Hello Kim and Brie,

I echo Sheila's sentiments. This is extraordinarily disappointing that you both, as elected representatives by the citizens of Danville, refuse to appear for a friendly conversation around the current climate of the school tax situation. Quite frankly it's somewhat unbelievable that you are declining to join us. This is a very bad look. Please reconsider. This is not a witch hunt, rather, we would like to ensure that the concerns that are being raised by Danville citizens are heard and, that those citizens, ourselves included, feel like our representatives are representing the best interests of Danville. I implore you to reconsider and to not turn this into something that it is not.

Kind regards,
Dennis Griffiths

Hi Kim,

Brie and I respectfully decline attending a BOS meeting. We feel it would be better to bring any and all concerns in front of the full board for discussion. Delegates and individuals takes place during the first 30 minutes of each meeting. We

can listen to any concerns and possibly add them as agenda items in future meetings. The next few meetings are as follows:

December 7, 2023 at 7:00pm

December 21, 2023 at 7:00pm

January 4, 2024 at 7:00pm

Brie and I have looked into our correspondences and neither of us have any inquiries that haven't been addressed. I have also looked into RTK requests, and as far as I can tell we don't have any from Danville residents.

Respectfully,

Kim McCormick
