

Conservation Commission (CC) - Public **Oct 3rd, 2019**

Members: Carsten Springer (Chair), Ed Lang, Alan Hess, Sayra DeVito, Jason Holder, Bobby Loree (Vice Chair)

Also Present: David Cogswell (BOS Rep) ; Barry Hantman (Planning Board)

Called to Order: @7:32PM and was televised and live streamed

Pledge of Allegiance: Recited by those present.

Review Minutes: Ed motioned to approve minutes from 9/19/19 as amended, Al seconded, motion passed unanimously.

Old Business: Work date series for 111A & Back Rd proposed: Oct 12, 14, 19, 26. Brushhog/chipper on the property; Expense reimbursement - pay rate will be 50% of the current going rate. Telephone poles will be placed on the property for the base of the new shed.

Long Pond dam update courtesy of Bobby. State required. Dropped water 3-4 feet. How will this affect milfoil? Long Pond Association will have a meeting on Monday, October 7th.

New Business: MS4- Barry Hantman is speaking on behalf of the Planning Board and explaining to the Conservation Committee on how the town can stay within the guidelines put forth by the EPA. Planning Board has to put something together by next week (Oct 10th) and present it to the town. Open to condensing the documented presented by Barry this evening. Motion made by Carsten to appoint 2 people (Carsten and Sayra) to have the authority to present any changes to the Planning Board on behalf of the Con Comm. Seconded by Ed, passed unanimously.

Keep on our radar commercial wells that are being drilled in surrounding towns that may affect Danville's private wells. How can Planning Board and Con Comm work together in the future for guidelines? We want to be proactive.

Adjournment of Public Meeting: Jason made the motion to adjourn, seconded by Carsten, unanimous adjourned.

MINUTES PREPARED BY SAYRA DEVITO

Amended/Approved on Oct 3rd, 2019 by majority of the Commission.
