- **Bicycle and Skateboard Helmets** on all children.
- **Number your HOUSE and MAILBOX** so that we can find your home in case of an emergency.
- **Check your Smoke and CO Detectors** to make sure they have battery back-up. We have found many homes have wired detectors but are old and do not have any battery back-up. Please check and replace any detectors that are more than 7 years old.
- **Burn Permits** are required in NH for burning brush. Please stop in during business hours and get your Annual Burn Permit and the rules for outside burns.
- **We save you tax dollars by burning waste oil!** Please bring your waste oil in during business hours. Burning waste oil in the equipment bay furnace has saved a lot in fuel costs.

Please stop by if you have any questions, to view our equipment, or are interested in joining.

Oceans of Possibilities is the theme for this year's Summer Reading Program, and we'll kick things off Thursday, June 23<sup>rd</sup> with a visit from the Seacoast Science Center of Rye. Children are invited to learn about and touch animals and plants that live along our coast including lobsters, sea stars, crabs, and seaweed. Please call us to register for one of two programs at 10:30 and 11:30.

This year's Summer Reading Program will include Grand Prizes, donated by the Friends of the Library, awarded to readers in three categories – children, teen, and adult. Prizes include a \$50 gift certificate to Newark Lobster House, a \$50 gift card, and a giant stuffed sea turtle and book.

In case you missed the news, the library now has Hoopla, a free digital borrowing platform offering over one million digital and audio books, albums, television shows, movies, graphic novels and comics. Please ask us how to join. Hoopla compliments Overdrive, our other digital collection and our in-house collection of books, videos, books on CDs and magazines for all ages.

We also offer passes for discounted admission to four area museums including Seacoast Science Center, Children's Museum in Dover, McAuliffe-Shepard Discovery Center, and the Museum of Science in Boston.

Don't miss out on our popular Storytimes. Thursdays at 10AM for toddlers and 11:30AM for preschool-kindergarten. We have also added a new monthly infant story time. Call us for information.

Borrow our adventure backpacks for kids for your summer hiking and beach outings. Backpacks include maps, bug collection kits, magnifiers, binoculars etc. Also ask us about our telescope for summer stargazing.
