance with auditing standards generally accepted in the United States of America, we considered the Town's internal accounting control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Town's internal control. Accordingly, we do not express an opinion on the effectiveness of the Town's internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A material weakness is a deficiency or combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

- *Reasonably possible.* The chance of the future event or events occurring is more than remote but less than likely.
- *Probable.* The future event or events are likely to occur.

Our consideration of internal control was for the limited purpose described in the first paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

During our audit, we became aware of other matters that we believe represent opportunities for strengthening internal controls and operating efficiency. The recommendations that accompany this letter summarize our comments and suggestions concerning these matters.

Merrimack, New Hampshire
Andover, Massachusetts
Greenfield, Massachusetts
Ellsworth, Maine

800.282.2440 | melansoncpas.com

The Town's written responses to our comments and suggestions have not been subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on them.

This communication is intended solely for the information and use of management, the Board of Selectmen, and others within the Town, and is not intended to be and should not be used by anyone other than these specified parties.

After you have had an opportunity to consider our comments and recommendations, we would be pleased to discuss them with you.

A handwritten signature in dark ink that reads "Melanson".

October 20, 2020

PRIOR YEAR RECOMMENDATION

1. Improve Payroll Documentation

Prior Year Issue:

In the prior year, we recommended the Town improve payroll documentation.

Current Year Status:

The pay rate for all library employees selected for testing were formally approved by the Library Trustees. However, the Fire Department wage matrix was not formally approved by the Fire Ward and Town employees' wage matrix was not formally approved by the Board of Selectmen.

Additionally, we noted the following issues during current year payroll testing:

- A wage matrix is provided to support the pay rates of hourly employees that is informally approved by the Board of Selectmen during the budget process. The actual pay rate paid to seven Town employees in 2019 selected for testing did not agree to the wage matrix and the Town was unable to provide approvals for the actual pay rates that were paid.
- The pay rate of the Animal Control Officer was not formally approved.
- The only approval the Town could provide for the Highway Administrative Assistant's pay rate was the approved payroll manifest. This is not an adequate approval for an employee's pay rate.

Further Action Needed:

We continue to recommend the Fire Ward and Board of Selectmen review the salaries and wages of all employees to ensure properly authorized amounts are being paid. We further recommend that procedures be established to maintain up-to-date documentation of all pay rates in employee files, such as personnel action forms that are prepared and formally approved when an employee receives a change in pay rate. This will help to ensure that proper wages are paid for all employees.

Town's Response:

The Finance Department will work with the Fire Ward and Board of Selectmen to ensure that all employees are paid per authorized wages. Documentation of pay rate changes is submitted to the Finance Department prior to making salary adjustments. The documentation is then filed in the employees' personnel folders.

CURRENT YEAR RECOMMENDATIONS

2. Expand Chart of Accounts

Most of the Town's Special Revenue Funds and Trust Funds are not accounted for in the Town's general ledger which should operate as the cornerstone of a complete accounting system. As a result, the ledger lacks completeness and the internal controls surrounding these funds varies substantially.

The following funds are not reported in the general ledger:

- Cable Access
- Rescue Vehicle
- Police Detail
- Recreation
- Heritage
- Conservation
- Public Safety Services
- Forestry
- Asset Forfeiture
- Library Trustees
- Trustees of Trust Funds

We recommend the Town expand the general ledger chart of accounts and utilize the single general ledger to account for these activities. Implementation of these recommendations will result in a more complete general ledger and improve the oversight of these activities.

Town's Response:

We are in the process of implementing a new accounting software that will expand the chart of accounts to include the funds held by the Treasurer.

3. Improve Accounting for Current Use Tax Activity

During our testing of tax receivables, we noticed that the current use receivable as of December 31, 2019 did not agree to the Tax Collector Unpaid Report by \$107,236. Per review of the general ledger detail, all 2019 commitments and abatements were not recorded.

We recommend all commitments and abatements be recorded to the general ledger at their gross amounts. Additionally, we recommend the current use receivable balance be reconciled to the Tax Collector Unpaid Report on a monthly basis.

Town's Response:

The accounting for current use tax activity will be recorded per your recommendations and reconciled monthly.

4. Other Issues

We noted the following areas where improvements need to be made:

- Cash reconciliations should be signed by a preparer and a reviewer.
- The Town Administrator should require approved invoices for all reimbursements before processing payments.
- Reimbursements to Department Heads should be approved by a second individual.
- The Assessing/Land Use Clerk should ensure that the permit tracking spreadsheet is accurate, reconciles to the general ledger, and reconciles to the cash in the bank.
- The beginning principal and income balances reported on the MS-9 should agree to the ending balances on the prior year MS-9.
- All Town owned equipment should be stored on Town property.
- A reconciliation of the balance in the Health Insurance Reimbursement account should be prepared at year end to ensure the Town is being reimbursed by the Library and Road Agent for the current amount.
- In 2018, there were five ongoing PREA projects that were not included on the 2019 tracking excel spreadsheets. The 2019 tracking excel spreadsheets should be updated to include these projects.
- The Town Administrator should send letters to local banks requesting a listing of all bank accounts under the Town's name or EIN.
- The revenue budget per the general ledger should be reconciled to the MS-434-R.

We recommend the Town implement these recommendations in order to improve the safeguards of Town assets.

Town's Response:

The Finance Director will work with the Board of Selectmen to address these issues and implement changes as needed.

5. Prepare for GASB Statements 84 and 87

GASB Statements 84 and 87 will apply to the Town in 2020 and 2021, respectively. Statement 84 addresses Fiduciary Activities and may require changes in how the Town accounts and reported these activities. Statement 87 addresses leases and significantly

changes the accounting standards for leases and will now require various leases to be reported on the Town's balance sheet.

We recommend the Finance Department prepare for these accounting changes by ensuring all departments are aware of the pending changes. The Finance Department should also consider establishing a lease accounting policy to ensure all material leases are properly identified.

Town's Response:

The Finance Director will work with the Board of Selectmen to establish a lease accounting policy, as necessary.

Requirements for Semi-Annual Billing

Pursuant to RSA 76:15-a

76:15-a Semi-Annual Collection of Taxes in Certain Towns and Cities - I. Taxes shall be collected in the following manner in towns and cities which adopt the provisions of this section in the manner set out in RSA 76:15-b. A partial payment of the taxes assessed on April 1 in any tax year shall be computed by taking the prior year's assessed valuation times 1/2 of the previous year's tax rate; provided, however, that whenever it shall appear to the selectmen or assessors that certain individual properties have physically changed in valuation, they may use the current year's appraisal times 1/2 the previous year's tax rate to compute the partial payment.

Danville	Total Tax Rate	Semi-Annual Tax Rate

Associated Villages		

Fund Balance Retention

Enterprise Funds and Current Year Bonds	\$0
General Fund Operating Expenses	\$12,652,019
Final Overlay	\$13,105

DRA has provided a reference range of fund balance retention amounts below. Please utilize these ranges in the determination of the adequacy of your municipality's unrestricted fund balance, as currently defined in GASB Statement 54. Retention amounts, as part of the municipality's stabilization fund policy [1], should be assessed dependent upon your governments own long-term forecasts and special circumstances. Please note that current best practices published by GFOA recommend, at a minimum, that "...general purpose governments, regardless of size, maintain unrestricted fund balance in their general fund of no less than two months of regular general fund operating revenues or regular general fund operating expenditures." [2],[3]

[1] The National Advisory Council on State and Local Budgeting (NACSLB), (1998), *Framework for Improved State and Local Government Budgeting: Recommended Budget Practices (4.1)*, pg. 17.

2020 Town Clerk Annual Report

The Town Clerk's office would like to thank the residents of Danville for their support and patience during the last 10 months during the Covid-19 crisis and for their continued support in the year to come.

After the tumultuous year the whole town has had, the Town Clerk's office is happy to be open their regular hours: open Mon-Wed: 8:00 am – 4:00 pm, Thur: 11:00 am – 7:00 pm, closed on Fridays.

Please, for your protection and ours, we request you wear a mask. For your convenience, we accept cash, checks, and credit/debit cards. Renewal registrations can be done in the office, by mail, or online at www.townofdanville.org.

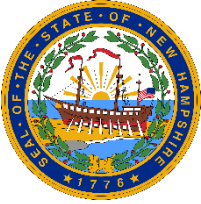

New Hampshire Fun Facts:

- NH was the first State to have its own Constitution.
- Many of Robert Frost's famous poems were inspired by NH
- The 1995 movie Jumanji was filmed in Keene
- A 17 year-old from New Hampshire, Luther C. Ladd, is believed to be the first casualty of the Civil War
- We all know our state motto is "Live Free or Die", but did you know that our state "slogan" is "You're Going To Love It Here"

Christine Tracy, Town Clerk
Susan Griffiths, Deputy Town Clerk
Carol Witherell-Beers, Assistant

2020 Trustees of the Trust Funds Annual Report

During the year 2020, the Trustees of the Trust Funds had the following key activities in the Town of Danville's Capital Reserve Funds:

Capital Reserve Fund (CRF) and Trust Fund Additions for 2020:

- \$ 675.00 to the Municipal Mosquito Control Expendable Trust (WA 2020-20)
- \$ 1,000.00 to the Cemetery CRF (WA 2020-19)
- \$ 2,000.00 to the Colby Memorial Library Leach Field Trust (WA 2020-18)
- \$ 8,000.00 to the Fire Department Personnel Protection Equipment CRF (WA 2020-16)
- \$ 10,000.00 to the Danville Infrastructure & Facility Non-Capital Reserve Fund (WA 2020-13)
- \$ 10,000.00 to the Milfoil Expendable Trust Fund (WA 2020-14)
- \$ 10,000.00 to the Colby Library Infrastructure Fund (WA 2020-15)
- \$ 50,000.00 to the Fire Department CRF for Future Vehicle Purchases (WA 2020-11)

The Highway Sand/Salt Storage Building was erected and the funds were withdrawn as per WA 2019-15. The remaining balance of \$ 4.95 (interest) will remain in the account until a Warrant Article is approved by the Town to close it out.

Danville's Capital Reserve Funds and Trusteed are invested with TD Bank Escrow Direct.

A complete list of all 202 fund and fund activities, along with the year end balances, can be seen in the Report of the Trustees of the Trust Fund in the 2020 Danville Town Report.

Respectfully Submitted,

Kelly Beattie-Hand, Trustee
Kimberly Farah, Trustee
Edward Lang, Trustee

Town of Danville

2021 TOWN WARRANT ARTICLE SUMMARY TO BE VOTED ON June 5, 2021

Dear Resident:

This warrant article listing is being provided to help you better understand the ballot articles on which you will be voting. Articles 2021-03 through 2021-4 inclusive are Planning Board Articles, and 2021-5 through 2021-15 are Selectmen and Department Articles. Any additional Articles are Citizen Petitions. The tax impact noted on the various articles is the Selectmen's best estimate based on the town's 2020 valuation of \$417,218,397 defined by the MS-I line 21.

You will note that some articles have recommendations by the Planning Board, Board of Selectmen, and Budget Committee and some do not. This is a requirement by RSA 32:5, V- (a) which states that only special warrant articles shall contain the notation on whether or not the appropriation is recommended by these Boards. This doesn't mean the Boards do or do not recommend the other Articles. The Boards are not allowed to add this notation except for those warrants required by State law.

Second Session of Annual Meeting (Voting)

You are hereby notified to meet on Tuesday, the 13th day of July 2021, at 8:00 O'clock in the forenoon at the Danville Community Center, Danville, New Hampshire to vote by official ballot on the election of town officials, and on all warrant articles.

Please vote on July 13th; polls will be open 8 AM to 8 PM. You may register to vote on July 13th at the polls (Danville Community Center) if you are not already registered.

Article 2021-01 Choose all necessary Town Officers for the year ensuing.

Article 2021-02 Choose all School District Officers for the year ensuing.

Article 2021-03 Zoning Ordinance - Date Correction

To see if the Town of Danville will vote to amend the Danville Zoning Ordinance to correct dates associated with the Danville Cemetery contained in the Historic District description and section of the Ordinance. Specifically, this would

- Modify the description of Lot 2-74 in Article III E (Historic District) to read "Contains the Old Meeting House Cemetery; burial sites of early families and their descendants, town dignitaries and officials dating to the early 1800's"
- Modify the last sentence of the fourth paragraph of Article XIII, Preface to read "A second public burial ground was established adjacent to the meeting house, with burials dating back to the early 1800's."

Recommended by the Planning Board (6-0)

Article 2021-4 Zoning Ordinance — Amend the Requirements for Installation of a Driveway
To see if the Town of Danville will vote to amend the Danville Zoning Ordinance to clarify the requirements for installation of a driveway. Specifically, this would add a new paragraph to Article VII.I (Driveway Permits) as follows:

5. Driveways within wetlands setback buffers may require a Conditional Use Permit per ARTICLE VII.F.

Recommended by the Planning Board (6-0)

Article 2021-5 Operating Budget

Shall the Town of Danville raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$3,807,767.00. Should this article be defeated, the default budget shall be \$3,807,065.00 which is the same as last year, with certain adjustments required by previous action of the Board of Selectmen or by law; or the governing body may hold one special meeting, in accordance with RSA 40: 13, X and XVI, to take up the issue of a revised operating budget only.

Recommended by the Board of Selectmen (5-0)

Recommended by the Budget Committee (5-0-0)

(Estimated Tax Impact \$5.16 per thousand (Default Estimated Tax Impact \$5.15 per thousand))

Article 2021-6 Fire Dept. Capital Reserve Fund for Future Fire Dept. Vehicle Purchases

To see if the Town of Danville will vote to raise and appropriate the sum of \$100,000.00 to be added to the Fire Dept. Capital Reserve Fund for Future Fire Dept. Vehicle Purchases previously established.

Recommended by the Board of Selectmen (5-0)

Recommended by the Budget Committee (5-0-0)

Estimated Tax Impact \$0.2438 per thousand

Article 2021-7 Danville Infrastructure and Facility Non-Capital Reserve Fund

To see if the Town of Danville will vote to raise and appropriate the sum of \$10,000.00 to be added to the Danville Infrastructure and Facility Non-Capital Reserve Fund previously established.

Recommended by the Board of Selectmen (5-0)

Recommended by the Budget Committee (5-0-0)

Estimated Tax Impact \$0.02438 per thousand

Article 2021-8 Milfoil Control Expendable Trust Fund

To see if the Town of Danville will vote to raise and appropriate the sum of \$10,000.00 to be added to the Milfoil Control Expendable Trust Fund for the purpose of management and eradicating the milfoil

infestation found in Long Pond (or Danville's Ponds/bodies of water) and to name the Selectmen as agents to expend from this Milfoil Control Expendable Trust Fund.

Recommended by the Board of Selectmen (5-0)

Recommended by the Budget Committee (5-0-0)

Estimated Tax Impact \$0.02438 per thousand

Article 2021-9 Fire Department Equipment Capital Reserve Fund

To see if the Town of Danville will vote to raise and appropriate the sum of \$10,000.00 to be added to the Protection of Personnel Equipment Capital Reserve Fund previously established for the future replacement of Self-Contained Breathing Apparatus (SCBA) to protect firefighters, previously established.

Recommended by the Board of Selectmen (5-0)

Recommended by the Budget Committee (5-0-0)

Estimated Tax Impact \$0.1021 per thousand

Article 2021-10 Colby Memorial Library Infrastructure and Facility Non-Capital Reserve Fund

To see if the Town will vote to raise and appropriate the sum of \$5,000.00 to go into this fund for the engineering, repair, and renovation of facilities and the upgrade of the Colby Memorial Library's infrastructure.

Recommended by the Board of Selectmen (5-0)

Recommended by the Budget Committee (5-0-0)

Estimated Tax Impact \$0.02438 per thousand

Article 2021-11 Municipal Mosquito Control Expendable Trust Fund

To see if the Town of Danville will vote to raise and appropriate the sum of \$1 ,400.00 to be added to the Municipal Mosquito Control Expendable Trust Fund established for the purpose of management and spraying for mosquito control.

Recommended by the Board of Selectmen (5-0)

Recommended by the Budget Committee (4-0-1)

Estimated Tax Impact \$0.0034 per thousand

Article 2021-12 Cemetery Capital Reserve Fund

To see if the Town of Danville will vote to raise and appropriate the sum of \$1,000.00 to be placed in the existing Cemetery Capital Reserve for future cemetery expansion.

Recommended by the Board of Selectmen (5-0)

Recommended by the Budget Committee (5-0-0)

Estimated Tax Impact \$0.0024 per thousand

Article 2021-13 Colby Memorial Library Expend Interest

To see if the Town of Danville will vote to raise and appropriate the sum of \$41.27 to purchase books and authorize the use of that amount from the interest income earned from the library's TD Bank checking account and to authorize the expenditure of those funds by the Library Trustees.

Recommended by the Board of Selectmen (5-0)

Recommended by the Budget Committee (5-0-0)

No Tax Impact

Article 2021-14 Establish Capital Reserve Fund for Highway

To see if the town will vote to establish a Highway Capital Reserve Fund under the provisions of RSA 35: 1 for the purpose of purchasing future highway vehicles and equipment and to raise and appropriate the sum of \$5,000.00 to be placed in this fund. Further, to name the Selectmen, as agents to expend from said fund.

Recommended by the Board of Selectmen (5-0)

Recommended by the Budget Committee (5-0-0)

Estimated Tax Impact \$0.0121 per thousand

Article 2021-15 Animal Control Vehicle Replacement Capital Reserve Fund

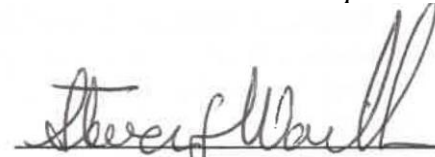

To see if the Town of Danville will vote to establish a Capital Reserve Fund under the provisions of RSA 35: I for the purpose of purchasing an Animal Control Vehicle and raise and appropriate the sum of Five Thousand Dollars (\$5,000.00) to be placed in this fund. Further, to name the Animal Control Officer and Board of Selectmen as agents to expend from said fund.

Recommended by the Board of Selectmen (4-0)

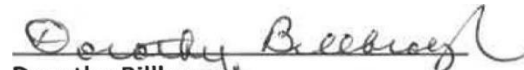

Recommended by the Budget Committee (5-0-0)

Estimated Tax Impact \$0.0121 per thousand

2020 Elections Annual Report

We'd like to thank the residents of Danville for the great turnout at the polls the in 2020. Despite the pandemic, Danville saw a record number of voters participate in the recent Presidential election, both in-person and by absentee ballot. Danville's turnout has consistently been above the State average and it great to see the residents of Danville doing their patriotic duty. Thomas Jefferson once said "We do not have government by the majority. We have government by the majority who participate." The residents of Danville certainly participate.

Democracy in Danville is strong because of your participation! It's especially gratifying to see our younger residents voting, many for their first time. As always, our election officials (ballot clerks, supervisors, selectmen, town clerk, volunteers, police officers, etc.) made sure that the lines moved smoothly and quickly. This was extremely challenging in 2020 as new methods, processes and layouts needed to be employed to ensure a safe election during the pandemic. Multiple voting areas, social distancing, plexiglass barriers, sanitization, and PPE were all employed to keep our election officials and those voting safe.

As mentioned earlier, the Town received a record number of requests for absentee ballots in 2020. Absentee ballots require additional effort by both the Town Clerk (and deputies) prior to the election and by all of the election officials on election day. Danville was able to process all of the absentee ballots in an expeditious manner allowing our results to be reported in a timely manner.

If you ever think that your vote won't matter, keep in mind that Danville has had races end in a tie in the recent past. A single vote in that election, one way or the other, would have made a difference.

Franklin D. Roosevelt said it succinctly: "Nobody will ever deprive the American people of the right to vote except the American people themselves and the only way they could do this is by not voting." Plato reminds us that "One of the penalties for refusing to participate in politics is that you end up being governed by your inferiors."

Make sure your voice continues to be heard in 2021. So, please continue to come out and vote each Election Day or participate via absentee ballot. Let's show that the residents of Danville treasure our right to vote. Remember, voting is 100% more effective than complaining on Facebook.

We look forward to seeing you at the polls.

Barry Hantman, Moderator
Christine Tracy, Town Clerk

2020 Police Department Annual Report

The Danville Police Department is currently staffed with five full-time police officers and one part-time police officer. Our department provides a range of public safety and community-based services. These services include emergency response, criminal investigations, motor vehicle enforcement, juvenile services, and a whole array of community focused crime prevention programs.

This past year was one filled with numerous challenges and it has reshaped the face of law enforcement. Our department has always tried to provide the upmost transparency and we will continue to evolve in partnership with the community to ensure we maintain the highest level of police services and trust of those we serve.

We completed the design plans for a new police station and as you know, the warrant article to proceed with construction was defeated in March. The need for a new facility remains but given the strain the Covid-19 pandemic has placed on the economy, and the uncertainty of a timetable for economic recovery, we have placed our plans on hold. As the situation improves, we will take a closer look at our design plans and move forward with a new proposal. Thank you to everyone who worked on this project. I promise all your efforts will not have been wasted.

We continue to partner with the Danville Elementary School for safety planning and class presentations. We participate in the elementary school's Crisis Team, which is the group that helps facilitate emergency crisis planning. This includes practicing drills throughout the school year. This year, we assisted the entire student body and staff of Danville Elementary with a variety of drills that were conducted at the school property. We hope that these drills will never have to be used in an actual emergency, but having these drills is another way to help be prepared.

We would like to congratulate students at the Danville Elementary School who graduated from the DARE program in March. This was the third graduating class taught by Lieutenant Justine Merced since the program was first introduced to the school in 2018. The DARE curriculum is a ten-week program and teaches students how to make safe and responsible decisions, including what to do when faced with some of the challenges they will inevitably be confronted with at some point during their lives. Thank you to Lieutenant Justine Merced for setting the benchmark as a positive role model and for doing such an outstanding job fostering relationships with the 5th grade students who participated in the program!

This year, we participated again in the National Drug Take-Back Initiative coordinated by the Drug Enforcement Administration (DEA). This event has typically been held twice a year, but due to Covid-19 concerns, there was only one collection which occurred in October. Thank you to all who participated. We set a town record by collecting over 100lbs of unused or expired medications! We also participated in "Beards for Bucks" in October to help support Rockingham County's Child Advocacy Center (CAC).

Beards for Bucks is a fun and exciting fundraiser where male law enforcement officers can grow facial hair for the month of October to support the CAC. Female officers are also able to go "Blue for Bucks" by wearing blue nail polish. The Child Advocacy Center is a non-profit organization that helps nurture child abuse victims and provides a safe environment for them to make their voice heard, as we get to the bottom of the case of abuse or neglect.

Sadly, the Covid-19 pandemic halted most of our community-based events. We were forced to cancel our summer movie nights, Old Home Days, and for the first time in over 20-years, the Annual Christmas Tree Lighting. It is our sincere hope that as the situation improves, we will be able to offer these events in 2021. We look forward to safely "unmasking" and once again sharing smiles and handshakes with everyone.

Lastly, I would like to express my sincere gratitude to the residents of Danville for your vote of confidence and the support you have expressed to me and my entire department, particularly over the past year. Law Enforcement in many parts of the country has been under tight scrutiny, and in some instances rightfully so. Your kind expressions of support here at home however has been deeply humbling. Through passing waivers of encouragement, homes illuminated in blue, offerings of baked goods, and the many, many comments shared of, "Thank you for your service." And a very special thank you to a heartfelt group of residents who surprised us with a hand carved "thin blue line plaque", which is proudly on display in our front office. I am so grateful to be a part of this amazing

community and more so, proud to call Danville home.

As always, my best wishes to all of you for a safe, happy, and healthy 2021!

Chief Wade H. Parsons

2020 Conservation Commission Annual Report

During this unusual year of public meeting size and number being restricted by governmental directives and circumstances, the Conservation Commission continued to have well attended meetings. Our members have met whenever necessary and accomplished everything in a timely and thorough manner relative to all applicants and requests by other town boards, especially the Planning Board. This has been and will be of importance moving into 2021 due to development activity in Danville.

We would like to thank Kim Burnham and Gail Turilli for their efforts supporting the BOS as we all worked to accomplish the purchase of a 3.3 acre parcel scheduled for conversion to a house lot. This was a deceptively small item, with large implications: over 20 acres owned by the town since the 1700's has been inaccessible for about 90 years, and now has excellent access due to this purchase. In conjunction with our Conservation efforts, we will be working to establish Fire Department access to this property in order to reduce potential fire spread, as it is surrounded by residences.

The Long Pond Protective Association, a private landowner group formed to mitigate the presence of Milfoil in the pond, has continued to provide quarterly reports to the Conservation Commission per requirements of the BOS, which has helped the Selectmen to make financial decisions with as much information as possible.

If you'd like to join our activities, especially our work sessions, please let us know. This in turn will help current and future resident's access and enjoyment. The open fields and apple orchard on one of our Town parcels has been of particular joy to many in 2021!

2020 Animal Control Officer Annual Report

In 2020, The Elected Animal Control Officer responded and resolved to date over 198 calls and complaints through Rockingham Dispatch. These involved everything from cruelty complaints, lost dogs/cats, found dogs/cats, loose livestock, loose dogs, injured animals, animal bites, abandoned animals, and maintaining licensing throughout the year.

The Animal Control Officer (ACO) enforces State Laws and Town Ordinances pertaining to domestic animals. Animal Control is dedicated to serving the community as it relates to both humans and animals.

Dog Licensing had over 1,082 dogs licensed this year. Licensing is required by NH Law to ensure all dogs carry a current rabies vaccine. Licensing is required by law and aids in getting your dog home quickly when they wander. Accidents happen and dogs get out. Current licenses can be the difference between being returned in minutes or an overnight stay at the kennel. Please confirm your contact information is correct so you can be contacted quickly in any event related to your dog. Dogs must be licensed each year by April 30th as required by State Law. Please notify the Town Clerk if you no longer have your dog.

2020 Dog License Revenue:

License Fees \$ 9,397.50

Civil Forfeiture Fees \$ 2,209.00

Dog Fines \$ 50.00

Less the Mandatory State of NH payout to the overpopulation program and Department of Agriculture that was \$1997.50 from Danville.

Total Revenue \$ 9,659.00

Danville residents have enjoyed many of our wildlife sightings this year. From Foxes, to Bear, Bobcats, Moose sightings, to many young wildlife babies out on their own for their first time. We ask that you give them space and watch from a distance. If you have any questions or need to report a missing or found pet, or any animal issues please reach out to call us.

October 2005, I received a matching grant and outfitted our Danville Fire Department with Pet Resuscitator & Rescue Masks for all our trucks and rescue. Given the town's new addition this year to the Fire Department, I sought out a donation.

This year I was able to acquire and donate 4 sets of "Pet Resuscitator & Rescue Masks". Each set consists of 3 masks ranging from sizes small, medium, and large. A Small mask fits pets up to 20 lbs. or with a short snout. A Medium mask fits pets from 20-55 lbs. A Large mask fits pets 55 lbs. and over. The masks sets have been donated to our Danville Fire Department. Each of our Fire Department trucks, including the rescue has a set. These masks are reusable. I would like to thank the "Maine POM Project" for their donation.

The Elected Animal Control Officer position is an elected position that must be elected each year by the voters.

Please call if you have any animal related concern, as I am happy to provide any information or resources that I have.

I can be reached through the Rockingham Dispatch, 24/7 at 603-679-2225 x0 for any questions, inquiries or complaints.

Respectfully submitted,
Sheila Johannesen
Animal Control Officer

2020 Fire Department Annual Report

The Fire Department members would like to thank the citizens of our community for their continued support. With this support, we were able to procure a new piece of fire apparatus that was desperately needed. Our new engine, Engine 1, that was approved in March was delivered in early November and has been placed in service to protect the residents and visitors of our town. Engine 1 carries fire suppression equipment, vehicle extrication equipment – also known as the “jaws of life”, and life-saving medical supplies and equipment.

Additionally, with the support of the community, the Fire Department was able to replace expiring self-contained breathing apparatus (SCBA). Our new SCBA meets all of the latest safety standards set forth by the National Fire Protection Administration (NFPA). The new SCBA allows our firefighters the ability to easily replace air cylinders and launder the harnesses which helps to reduce lingering carcinogens encountered during fire suppression operations.

The Fire Department has been heavily impacted by the COVID-19 Pandemic. The Department conducted extensive training to be able to effectively handle the pandemic and respond to someone who may be infected with COVID-19. Early on, procuring the much-needed personal protective equipment was a significant challenge as suppliers did not have adequate supplies on hand. We appreciate members of the community stepping up to donate N95 masks when they were nearly impossible to find.

The Danville Fire Department would like to extend their congratulations to the following members for earning additional certifications. Their commitment to furthering their education and obtaining additional certifications to be able to provide a higher level of emergency medical care to the residents of the Town.

The following members obtained their Advanced EMT Certification:

Corey Booth
Christi Unger

The following member obtained his EMT Certification:

Bobby Tuttle

Our members earning these certifications is another testament to the Departments commitment to excellence. In total, the Fire Department logged over 1,000 hours of combined Fire and EMS training. This training is important to ensure that our firefighters and EMTs are equipped with the knowledge that they need to safely mitigate any emergency that they are faced with and to provide the best possible patient care.

The Fire Department continues to collect used motor oil at the Safely Complex to heat the apparatus bay. Any resident who would like to drop some off may do so by calling the Fire Department between the hours of 8 AM and 4 PM, Monday through Friday.

Lastly, we have a couple of safety reminders. We ask that you ensure that your house numbers are prominently displayed on your residence and mailbox. In an emergency seconds count. Also, we have

seen significant growth in residential building. We encourage all new residents to call the Fire Station for information pertaining to outside burning permits, permits for wood and pellet stove installation, and standby generators.

Respectfully Submitted,
Steve Woitkun, Chief of Department
Corey Ward, Assistant Chief

2020 Colby Memorial Library Annual Report

Despite the many challenges presented by the Covid-19 pandemic, the library succeeded in providing materials, services and programs to residents in new and traditional ways. This year we added just over 1,000 new items including books, audiobooks, DVDs, and a new collection of digital books. We welcomed 63 new members.

After a very busy start to the year, with record numbers of visitors and participants in our weekly story hours and other programs, we were disappointed to suspend in-person services in March. During the state's Stay-at-Home Order, staff worked from home helping patrons access digital content and information on Covid-19, unemployment issues, the US Census and more. Virtual Story Hours and Colby Crafts from Home were launched on our new Facebook page, which also served to let residents know about our parking lot Wi-Fi, free databases, such as Ancestry, and other digital resources.

(left, Esme and Keely Johnston stocked up on books on March 14th the day before we closed.)

During this time, staff also faced the challenge of how to reopen and offer services in a safe way. We were committed to offering Danville children a Summer Reading Program that would be as close to normal as possible and were eager to come up with creative ways to safely get materials to residents and resume longstanding programs.

The staff and Trustees developed a Phased Reopening Plan following CDC and state guidance. As soon as the Stay-at-Home order was lifted, staff launched our Curbside borrowing service and our annual Summer Reading Program. With the theme, Imagine Your Story, the reading program kicked off with a virtual event live from the Squam Lake Science Center.

Over fifty children took part in the eight-week program featuring weekly craft and activity kits, reading logs, optional virtual components, prizes,

self-guided tale trail, countless bags of books, and a special costume party on Zoom.

By year's end, over 8,000 items had been bagged, circulated, and quarantined, upon return, through our curbside service. (Staff found many creative ways to keep the operation going in rain, sleet, snow and wind.) Special curated lists on our online catalog were designed to give patrons a chance to "browse" the collection remotely.

Our Mystery and Suspense Book Club moved its meetings to the back-parking lot and continued to meet monthly, even in the dark. Our Story Times for toddlers and Pre-K children were also held outside. Our parent/child book club moved to Zoom and meets monthly. (Please see our website colbymemoriallibrary.org for more information on these programs.)

Our Grab and Go Appointments began at the end of August and we were thrilled to have patrons back in the building. Unfortunately, we temporarily had to roll back to curbside toward the end of the year due to the high positive Covid test rate in Danville and Rockingham County.

(left, Bryce West sports his pirate loot from a take home craft bag)

New initiatives included a special Danville resident-only collection of downloadable eBooks and audiobooks, increased internet capacity and enhanced Wi-Fi. The library received \$4,500 in CARES funding which allowed us to upgrade furnace filters and purchase air purifiers, plexiglass and other safety equipment.

We are committed to having a well-rounded collection of popular and critical fiction and nonfiction books and movies for all ages. Library card holders also have access to a robust collection of digital books and audiobooks through Overdrive, including our new local collection. We also offer home-bound delivery, magazines, and one-on-one reference and technical assistance. Our digital offerings include online reference databases, genealogy, and language learning. We strive to provide friendly and professional service. When things return to normal, we will also

offer museum passes to the McAuliffe-Shepard Discovery Center, Seacoast Science Center and the Museum of Science.

We would like to thank the Friends of the Library for their continued support. This year, the Friends generously donated funds to allowed us to contract with Michelle Chase Design to create a new logo for the library. We thank Michelle for her creative vision and assistance. We look forward to unveiling the logo soon. We also send thanks to our neighbor and Friends member Kathy Dennis, for once again adorning our library with beautiful holiday decorations.

We wish Ed Lang, our former Trustee who resigned in December, best wishes and thank him for his support. We have welcomed former Director Dottie Billbrough as interim Trustee.

More than anything, we are thankful for our patrons who have stood by us during this challenging year and who have told us of how grateful they are to have an opportunity to safely borrow library materials. We share their love of books and reading and we are thankful for their patience and understanding.

We look forward to 2021 and a return to a library that is wide open with no restrictions, with the sound of children laughing, knitting needles clacking, teenagers chatting, and neighbors reconnecting.

For more information about the library including hours and services please see our website at colbymemorallibrary.org or call us at 382-6733. Follow us on Facebook for news and virtual events. Link to Facebook from our website.

2020 Zoning Board of Adjustment Annual Report

The Danville Zoning Board of Adjustment (ZBA) is a 5-member volunteer board. The principal role of the ZBA is to hear and issue decisions regarding applications for variances, special exceptions, equitable waiver of dimensional requirements, and appeals of administrative decisions related to zoning. Each application is reviewed on its own merits and the decision to grant or deny the request is made independent of the outcome of other previous applications.

As with other town boards, the 2020 COVID-19 pandemic required the ZBA to make a number of adjustments to accommodate the various pandemic related CDC guidelines and State of NH executive orders. Starting in March, town residents or landowners submitting applications were informed of any pertinent restrictions, allowance for virtual meetings, and meeting attendance guidelines. In some cases, joint decisions to delay hearings were made between the ZBA and applicant(s). This resulted in some backlog of applications during the first half of 2020. As state and local guidelines to hold safe meetings and hearings consistent with state RSA requirements were implemented, the ZBA resumed public hearings with remote access options in June. An aggressive schedule to catch-up on the backlog was established. As a result, the ZBA met 15 times and held 6 hearings between June and September. Essentially, a normal year's worth of meetings and hearings were completed in 4 months. I would like to thank the applicants, board members, clerks, abutters, and hearing participants for their flexibility during this unusual time.

During 2020, the board issued decisions on the following 7 applications.

Two Special Exception applications for Accessory Dwelling Unit's (ADU) were reviewed and granted.

- Lang ADU Special Exception at 86 Main Street
- Merrill ADU at 70 GH Carter Drive

Four variance requests were reviewed. One was granted, two were granted with restrictions, and one was declined.

- Carragher – 28 Crestwood Drive, requested variance for the 75 ft wetlands buffer requirement – Variance was granted.
- Anzalone – 148 Emerald Drive, requested a variance for the 75 ft wetlands buffer requirement - Variance was denied.
- Gordon – 105 Caleb Drive, requested variance for the 75 ft wetlands buffer requirement – Variance was granted with restrictions.
- Farry – 175 Pine Street, requested a variance for the 15 ft property line set back requirement – Variance was granted with restrictions.

One appeal from an administrative decision was Granted and associated rehearing request was denied.

- Delridge Realty Inc – Tax Map 2 Lot 75-1 on Main Street – Requested an appeal to the Building permit denial. Appeal was granted.
- Town of Danville – Rehearing request regarding decision to grant appeal for Delridge Realty building permit denial. Rehearing request was denied.

The ZBA meets on Tuesday evenings as needed. Hearing notices are posted at the Town Hall, Post Office, and listed in a local newspaper. All abutters to the property included in any application receive a certified letter of notification for the upcoming hearing. Those needing a hearing with the ZBA may contact the clerk who will assist them in filling out the application and abutters list. All applications require a public hearing. The requirement for ZBA public hearings is outlined in RSA 676:7 Public Hearing; Notice.

During the 2020 annual meeting, the board agreed to change the rules of procedure to increase the interval between receipt of an application and hearing date from 30 to 45 days. This is consistent with the latest updates to RSA 676:7.

I would like to take this opportunity to thank Janet Dennison for her years of support to the ZBA and successful transition of her responsibilities. Janet has been an essential town of Danville land use resource for years. I would also like to welcome our new ZBA clerk Gail Turilli who has done an excellent job supporting the board and navigating the complexities experienced in 2020.

Below are the members of the 2020 Zoning Board of Adjustment.

Chris Stafford – Chairman
Walter Baird – Vice Chair
Janet Denison – Clerk
Gail Turilli - Clerk
John Russo – Member
Roger Whitehouse – Member (Planning Board Representative)
Michelle Cooper – Alternate Member
Jason Holder – Alternate Member

2020 Planning Board Annual Report

In 2020, the Danville Planning Board saw continued interest in residential and commercial development within the Town. Subdivision applications continued to come before the Board in 2020 and it is clear that the Town continues to be attractive to developers. The Planning Board is gratified that recent developers have been willing to work with the Town to provide development that helps maintain the town's character. Long-term, the Planning Board anticipates that growth will continue due to the Town's location and rural environment.

The Planning Board continues to review all subdivision, site plan, and excavation applications to make sure they meet state and local regulations and to help maintain the rural nature of Danville. The Planning Board reviews each of the applications at our regularly scheduled meetings, has all plans reviewed by both the Conservation Commission and Town Engineer, and then conducts an on-site examination of the proposed development site. The Planning Board also calls on the expertise of the Road Agent, Heritage Committee, Board of Selectmen, Fire Department, and Police Department, as required, to perform an appropriate review. Due to the pandemic, the Planning Board conducted many of its meetings using electronic methods. While more complex, the Board was able to continue to provide the needed services to our Town.

The Planning Board has placed a few Zoning Warrant Articles on the ballot for 2021. These Warrant Articles are intended to streamline processes, clarify portions of our Zoning Ordinance, and correct errors. The Board listened to developers and residents regarding impediments to development and crafted these warrant articles to help balance the desire to simplify processes while still maintaining the rural character that makes Danville special. The Board asks for your support of these Articles. In addition to the Zoning Articles, the Board also updated the Town's Excavation Regulations during 2020.

In the past few years, the Board was particularly focused on changes to Zoning that have hindered Business development and has worked to promote a more business-friendly environment. Some of the changes have included updates to the signage regulations, types of businesses permitted in the Village District, and this past year's warrant article to extend the boundaries of the Village District. These efforts seem to be beginning to bear fruit as we have seen new commercial development on Main Street (corner of Olde Rd.), an expansion of commercial development off Kingston Rd. (storage facility enlargement), and developer interest in commercial development off Route 111 (potential commercial use).

The Planning Board has been encouraged by the large amount of interest in planning issues shown by the residents of Danville. Our hearings have been well attended with a wide diversity of thoughts expressed. In addition, many of the Town's residents watch our meetings on Danville's cable channel 20 and via live stream over the internet. This type of participation helps ensure that development in Danville is managed appropriately. The Planning Board meets on the second and fourth Thursdays of the month at 7:30PM in the Town Hall. We invite you to join us at these meetings and invite you to get involved with the activities of the Board.

A complete listing of the applications that came before the Planning Board and the status of those applications follows.

Specific Applications Reviewed by the Planning Board in 2020:

Subdivision and Minor Lot Line Adjustment for lots 51-9, 45-15-20, and 45-15 on Caleb Drive.
Subdivision of lots 51-9, 45-15-20, 45-15 granted.

Extension of Conditional Approval for 87 Sandown Rd.
Extension granted.

Subdivision of Lot 4-30 on Main St.
Approval granted.

Excavation Permit for lot 4-28.
Permit Extension approved.

Site plan review for commercial development for lot 4-191 on the corner of Olde Rd. and Main St.
Application withdrawn.

Subdivision of lot 4-94 on Pine St. and Kingston Rd.
Approval granted.

Preliminary discussion for commercial development on Lot 242 on Frye Rd. and Rout 111.
No action.

Extension of Conditional Approval of Site Plan for Self-Storage facility on Kingston Rd.
Extension Approved; Site Plan Final Approval granted.

Conditional Use Permit for Electric Power Line Maintenance.
Permit approved.

Subdivision of Lot 2-55, Happy Hollow Rd.
Approval granted.

Subdivision of Lot 4-46 on Long Pond Rd.
Review is ongoing.

2020 Heritage Commission Annual Report

The year 2020 has been greatly affected by the Covid-19 virus pandemic that arrived in our country in February and continues to sweep through the country. Our Governor's stay at home and state of emergency orders limited gatherings and mobility, as well as the Heritage Commission's ability to hold some of its regular meetings. All community activities, including the usual Old Home Day festivities, were cancelled this year.

We welcomed four new members to the Commission this year: Bill Hull, Kathy Dennis and Elaine Lynch, as well as Dottie Billbrough as our new Selectman member. We are grateful to Dave Knight, who served as our Selectman member until the March elections and provided much assistance and support to the Commission during his service.

The Heritage Commission completed a number of tasks this year despite the pandemic. Our new member, Bill Hull, raked and cleaned the interior of the 1802 Town Pound in the spring. This project led to research into the origins of the Pound and the scope of the Town's ownership of the land where it sits. To our surprise, we discovered from town meeting minutes the Town owns only the interior of the Pound and its stone walls! The information we found is now part of our records about the Pound, along with information about the gate and its original hardware that was shared by the Peter and Deb Meigs in their *Reminiscences* book.

We also replaced the old sign on the gate with a new board that had been donated by Karl Skinner and was professionally lettered.

We continued to monitor the Webster Stagecoach Stop & Store and Little Red Schoolhouse under our Stewardship Agreements with the Selectmen. We cleaned both buildings and completed our annual inspection reports for the Selectmen. Repairs to the large red sign in front of the Webster Stagecoach Stop & Store were finished, and the sign was re-installed on new cedar posts the Heritage Commission had purchased. Bill Hull repainted boards on the front of the Little Red Schoolhouse that were peeling. He also installed a gravel trench around the front and sides of the building to help with water splash that may have been affecting the paint.

During the summer we explored creating virtual tours of the Meeting House, Stagecoach Stop and Little Red Schoolhouse. These tours would become part of the Town's permanent records and provide the

opportunity to electronically share glimpses of these historic places with a wide audience. The tours could not be completed this year, but have become a target project for 2021.

The Commission is also gathering slides received from the Hawke Historical Society last year with the hope of digitizing as many as possible so they can be shared with the public. Our goal is to apply for a grant in 2021 to help with the cost of this project.

A collection of material that includes photographs and documents was donated to the Heritage Commission by Matthew Thomas, a Fremont historian. Mr. Thomas donated these items in memory of Elisabeth Sanders, who had collected them. The Commission will work on an inventory and archival preservation of these materials, along with ongoing work on items received from the Hawke Historical Society last year.

The Heritage Commission is actively involved in many activities that honor our Town in a positive and special way. Being a member, or participating in our activities, is an opportunity to learn about our town's government and understand our town's past as we move into the future. The Town's Heritage Fund is available for those who would like to make a monetary contribution towards preservation of Danville's history and town-owned historic structures. The Heritage Fund is dedicated to public purposes and donations to the fund are therefore tax deductible under section 170(c)(1) of the Internal Revenue Code. Arrangements for donations may be made by contacting the Heritage Commission.

2020 Cable Committee Report

During 2020, Danville's Cable Channel 20 continued to provide the residents of Danville with access to almost all of the Town committee meetings. Virtually all Board of Selectmen meetings, Heritage Committee meetings, Conservation Committee meetings, Planning Board meetings, Recreation Committee, Forestry Committee meetings and Budget Committee meetings were televised. These meetings were rebroadcast several times throughout the week providing additional viewing opportunities. In addition, local church services have been broadcast each Sunday morning.

In 2020, we also continued our live and on-demand streaming capability. All of the televised meetings are available for streaming at a time of your choosing from your PC or cell phone. Simply visit the Town's web site and click on the "Meeting Videos" button. The live streaming capability has been well received and we will continue to expand this capability as we go forward.

The broadcasting of Town Meetings, either by Cable TV or internet streaming, became especially important in 2020 as more people chose to participate remotely due to the pandemic. The Cable Committee did its best to ensure that all meetings could be viewed from home.

2020 also saw the conclusion of the first phase of an upgrade to our Town's video equipment. Major upgrades were completed in the Danville Community Center to provide advanced projection capabilities. Similar enhancements were undertaken at Town Hall. In 2021, further upgrades to the broadcast equipment are planned to provide a clearer, high-definition signal and to provide better broadcasting options from the Community Center.

When meetings are not being televised, Danville's Channel 20 broadcasts the Town's electronic bulletin board that provides information about upcoming Town and community events.

The Schedule for Channel 20 is as follows:

Sunday

- 9am Danville Baptist Church
- 11am Forestry Committee (rerun)
- 3pm Planning Board (rerun)

Monday

- 9am Conservation Commission (rerun)
- 1pm Heritage Commission (rerun)
- 4pm Selectmen (rerun)
- 7pm Selectmen (live)

Tuesday

- 9am Heritage Commission (rerun)
- 1pm Budget Committee (rerun)
- 4pm Conservation Commission (rerun)
- 7pm Budget Committee (live – during budget season)

Wednesday

- 9am Planning Board (rerun)
- 1pm Conservation Commission (rerun)
- 4pm Heritage Commission (rerun)
- 7pm Recreation Committee (live – monthly)
- 7:30pm Heritage Commission (live - biweekly)

Thursday

- 9am Selectmen (rerun)
- 3pm Planning Board (rerun)
- 6:30pm Recreation (live – biweekly)
- 7:30pm Conservation Commission or Planning Board (live)

Friday

- 9am Forestry Committee (rerun)
- 1pm Selectmen (rerun)
- 4pm Budget Committee (rerun)

It is important to note that the Town's Cable TV System operates with no impact to the Town's Tax Rate. The funds are provided by Comcast based on fees returned to the Town in accordance with our franchise agreement.

During 2020, some of our Camera Operators left the team as they headed off to college. We wish them the best in their studies and hope the lessons they learned while filming our Town meetings help to guide them in the future. In their place, we have brought in some new Camera Operators who have done a fantastic job learning the necessary skills and ensuring that we had no lapses during the transition. We continue to offer opportunities for our Town's youth.

We hope you enjoy watching Danville's Cable TV channel and hope that you find it useful and informative. We would appreciate any suggestions that you might have.

Barry Hantman, Cable Coordinator
Roger Whitehouse, Committee Member
Shawn O'Neill, , Selectmen's Representative
Jacob Current, Lead Camera Operator
Theo Boyd, Camera Operator
Michael Pagliuso, Camera Operator
Deborah Christie, Committee Clerk

2020 Highway Annual Report

With the support of the Town, the Highway Department completed a few projects. We paved the Danville section of Hunt Road and the new Salt Shed was constructed.

The town purchased a 2017 Mack Truck and a new Sander just in time for Winter Storm Orlena.

A few reminders: Please continue to use the blue bags for picking up litter on the roadside. Leave the full bags on the side of the road and call the Highway Department to let us know where to pick up the bags. Please pick up pet waste, never dump anything into the swales, and use environmentally safe fertilizers to keep our water systems safe.

Thank you to Bruce Caillouette for his many years of service to the Town of Danville.

James Seaver
Road Agent
603-382-0703

2020 Dragon Mosquito Control Annual Report

The summer of 2020 was one of the driest on record. The drought impacted all living creatures that rely on water including mosquitoes. Fewer mosquitoes meant less opportunity for 765 disease outbreaks, one of the beneficial side effects of the drought. We all had more than our share of challenges last year. No one complained about a lack of threat from mosquito-borne disease. Only two batches of mosquitoes tested positive for West Nile Virus (WNV) in NH. One batch was from Manchester and one from Nashua. No mosquitoes tested positive for Eastern Equine Encephalitis (EEE). The NH Department of Health and Human Services confirmed five human cases of Jamestown Canyon Virus. One adult tested positive from each of the following NH towns: Bow, Dunbarton, Epsom, Loudon and Newport.

Disease carried by mosquitoes is intermittent and cyclical in nature. NH didn't see significant WNV or EEE in 2020. However, these diseases are a continuing source of severe illness in the United States each year. Mosquito populations drop in drought years but when the water table returns to normal, mosquitoes rebound and disease returns. The increase of mosquito-borne diseases will continue as warmer temperatures expand the range of mosquito species and lengthen the mosquito season.

Last year, adult mosquitoes were monitored at four locations throughout town. Mosquitoes were collected in traps, identified to species and select species were sent to the State Lab in Concord for disease testing. No disease was detected in mosquitoes collected in Danville and no emergency spraying was conducted in 2020.

The recommended Mosquito Control plan for Danville includes trapping mosquitoes for disease testing, sampling wetlands for larval mosquito activity, larviciding where mosquito larvae are found, efficacy monitoring, and emergency spraying when a public health threat exists. Fieldwork begins in April when mosquito larvae are found in red maple and cedar swamps, woodland pools and other wet areas. Dragon uses a naturally occurring biological product called Bti to control mosquito larvae in wetlands. Bti will not harm people, pets and other animals, aquatic life or other insects. Dragon has been using spinosad, an organic soil bacterium, to control disease-carrying mosquito in catch basins. Trapping adult mosquitoes begins in June and State disease testing starts in July. The mosquito control program ends in October when temperatures drop and daylight hours decrease.

Residents who do not want their wetlands treated may use our No-Spray Registry online at www.dragonmosquito.com/no-spray-registry or write to Dragon Mosquito Control, PO Box 46, Stratham, NH 03885. Be sure to include your name, physical address, phone number, color of your house and the acreage you own. If you've submitted a request in prior years, please contact the office to reaffirm your request. To keep our records current, we need to hear from you each year. Inquiries may be emailed to help@dragonmosquito.com or you may call the office with questions at 734-4144.

Respectfully submitted,

Sarah MacGregor
