- 24 • Carol announced the Heritage Commission has the following openings: one full  
25 member three year term (expiring in 2018) and one alternate member three year term  
26 also expiring in 2018. If anyone is interested, please contact the Board of Selectmen or  
27 send a letter of interest to the Heritage Commission.
- 28 • A note was received from Bill Gard thanking the Heritage Commission members for  
29 their gift of gratitude to him for serving on the Commission for so many years.
- 30 • A new issue of *New Hampshire Town & City* was received. Carol noticed a couple of  
31 interesting articles, one on conservation easements and another on taking stock of  
32 community facility and infrastructure needs. She pointed out the latter may be helpful  
33 for the town hall in the future.  
34

35 **DISCUSSION**  
36

37 1. **Review of Heritage Commission Procedures**  
38

39 Carol spoke to Janet about her procedure with the meeting minutes and Janet forwards the  
40 draft minutes to the town clerk and she thinks we should continue to do so. The NH statute  
41 states that the draft minutes must be available within five days.  
42

43 Carol passed out a list of suggested changes to the procedures. They were reviewed and  
44 approved. Linda made a motion to adopt the changes and file the amended changes with the  
45 town clerk. Mary Ann seconded the motion and it passed unanimously. The procedures are  
46 reviewed every three years.  
47

48 2. **New Town Website**  
49

50 Carol had notified the members by email that she placed information on the website for review.  
51 Everyone was happy with her work. Mary Ann suggested putting the purple lilac story on the  
52 website as well as Red School House pictures. Carol does not have information from the old

53 website unless it is on her computer. Photos to go with the articles can be added if found. Bill  
54 published articles relative to the Webster Stagecoach Stop & Store and Carol will get them for  
55 the website.

56  
57 Other things to be added to the website include the Heritage Commission awards, the historic  
58 district ordinance, and a map of the historic district if one can be located. Josh offered looking  
59 into how to click on images to find out more about them, as Carol does not know how to do it.  
60 Carol will continue to work on the website. Linda made a motion to nominate Carol to be in  
61 charge of the website. Mary Ann seconded the motion. Carol abstained. The motion passed  
62 unanimously.

63  
64 Per Carol the goal for each board in town is to put up three years of meeting minutes. Carol  
65 suggested the clerk be paid for her time. Mary Ann made a motion to pay Laurie Crevatis for  
66 her time for forwarding the minutes for the last three years. Linda seconded the motion and it  
67 passed unanimously.

68  
69 The Girl Scout stuff is lost, i.e. puzzles and stories they created being a child growing up in  
70 Danville. Carol emailed people involved with the Girl Scouts and has not heard from anyone  
71 as to whether they can retrieve the information. There was talk about finding another group to  
72 do it. Mary Ann suggested the fourth grade and Carol will contact Nikki Desantis with the  
73 board's permission to see if she can help.

74  
75 Carol said some website departments are requesting a counter be put on their pages to see  
76 how many people are viewing it. The consensus of the members was to do it and Carol has  
77 the process and will do it.

78  
79 3. Stagecoach Stop Brochure

80  
81 Carol suggested each member take a section to draft in order to help Mary Ann. Everyone  
82 chose a section and will bring a draft to the next meeting for review. Amber-Rose brought the  
83 postal history book to Carol's home. It starts with the mail in the Colonial times, there in  
84 information about the 1800s and stagecoach companies, and chart on postage rates. Amber-  
85 Rose offered to write the postal section, Carol will write a section on Nathaniel Webster,  
86 Michele will write a section on the move, Linda will write a section on the store, and Mary Ann  
87 will write a section on the shop.

88  
89 Carol suggested mentioning the trap door and center chimney as they are interesting features  
90 of the Stagecoach Stop.

91  
92 4. Date for Site Visit – Tuckertown Rangeway Walking Trail

93  
94 The agreed upon date is October 3, 2015 at 10:00 a.m.

95  
96 5. Date for LCHIP Inspection of Stagecoach Stop & Store

97  
98 The inspection report is due at the end of December and Carol usually does it. She asked if  
99 the members wanted to do an official inspection of the site. This will be done following the  
100 Tuckertown Rangeway site visit on October 3, 2015.

101  
102 6. Red Schoolhouse – Status Update – State Listing Application

103

104 Per Carol, she still has not heard from the liaison at NHDHR regarding our application. The  
105 last communication was August 17 and the next meeting for them to approve it is in October.

106  
107 7. Stagecoach Stop & Store Exhibits

108  
109 Linda checked on the laminating process for the information boards and found some DIY  
110 sheets that come in packages. Mary Ann has a laminator and the cost is \$9.99 for 100 sheets  
111 on Amazon. Another option per Carol is to print on foam board and Carol will look into it.

112  
113 Amber-Rose had mentioned trying to get a proclamation of post master from the post office  
114 for Nathaniel Webster. Mary Ann said she spoke to Steven who said they do not have it going  
115 back that far and it can only be retrieved from family members.

116  
117 8. Other

118  
119 Carol mentioned the man from Kentucky who had communicated with Heritage about finding  
120 his ancestors. Carol found some information and talked to June Keller about it, and June will  
121 communicate directly with him. He might find the person he descended from may be an actual  
122 Tuckertown survivor.

123  
124 **ADJOURNMENT**

125  
126 Linda moved to adjourn the meeting at 8:40 p.m. Mary Ann seconded the motion and it  
127 passed unanimously.

128
