The tax impact noted on the various articles is the Selectmen’s best estimate based on the town’s 2019 valuation of $406,753,292 defined by the MS-1 line 21.

The maximum number of years duration of the exemption shall not exceed ten (10) years and the maximum percentage of exemption shall not be greater than fifty percent (50%). Following adoption, the duration and percentage of exemption shall be determined by the governing body on a per case basis based on the amount and value of public benefit.
